To

The Secretary to Government,
Education and Public Health Department, Madras.

Sir,

Sub:- Madras Educational Service - Officers officiating in the Madras Educational Service - temporarily under emergency provisions - Continuance during the summer vacation - Orders-requesting.

I have the honour to inform you that the *following Officers are now officiating in the Madras Educational Service temporarily, having been appointed to the Service under Rule 9(a)(1) of the General Rules for the Madras Provincial and Subordinate Services. In view of the fact that there is no likelihood of their being displaced immediately by regular probationers or by permanent members and in view of the fact that their services will be required in the Madras Educational Service when the Colleges re-open after the summer vacation, I have the honour to request that the Government may be pleased to allow Officers to continue in the Madras Educational Service during the ensuing summer vacation of 1947.

- *1. Sri T.S. Venkataramanan, Officiating Instructor in Highway Engineering, College of Engineering, Guindy.
2. Sri T. Appalanarajah, Officiating Lecturer in Commerce, Government Arts College, Coimbatore.
3. Sri P.V. Krishnamurti, Officiating Lecturer in Chemistry, Government Arts College, Rajahmundry.
4. Mr. S.P. Vores, Officiating Instructor in Mechanical Engineering, College of Engineering, Guindy.
5. Sri S.L. Balasubramanian, Officiating Senior workshop instructor, College of Engineering, Guindy.
6. Sri P.V.B. Bhoshana Rao, Officiating Senior Workshop instructor, College of Engineering, Coimbatore.
7. Sri K.S. Bikshandewaran, Officiating Junior Instructor in Electrical Engineering, College of Engineering, Guindy.

10. Lt. J.A. Webster, Officiating Instructor in Civil Engineering, College of Engineering, Guindy.

2. In this connection I may submit that while the Nos. 1 to 3 are regular members of some service in the Department, or Electricity or Public Works Department and 10 (Messrs. N.R. Sitapati and J.A. Webster) have for appointment to any post under the Government of Madras. I submit that Messrs. N.R. Sitapati and J.A. Webster continued in service during the ensuing summer vacation. They give an undertaking to the effect that they will continue to serve in the Education Department of the Government even after the summer vacation of 1947 and till they are relieved of their appointments by the Government under the conditions specified in the original orders appointing them temporarily to the Madras Educational Service.

J/13-14.9.47
E/16-7.47

2. As regards the continuance of Sri K. Ramanujacharya, officiating lecturer in Mathematics, A.H. College, Coimbatore, in the Madras Educational Service during the vacation I am unable to recommend it as there is no likelihood of his continuing in the Madras Educational Service after the expiry of the summer vacation as the candidate to be recruited direct will be available shortly for appointment to the Mathematics Unit of the Madras Educational Service. Orders are requested whether he may be reverted to the Madras Educational Subordinate Service from the date of closing of the A.H. College, Coimbatore for the vacation.

Office of the
Director of Public Instruction,
Madras. Dated 3-4-1947.

Telephonic Reply by post.

From
The Deputy Director of Public Instruction,
Madras.

To
The Asst. Secretary to Government,
Education and Public Health Department, Madras.

Ref:- your Telephonic message by post dated Nil received
to-day (3-4-1947).

In recent years there have been no cases of temporary appointments or promotions in the MADRAS EDUCATIONAL SERVICE requiring continuance of such appointments during vacations. Only last year the temporary appointments of Messrs. N. Viswanatha Ayyar and T.S. Venkataramanan, instructors in Hydraulics and Highway Engineering, respectively, were continued during the summer vacation of 1946, since the question of making a regular appointment to these posts was under correspondence and these officers were also Gazetted officers in the P.W.D. In the above circumstances there was no occasion to follow a definite practice in regard to the continuance of officers appointed under emergency provision during the summer vacation.

2. But this year, a number of such emergency appointments under all types, (Officers belonging to the Subordinate Educational Service, Officers belonging to Gazetted Services and Non-Gazetted Services of the P.W.D. and persons who hold no regular appointment under Government) have been made, owing to the unexpectedly large number of vacancies in the Madras Educational Service that arose this year. There is an immediate possibility of any regular appointments being made to the posts and as such it will be necessary to continue them in their present posts. Moreover, the officers employed in the Colleges of Engineering will have certain duties during the vacation.

