Office of the Director of Public Instruction,
Madras, dated 12.3.47.

From

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction,

To

The Secretary to Government,
Education and Public Health Department,
MADRAS.

Sir,

Sub: Hostel - Madura College - shifting to a new building -
fulfilment of the conditions of mortgage deed executed for
the grant-in-aid received from provincial funds.

I have the honour to state that the management of the Madura College,
Madura constructed a hostel building at a Cost of Rs.43,500/- and
received a grant of Rs.38,000/- from Provincial funds (Vide G.O. No.1196
Edn. dated 15.2.1913). According to the rules then existed in the grant
in-aid Code the management mortgaged the building to Government for a
period of 40 years from 16-8-1924.

2. However to accommodate a larger number of students in the hostel
and to meet the growing demands, the management has now ~~constructed~~ constructed
at a cost of about Rs.1,00,000/- another hostel building in the College
Compound itself without aid from Government. It is further stated that
the ~~x~~ existing hostel surroundings have become congested on account of
the construction of several residential quarters near the hostel. The
management has applied to me for permission to let the old hostel
building on rent to some private agency when the hostel is shifted to
the new buildings. It is expected that the hostel will be able to
function in the new buildings very soon. The management is prepared to
mortgage the new buildings to Government for the un-expired period of
the existing mortgage.

I have also considered whether the A.R. Branch school, Madura
which is without sufficient accommodation can be accommodated in the
old building, but it is reported, that the building will not suit the
purpose. It has been also represented that as the management can get a
good rent for the building, it will help to lighten its Financial burden
for running the College efficiently.

In these circumstance, I recommend that the request of the manage-
ment may be complied with provided it meets all the expenses connected
with the execution of the fresh mortgage deed. I request for early
orders of Government on the matter.

For Director of Public Instruction.
