EDUCATION DEPARTMENT.

From Dr. S.R.U.Savoor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

D.O.C.No.407-K2/47, dated 2-4-47.

Sir, SUBJECT:- College of Engineering, Guindy - Practical Training undergone by students not recognised by College rules-

I have the honour to enclose herewith a copy of letter Rc.No.25-1/47, dated 20th March 1947 from the Principal, College of Engineering, Guindy and to request that, in the circumstances, stated therein, the practical training undergone by the five students in works not falling under Annexure to Rule 17 of the College Rules may be recognised by Government for the purpose of awarding the College Diploma.

2) Similar recognition has been given in the past - Vide G.O.Nos. 768, Edn., dated 21-5-1942 and 1744, Edn., dated 7-12-1942.

for Director of Public Instruction.

Copy of the letter Rc.No.25-1/47, dated 20th March 1947, of the Principal, College of Engineering, Guindy.

The students mentioned in items 1 and 2 below have undergone their practical training on works, not covered in Rule No.17 of the College rules. From the reports received on their behalf about their training, I consider the training undergone by them, may be treated as practical training for the award of the College Diploma. I request that the Government may kindly be addressed to recognise their training as equivalent to practical training for the award of the College diploma.

The students 3 to 5 below, have been in service as Draftsman in the M.& S.M. Railway which is recognised only for practical training for the award of the College diploma. Since the Government have in their order No.773, Edn., dated 22-5-1942, stated that the services of students in the P.M.D. will be treated as period of practical training and as I am satisfied with the reports received on behalf of the students mentioned above, I consider that the services in the M.& S.M. Railway as draftsman may be treated as period of practical training for the award of the College diploma. I request the Government may be addressed to accept their service in lieu of practical training for the award of the diploma.

Name.	Works.	Period.
1. A.Lalitha	Passed Electrical Engineer student.	East Indian Railway. 1-12-1943 to 30-11-1944.
2. R.Padmanabhan	-do-	The Jamshedpur Technical Institute, Jamshedpur. 15-1-1944 to 8-2-1946.
