R.O.3999-K2/46.

Office of the
Director of Public Instruction,
Madras, Dated 20--9--1946.

From Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.
To The Secretary to Government,
Education and Public Health Department.

Sir, Sub: Government College for Muslim Women, Institution of
Full fee remission.

55967

I have the honour to submit for the sanction of Government
a proposal for the grant of full fee remissions in the Government Col-
lege for Muslim Women, Madras.

2. The Principal, Government College for Muslim Women, states
that there are many poor and deserving students particularly among the
Muslims who find it very difficult to prosecute their studies in these
hard days. The condition of the Muslim Community is generally very
poor and many muslim girls who would have come to College had there been
any financial assistance are unable to do so for want of such provision.
The majority of the students who have joined are very poor. I consider
that there is a real need for the grant of full fee remissions. I request
that full fee remissions limited to 8% of the strength of the College
may be instituted in the College from the academic year 1947-48. There
are 61 students in the current year in the intermediate and B.A. classes.

3. The estimated annual loss of full fee income on account of
the proposal will be as follows:-

Intermediate.	12 x 15 x 3	Rs. 540
B.A.	2 x 20 x 3	120
		660 or 700 in round figure.

The calculation is made on the basis of the anticipated strength of
the College in 1947-48. The Principal states that this can be taken
as applicable to future years also. Only half the standard rate has
been taken into account as even other wise the students will pay half
fees only.

4. I am enclosing a copy of the draft rules for the award of the
fee remissions prepared by the Principal.

for DIRECTOR OF PUBLIC INSTRUCTION.

P.T.O.

DRAFT RULES FOR THE AWARD OF FEE
REMISSIONS IN THE GOVERNMENT
COLLEGE FOR MUSLIM WOMEN, MADRAS.

A certain number of scholarships, tenable in the Intermediate and B.A. classes are awarded annually by the Principal of the College on grounds of merit to students who are in need of financial help.

The amount of each scholarship is ordinarily limited to the amount of College fees due from the scholar.

Students who in the first day of the first term of the academic year are more than eighteen years old in the case of 1st year students of the Intermediate class and twenty years old in the case of 3 year students of the B.A. class are ineligible for College Scholarships.

The number of college scholarships at any time is limited to 8 per cent of the strength of the College.

The scholarships are awarded in the first instance for the term but ordinarily last till the end of the course. They may be withdrawn at the discretion of the Principal, if the progress and conduct of the candidate are not satisfactory.

From the Secretary to Government, Education and Public Health Department

To the Director of Public Instruction.

Dated, Fort St. George, the 27th November 1946.

College for Muslim Women, Madras - Fee remissions - Your letter No. 3999 K2/46, dated 20th September 1946.

In the letter cited you have recommended that fee remissions limited to 8 per cent of the strength of the college may be instituted in the College for Muslim Women with effect from the academic year 1947-48. It is not clear from the letter whether the fee remissions are to be granted only to Muslim students or to both Muslims and Non-Muslims. As only a small percentage of the students is Muslim, it would be fair to calculate the number of students eligible for the concessions on the total strength and confine the fee-remissions to Muslim students only. If therefore the number of fee remissions is fixed at a certain percentage of the total strength of the College it may be more equitable to make both Muslim and Non-Muslim students eligible for them. On the other hand if the object is to encourage muslim women a certain number of fee remissions should be given for muslim students in the colleges. The Director of Public Instruction is requested to examine the matter ~~from~~ and send definite proposals very urgently.

I have the honour to state that as the percentage of Muslim students in the College is only very small, I consider that non-muslim students also should be made eligible for the concessions. I would however suggest that the award of fee remissions may left entirely to the discretion of the Principal, the numbers to be awarded being determined by the total strength.

700

The Director of Public Instruction has proposed that poor ^{Muslim} students in the Court College for Muslim Women, Madras may be granted full fee remission, the concession being limited to 8 per cent of the total strength of the college and that non-muslim students may also be made eligible for the concession in view of the small percentage of Muslim students in the college. Reasons urged by the Director in support of the proposal are that the ~~condition~~ ^{students are} of the Muslim community is generally poor and that many Muslim girls are unable to prosecute their collegiate education for want of financial assistance.

This Dept. supports the Director's proposal but considers that fee remission limited to 8% of the total strength ^{of the college} may be granted to both the Muslim and Non-Muslim students of the Court College for Muslim Women, Madras irrespective of the percentage of Muslim or Non-Muslim students. Necessary deduction as shown in the Summary at the top may be made in the Budget Estimate for 1947-48.

Government College for Muslim Women, Madras - Grant of full fee remission to poor students.

