COPY OF: C. No. 149 D/47 dated 4.4.47 from the Divisional Inspector Schools, Coimbatore.

A conference and a course of training for Junior Red Cross workers is proposed to be held at Madras between the 21st and 30th of April. A few representatives, official and non-officials from each district have been selected to attend the conference and to undergo the training. The Secretary of the Coimbatore Red Cross Society recommends that Sri S. Rajam, Deputy Inspector of Schools, Coimbatore, who is actually connected with the Junior Red Cross work in the town may be deputed to attend the conference and take training. The Junior Red Cross work is very well organised in Coimbatore elementary schools and part of its efficiency is due to Sri S. Rajam. I recommend that he be deputed to Madras for a week to participate in the conference and to undergo the training. He may be paid T.A. and daily allowance as per Madras Travelling Allowance Rules. Pending Government orders, the Director may permit him to attend the conference.

I shall make alternative arrangements for the conduct of the S.S.L.C. Public Examination.

Sd/ V.R. Ranganathan,
Divisional Inspector of Schools, Coimbatore
Division.

Order No. 948 Edn 8.5.47

The Govt approve of the action of the SPI in having permitted Sri. S. Rajam Deputy Inspector of Schools, Coimbatore Range, to attend a ^{Conference and a} course of training for Junior Red Cross workers to be held at Madras between the 21st and 30th of April 1947.

His absence will be treated as duty and he will be paid travelling and daily allowances at the rate for which he is eligible under the M. T. A. Rules.

The D.P.I. should have obtained the previous sanction of the Govt. before according permission to the officer to attend the conference and the course of training.

It does not appear that there were similar cases like this before. As expenditure on the organization of Junior Red Cross groups has been permitted in the case of local bodies the present proposal may also be approved. The draft order may be sent to Fin. Dept. for acceptance.

to treat his absence as duty. But there is no reason for allowing T.A. from provincial funds. The D.P.I. should have taken the orders of the Govt. before according him permission to attend the conference and allowing him T.A. from provincial funds. In as much as the officer would have incurred an expenditure on account of his journey to Madras it is for orders whether the draft order may be accepted. E.P.H. may however inform the D.P.I. that he should have obtained previous sanction of the Govt. before according sanction on his own responsibility.
