ANNEXURE NO. 2/

0000

Explanatory Remarks.

37 (k) - Education - Primary - Direct Grants to Non-Government Primary Schools - B. Non-European - I - Ordinary Areas (i) Excluding Post-war Reconstruction - (k) B.I. (i) - 2- Buildings:--

The outstanding liabilities on 1-4-47 will be Rs. 65,000/- and they are made up of Rs. 30,000 relating to old schemes Nos. 1, 6 and 14 and Rs. 35,000/- relating to new schemes. Though provision was made in the Budget Estimate for 1945-46 in respect of Schemes Nos. 6 and 14, payment could not be made during that year for want of completion of the work and the examination of the title deeds. Hence provision is necessary in the Budget Estimate for 1947-48 in Part II of the Budget for 1947-48 in respect of these two schemes. Schemes Nos. 18 to 22 are new and essential schemes and they are likely to be completed and payment claimed during 1947-48. As regards scheme No. 1, a sum of Rs. 17,285/- is due to the management. But the management has since submitted a revised estimate for Rs. 80,000/- for increasing the grant. The Government are being addressed separately in this matter. A provision of Rs. 40,000/- is necessary under Part I in the Budget Estimate 1947-48 in respect of this Scheme.

Summarising the above, the following provisions are necessary in the Budget Estimate for 1947-48

Part I..... Rs. 40,000/-:
Part II..... Rs. 47,700/-:

11/4/48

C. 6051566. Part II Scheme - 1947-48 - Aided Elementary Schools - Building and equipment grants.

The S.P.D. proposes that

The following provision may be made in Part II of the B. E. for 1947-48 for payment of building and equipment grants to aided elementary schools:

Buildings : Rs. 47, 700.
Equipment : Rs. 30, 800.

The particulars of the schemes for which provision is intended are at pp 2-3 and 5-6 CF. Under the rules, the Director is competent to include building grant schemes in the approved list, but such inclusion implies no kind of liability on the part of the govt. He has to suggest the provision required for such schemes in Part II of the budget estimates.

Under the rules equipment grant to aided elementary schools can be sanctioned by the S.P.D. or the Inspecting Officers.

This dept. may recommend the provision proposed by the Director for the payment of the building and equipment grants. The provision made during the last four years was as follows:-

Year	Building Rs.	Equipment Rs.
1943-44	27, 500	9, 000
1944-45	28, 800	8, 900
1945-46	29, 800	11, 100
1946-47	77, 400	21, 300
1947-48 (Proposed)	47, 700	30, 800.

Part II Schemes for 1947-8
Building and Equipment grants to aided elementary schools

Items of Expenditure.	Non-recurring.	
	Ultimate cost Rs	Cost in 1947-8 Rs
(1) Building grants.	47,700	47,700
(2) Equipment grants.	30,800	30,800

The statement at 'M' on p.1 above shows the provision made in the past years on account of grants to aided elementary schools towards buildings and equipments. As grants for buildings and equipments are given every year after treating the proposals as Part II Schemes, the criteria laid down for Part II Schemes for 1947-8 in this department U.O. Note No. 54303 (B)-1, dated 9.10.46 regarding restriction of Part II Schemes need not perhaps be rigidly applied in this case. The provision proposed for building grants and calls for remarks and may be agreed to. The provision for equipment grants exceeds that allowed in any of the previous years. It is fact more than twice the amounts allowed in previous years except in 1946-7. Having regard to the necessity for observance of economy in all expenditure, it would seem sufficient to allow a sum of Rs.21,000 in 1947-8 as in 1946-7. Even this sum that the provision suggested is more than twice the grant provided in 1943-4 and 1944-5 and slightly less than twice the amount provided in 1945-6. Subject to the above remarks, Finance may agree to the proposal going forward as a Part II Scheme for 1947-8.

13/2
 Please see p 2 ante. The Finance Dept. agree to a provision of Rs. 47,700/- for building grants to aided Ely. Schools, while they recommend that the provision for equipment may be reduced from Rs. 30,800/- to Rs. 21,000/-. The Director has stated that the schemes for equipment grants will mature for payment in 1947-48. From the statement at 'M' on p1 ante, it will be observed that there has been a steady increase in the provision for the purpose during the last few years. The reason for the comparatively small amounts provided in the previous years may be due to the difficulty to get materials due to war. It is therefore for consideration whether this Dept may press for the provision of Rs. 30,800/- for the equipment grants. For orders as to circulation.

I have the honour to state that Government have
in their order Ms.No.890 Edn. dated 30.4.47 sanctioned a
grant of Rs.4900/- towards extension of the building of
the Presentation convent girls Higher Elementary school,
Theni. The Correspondent has since submitted an additional
estimate for Rs.490/- for substitution of teak wood panels
for doors, cupboards etc., in lieu of Bamboo thatty as
originally proposed. This estimate has been approved by
the Consulting Architect to Government.

The work is, however, reported to have been completed
at a cost of Rs.9429/-. Adding to the above amount the
cost of additions now approved viz. Rs.490/-, the total cost
of the scheme works out to Rs.9919/- entitling the management
for a grant of Rs.4960/-