G.No. 55967 A/46 From the D.P.I No. 3999 K2/46, dated 20. 9. 1946. 8

The Director proposes that poor students in the Govt. College for Muslim Women, Madras may be granted full fee remission, the concession being limited to 8 per cent of the total strength of the college. The reasons urged are that the condition of the Muslim community is generally poor and that many Muslim girls are unable to prosecute their collegiate education for want of financial assistance. The conditions for the award of the fee concession will be found on p.2.c.f. The annual loss in fee income on account of the proposal is estimated at Rs. 700.

The girl students reading in colleges are eligible for half fee concession under Rule 92 of the Madras Educational Rules. In the Queen Mary's College for Women, Madras scholarships in the form of fee remission limited to 7 students per class are awarded to bonafide poor students irrespective of the community to which they belong.

Non-muslims are also admitted in the college for Muslim women. 75 per cent of the seats in the college are reserved to muslim women and the remaining seats for non-muslim women and if muslim women do not come forward in sufficient numbers non-muslim women are admitted up to the sanctioned strength subject to the condition that no muslim woman is refused admission purely on the ground that there is no vacancy. The total strength of the college in the current year is 81 of which only 16 are muslims. The Director's proposal to grant fee remission up to 8 per cent of the total strength of the college may be approved, both Muslim and Non-muslims being eligible for the concession. The candidates may be required to produce a poverty certificate as in the case of the Queen Mary's College. The file may be sent to the Finance department for remarks before circulation.

25/10/46

The letter from the Director of Public Instruction on page 1 C.1. and the notes on page 1 above may be perused.

The Director of Public Instruction has proposed that poor students in the Government College for Muslim Women, Madras may be granted full fee remission, the concession being limited to 8% of the total strength of the College and that the proposal may be given effect to from the academic year 1947-8. The loss of fee income on account of the proposal is stated to be Rs. 700 p.a. E & P.H. propose to adopt the proposal of the Director of Public Instruction.

The proposal should be brought forward as a Part II Scheme for 1947-8. Attention is invited to the U.O. No. 103 B.C.-1 dated 9-10-46 wherein the Government have laid down the criteria for putting forward proposals as part II Schemes for 1947-8. The Government have directed that part II Schemes for 1947-8 should be restricted to those that are contemplated in the five-year post-war development plan of the Madras Government or that can be treated as modification of schemes included in the five year-plan and that schemes outside the plan should be proposed only if they are required in connection with the Grow-More-Food Campaign or are fully remunerative (e.g. Electricity Schemes), or are absolutely essential for the proper running of departments.

The proposal in the present case does not satisfy any of the criteria referred to above. Finance may therefore suggest that the proposal may be deferred for the present.

If however, E & P.H. wish to press the proposal, they may be requested to bring it forward as a Part II Scheme for 1947-8 subject to the following remarks:-

The intention of the Director of Public Instruction in submitting the present proposal seems to be to help poor and deserving students particularly among Muslims who find it very difficult to prosecute their studies in these hard days. It is not clear why non-Muslim students should also be brought within the scope of the proposed concession. This Department may, therefore, suggest that the proposal to grant full fee remission upto 8% of the total strength of the College may be restricted to the Muslim students only.

Even at half the standard rates the fees paid by students. Instead of attaching a number of full fee remissions in each individual College it would appear more appropriate to increase the number of scholarships available to poor and deserving Hindu students among Muslims. (Note: 8.11.46)

Nov 8.11.46

When only a small percentage of the students is Muslim it is not desirable to grant full fee remission to all students eligible for the concession. The work of the Department is to give remission to Muslim students only. If the work of the Department is fixed at a certain percentage of the strength of the College it would be more equitable to make both Muslim & non-Muslim students eligible as proposed by E.P.H. In the present case the object is to encourage Muslim women the suggestion of A.D.S. that a certain no. of fee remissions should be given for Muslim students in all Colleges would be more appropriate. E.P.H. may consider the matter further & bring forward the proposal as a part II scheme for 47-48, if they are of the opinion that it satisfies any of the criteria laid down in the U.O. note at (C).

File no 58754 AA1

9.11.46

9.11.46. E.P.H.

As the notes from the Dept. of Public Instruction proposal at 'N' on p. 1 ante seems more feasible for adoption than the alternatives suggested by Finance. This Dept. may therefore adhere to its original proposal. However, it is doubtful whether the intention of the D.P.I. is to grant fee remissions to both Muslim and non-Muslim students. This point may first be verified. A draft T.M. is submitted.

Nov 22.11.46

Nov 27.11.46

(Forwarded as T.M. 8.12.46)

$$\frac{104.4}{5} = 20.88$$

Then at half the standard rates are listed from 10 by students.
Instead of attaching a numberfull ^{of} the symposium in each
individual College it would appear more appropriate to increase
the number of scholarships available to poor and deserving lady
students among ourselves. HRS. Addg.
