The draft order on page 1 above may
be accepted subject to the following
remarks:-

It is not clear whether it is usual
to allow the free use of the Museum Theatre
for holding such conferences. The Conference
in the present case has been convened by the
Govt. of India with the consent of the Provincial
Govt for an official purpose. If free use of the
theatre has been allowed in similar cases in
the past there is no objection to the
exemption proposed in the present case. If
however the usual electric and rent charges
have been collected in similar cases before
the same procedure may be followed in
the present case also.

A.M.H. may be requested to verify
the correct position before issuing the
draft.