3. Since Mr. C.T. Philip has written that he is reverting back to the Education Department there will be no need to continue Sri Krishnamurti as Officiating Lecturer in Chemistry in the Madras Educational Service during the vacation. He will be deemed to have reverted to the Subordinate Educational Service with effect from date of closing the Government Arts College, Rajahmundry, for the vacation. As for continuance of Sri T. Appalanarasiah, there is one in the Department to replace him and so he will have to be continued even after the vacation. Hence the continuance of his temporary appointment during the vacation will be apparent.

4. The following Instructors are officiating as Professors under rule 31 (a) of the General Rules for the Madras Provincial and Subordinate Services.

1. Sri N.S. Krishnaswami Ayyanagar,
Professor of Civil Engineering, Guindy.
2. Major B.H. Marley,
Professor of Civil Engineering, Guindy.
3. Sri R. Natesan,
Professor of Mechanical Engineering, Coimbatore.
4. Sri K.N. Ramanathan,
Professor of Electrical Engineering, Coimbatore.
5. Sri K. Sukumaran,
Professor of Electrical Engineering, Guindy.

In view of the fact that there will be no one to replace them or after the summer vacation and as the duties of these officers cannot be entrusted to any one else, they may continue in their present posts during the vacation also. I may state that Sri T. Appalanarasiah was continued as Professor during the vacation even last year.

Reference: - Your telephonic message dated 16.4.1947 regarding
duties of Lecturers during the vacation.

I may state that many of the Lecturers have certain duties to perform during the vacation. For example, Lecturers in Science subjects have to check up and verify apparatus, chemicals, etc. and prepare annual indents during the vacation. All the Lecturers have got duties in connection with the annual examinations of the classes other than those taking the University Examinations, such as valuation of answer papers, preparation of marks list, etc. The Lecturers assist the Principal during the vacation in planning the work of the College during the following academic year and in making admissions. The Lecturers, especially the newly appointed persons, have much work during the vacation in that they have to study, organise and plan the work in their respective departments for the coming year.

M.E.S. - Continuance in certain posts during summer vacation of officers apptd. under emergency provisions.

The proposals of the D.P.I. in paras 1 and 2 of his letter at p. 1.c.f., as modified and added to by paras 3 and 4 of his T.M. at p. 4 c.f., may be accepted.

2. Para 3, p. 2 c.f.: Sri K. Ramanujacharya was apptd. Lecturer in Math. in the A.H. College of Tech., Coimbatore, in Oct. 1946 - temporarily, for the reason that there was no appropriate candidate. The D.P.I. now says that he is not in a position to recommend the continuance of the officer in the post of Lecturer (M.E.S.) during the summer vacation, as there is no likelihood of his being kept on in the post after the expiry of the vacation as the candidate to be recruited direct will be available shortly for appt. to the Unit, and therefore requests whether the officer may be reverted to the Subordinate Service, whether as Asst. Lecturer, from the date of closing of the college.

Sri Ramanujacharya will have served as Lecturer in the College for 5 to 6 months by the time the college closes for the vacation. That he shd. be reverted to the Subordinate Service because the vacation begins, does not sound fair. The circles at "X" above would exist even if the officer was apptd. regularly. There does not appear to be sufficient justification for using those circles for terminating the temp. appt., when they are not likely to be considered as sufficient reason for terminating a regular appt. The person who has been

occupying a post in the working months of the college under whatever rule, technically - should reasonably be continued to remain there during the vacation also, provided the post remains vacant. In his T.M. at p. 4 c.f. the Dir. appears to concede that the only criterion to be followed in the matter is that there should be no immediate possibility of a regular appointment being made. This condition should be taken to be fulfilled in this case. The direct recruit expected to be available

the Comm. was asked to select for ^{filling} following Dr. Chakko's
 ement vacancy, which will occur on 24-8-47. That recruitment
 not affect Sri Ramanujacharya's continuance in the M.E.S.
 that date. But, if a war service candidate is recruited
 to one of the vacancies which stand reserved for that class
 candidates, the civilian officer now offg. in that vacancy will
 Sri Ramanujacharya's place and the latter will consequently
 to revert. This reversion will not, however, take place im-
 mediately. In case during the vacation or on the expiry of it, the
 vacancy ceases owing to the recruitment of war candidates or any
 other reason, then Sri Ramanujacharya may be reverted and, in that
 event, he will not have any grievance of having been deprived of a
 legitimate benefit. Pl. see, in this connection, the minutes at
 12 of G.O. No. 40 Edn. dated 10--1--1947. For orders.

3. The making of tempy. appts - and their continuance (without
