From

Dr.S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction, Madras.

To

The Secretary to Government,
Education and Public Health Department, Madras.

Sub:- Government - House School, Ootacamund, Special full grant for furniture - sanction of Government - requested.

I have the honour to state that the Military secretary to His Excellency the Governor who is the correspondent of the Government House Indian, School, Ootacamund, has applied for a full grant towards the cost of the articles of furniture detailed in the margin.*

*Benches & desks	10 at Rs.73-12-0 ..	737--8--0 ✓	required for the Institution.
Chairs	38 " (8-0-0) ..	769--8--0 ✓	The school is over crowded and
Kindergarten benches.	12 " 41-0-0 ..	492--0--0 ✓	therefore additional benches
			and chairs are necessary to
			relieve congestion. Most of

the old furniture has become unserviceable and requires renewal. Hence the correspondent requests a grant of Rs.1999/- for the purchase of furniture required to provide to accommodation for the increased strength of the school.

The special grant of Rs.1999/- applied for is to meet the entire cost of the articles of furniture and it will not therefore be covered by Rule 58 of Chapter IX of the grant in aid code.

I recommend that a grant of Rs.1999/- covering the full cost of the furniture may however be sanctioned as a special case and request that you may be so good as to obtain the sanction of Government therefor - Vide in this connection G.O.No.823 Edn., dated 13-4-39 wherein Government sanctioned a similar special grant for the same Institution.

The Expenditure may be debited to the Head. "37 N.Education special Direct grants to Non-Government Special Schools - B.Non-European - (i)Excluding postwar Reconstruction n.-B(i)4 - Other grants Equipment - Voted." The Expenditure will be met from the Budget appropriation for the current year under the above head in the first instance and additional funds necessary to meet the existing demand under the head will be provided by reappropriation of funds later in the year.

I have the honour to be,
Sir,
Your most obedient servant,

for Director of Public Instruction.

The proposal is to sanction as a special case a full grant of Rs. 1999/- towards the purchase of furniture for the Govt. House Indian School, Ootacamund.

The Govt. House School was originally a school under a Mission management. It is an Elementary School for the children of Government House employees. It was taken over by the Military Secretary to His Excellency the Government in 1923.

Chapter VI of the Grants in aid Code and the grant given has covered the entire expenditure of the School.

2. The Military Secretary is said to have reported ^{as} ~~that~~ that the school is over crowded and as the old furniture has become unserviceable additional ^{benches and chairs} ~~sanctions or orders~~ are necessary to renew the existing ones ^{and} ~~to~~ provide accommodation for the increased strength of the school. The D.P.I. recommends that a grant of Rs. 1999/- to cover the entire cost of the furniture may be sanctioned as a special case. The E & P.H. Dept. support the proposal. Under para 53 of the Budget Manual, the proposed should be treated as a Part II Scheme as it involves the payment of a non-recurring grant. But it is now too late to treat the proposal as a Part II Scheme for 1947-8. It will therefore have to be treated ordinarily as a Part II scheme for 1948-49.

As the additional furniture seems to be required in the current year itself, and as the amount involved is non-recurring and small, this Department need not object to the proposal being sanctioned in the current year itself. E.P.H. may however be requested to circulate the case to H.P.M.

3. Funds. The expenditure is debitable to 37. Edn. - Special direct grants to Non-Government Special Schools - B. Non-European - (i) Excluding Postwar Reconstruction n.-B(1)(4) - Other grants - Equipment - Voted." The D.P.I. has stated that additional funds can be ~~paid~~ ^{found} by reappropriation ~~of funds~~ in due course.
