To

The Secretary to Government,
Education & Public Health Department, Madras.

Sir,

Sub: Schools - Opening of Higher Elementary Standards in the Model School attached to the Govt. Muhammadan Training School for Masters, Mount Road, Madras.

Ref: Govt.Memo. No.45178-C/44-1, Edn., dated 4-10-46.

I have the honour to resubmit for favourable consideration of Government the proposal to open Standards VI to VIII in the Model School attached to the Govt. Muhammadan Training School for Masters, Madras.

The Model School has at present Standards I to V with the following strength:

Standard	I	..	44
"	II	..	45
"	III	..	43
"	IV	..	24
"	V	..	27
Total	..	183	

The reasons for the opening of higher elementary standards had been clearly stated in my letter R.C.No.938 A/44, dated 9-9-44. Besides, the opening of Higher Elementary Standards in the Model School will give facilities for the pupils of the Model School to continue their studies without interruption and thus derive the full benefit of Elementary Education. Sufficient accommodation and Equipment are available for the higher standards.

I therefore request that Govt. may be pleased to reconsider the orders passed in their Memorandum cited above and accord sanction for the opening of Standard VI in 1947-48 and Standards VII and VIII in subsequent years in the Model School attached to the Govt. Muhammadan Training School for Masters, Madras.

The financial effect of the proposal will be as shown below:

COST IN 1947-48

Pay of 1 Secondary Grade teacher 30 x 9 plus
Presidency Allowance 6½ x 9 .. Rs.329+144=473
or Rs.300/- in round figures

EXTRA COST IN 1948-49 and 1949-50 FOR STANDARDS
VII & VIII RESPECTIVELY

Same as in 1947-48.

P.T.O.

ULTIMATE COST

Average pay of 3 secondary grade teachers
 $42 \frac{2}{9} \times 3 \times 12$ plus Presidency
 allowance to the 3 teachers $6 \frac{1}{2} \times 3 \times 12$) Rs. 1754/-
 or
Rs. 1800/- in round figures.

I am including the necessary provision in Part II of
 the Budget Estimate for 1947-48.

"Sub: Govt. Muhammadan Training School for Masters, Madras -
 opening of higher standards in the Model School -
 Proposal renewed.

Ref: Govt. Memo. No. 31893 C/45-1, Education, dated 25-10-43.

I have the honour to resubmit for the favourable considera-
 tion of the Govt. the proposal to open standards VI to VIII in
 the Model School attached to the Govt. Muhammadan Training School
 for Masters, Madras which was deferred by the Govt. in their Memo,
 quoted above.

2. The Dt. Educational Officer, Madras while requesting for a
 reconsideration of the proposal states as follows:

"The number of pupils of Standard V of the Model School of the Govt. Muhammadan Training School, Madras during 1941-42, 1942-43 and 1943-44 was 26, 33, and 30 respectively and a large number of these continue their studies in the Madrasa-I-Azam, Muslim High School, Triplicane and the Corporation Muhdn. Boys' Higher Ely. School, Chepauk. Hence there is a real need for a higher course above standard V in the Model School. Besides, the opening of the higher elementary section will ensure a regular feed to the Training Section eventually. The training school last year was in danger of extinction and when efforts were made to improve the strength of the Junior class, it was found that practically all the candidates who joined subsequently were those who had passed the VIII Standard Public Examination. It follows, therefore, that an increase in the number of candidates for the VIII Standard Public Examination will tend to improve the strength of the Training Section in general. There is also the possibility of a certain number of students who having once had the facilities for free instruction for three years beyond standard V may be attracted to join Form IV of a High School especially in view of the recent orders which include English for the VIII Standard examination. Thus the opening of the higher elementary section may indirectly contribute to the increase of popularity of secondary education in the Muhammadan Community."

3. The probable number of pupils for standards VI to VIII will be as follows:

VI - 30; VII - 25, & VIII - 20.

The strength of standard V in the current year is 30.

4. In the circumstances explained above I request that the Govt. may be pleased to sanction the opening of Standard VI in the Model School in June 45 and the opening of Standards VII and VIII in each of the subsequent years.

5. The financial effect of the proposal will be as follows shown below:

1945-46 (VI STANDARD)

Pay of 1 Secondary Grade teacher for 9 months	30 x 9	)	Rs. 529
plus Presidency Allowance for 9 months	6 1/2 x 9
