No. A2-3176/46.

Dated: 1 November '46.

Sir,

Telephone installation at the residence of Assistant
Superintendent at Government cost - orders solicited.

The Assistant Superintendent of Stamps and Stationery holds a stock of Stamps worth about 7 lakhs of rupees. Police guard the strong room day and night continuously by turns. There is a telephone extension in the verandah of the building at easy reach of the police for use in case of emergency. There is a telephone at the residence of the present Assistant Superintendent Mr. R. Siddique installed at his own cost. During nights and on holidays the Assistant Superintendent rings up to ascertain whether there is always the duty constable at his post. The police in turn can also ring him up when there is a necessity. Since the stock he holds is very heavy this check through telephone particularly during the nights is essential.

The Collector, the Superintendent of Government Press and other officers of the city also ring him up at his residence when necessary. In these circumstances orders of Government are solicited that the telephone at the residence of Mr. R. Siddique may be maintained at the expense of Government.

Memo No. 72630 C2/46-1 Edn. dated 2-12-46.

The Superintendent of Stationery is requested to state whether Mr. Duncan, the previous Asst. Superintendent of Stationery had a telephone at his residence, and if so, whether it was maintained at Govt. cost. If the previous Asst. Superintendent of Stationery carried on his work without the aid of a residential telephone, the need for one to the present Asst. Superintendent of Stationery is not apparent. The Superintendent of Stationery is requested to justify his proposal.

TELEPHONE - Installation at the residence of the Asst. Superintendent at Govt. cost - Orders solicited - Govt. No. 72630-C2/46-1-Edn., dated 2-12-1946.

It is learnt that Mr. S. Duncan, the previous Assistant Superintendent of Stationery who was residing in Bosotto Hotel, had a telephone at his rooms. He maintained it at his own cost, although he used it frequently to ring up the guard in front of the strong room. Sanction of Government for its maintenance at Government cost was not sought for as he did not care to apply for it.
