Roc.11330 M/46,

Office of the
Director of Public Instruction,
Madras, Dated 27-2-1947.

From Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department, Madras.

Through The Superintendent of Stationery,
Guindy.

Sir,

Sub:- Stationery - Supply of an additional portable
typewriter to the Chief Inspector of Physical
Education, Madras on tour.

I have the honour to state that one L.C. Smith typewriter
of the standard size has been supplied to the office of the Chief
Inspector of Physical Education and it is used by the Office steno-
typist. The Chief Inspector of Physical Education has been authorised
to take with him to camp the steno-typist and the touring of the
officer extends to all parts of the province. In the circumstances,
it is likely that the big typewriter in the office, if taken on tour,
on long distant camps, in these days of difficult railway travel,
may be damaged with consequent inconveniences. The Chief Inspector
of Physical Education therefore requests that he may be supplied with
a portable typewriter for official use while on tour. The Inspector
of European Schools, Madras, who like the Chief Inspector of Physical
Education is also a presidency touring officer, has been supplied with
a portable typewriter for her use on tour.

2. The Superintendent of Stationery whom I consulted states that
the sanction of Government is necessary for the supply of portable
typewriter to the Chief Inspector of Physical Education in addition
to the standard typewriter already sanctioned for use in his office.

3. In the above circumstances I request that Government may be
pleased to sanction the supply of a portable typewriter to the Chief
Inspector of Physical Education as early as possible.

I have the honour to be,
Sir,
Your most obedient servant,

R. Narasimhan

Government decline to accept the proposal of the D.P.I. to supply a portable typewriter in addition to the standard typewriter to the Chief Inspector of Physical Education, Madras, for touring purposes. The standard typewriter should be taken for ~~purposes~~ ^{on} tour.

To
The Supdt. of Stationery,
The D.P.I.
S.C.

NOTE: Fin have recently, in the case of the Special Officer for re-organisation of the Department of Indian Medicine, objected to the supply of a portable typewriter in addition to a standard machine for tour purposes vide (G.O.No. 2372 Edn. dated 12-12-46). The request of the D.P.I. may, therefore, be negatived.

2. The request of the D.P.I. in this case is based on the analogy of the Inspectress of European schools, Madras, who has got portable typewriter for use while on tour. This portable machine was sanctioned by the D.P.I. while the power to sanction typewriters was vested in heads of departments. The power was withdrawn in G.O.No. 46 Education, dated 17-1-44, on account of the scarcity in the availability of typewriters ~~due to import difficulties~~ ^{as} ~~stand.~~ ^{were not available in sufficient numbers}. This position has not improved still and the orders in the G.O. at ~~(b)~~ ^(b) Under the powers resumed by Government sanctioned for a portable typewriter in addition to a standard typewriter is inadmissible. Though the possession of a portable typewriter by the Inspectress of European Schools may go to make an invidious distinction between two presidency touring officers of the Educational Department, it cannot be helped. ~~It is not necessary~~ ^{also} ~~to withdraw the portable typewriter from the Inspectress of European Schools as it will mean re-opening cases disposed of by Heads of Departments~~ ^{to remove this distinction under the powers delegated} to them by Government.
