SECRETARIAT, MADRAS

Sir,

Education - Secondary - Board High school, Ariyalur
Compound wall of the Deputy Collector's office
Raising - Expenditure from Board's funds - Sanction -
Requested.

There is a compound wall about 500 feet long on the southern and northern sides of the playground of the Board High school at Ariyalur. This compound wall ~~without~~ within which the Deputy Collector's office, Police station etc., are situated belongs to Government. This wall is so short as to be scaled over easily. The Headmaster of the High school requested the Collector of Trichinopoly to raise the compound wall to a sufficient height not to be scaled over and avoid trespass and hindrance to the pupils playing in the ground. On the Headmaster's letter, the Executive Engineer has reported to the Collector that the raising of the wall is in the interests of the District Board High school and not in the interests of Government. In consequence, the Collector has transferred the entire file of papers to the District Board for necessary action. Though the compound wall belongs to the Government, it is necessary to raise the walls more in the interest of the District Board than in the interest of Government, but the difficulty is, the District Board cannot spend money over the property not belonging to it without outside sanction. The P.W.D. Assistant Engineer has reported to the Executive Engineer that the approximate cost, to raise the compound wall to a sufficient height to prevent people from scaling over, will be Rs. 600/-.

In these circumstances, I request you to kindly move the Government to accord sanction for the execution of the work of raising the compound wall of the Government at the cost of the District Board.

For Special Officer. 11/2/47

Ref:- Government memo. No. Ms. 952 Bln. dated 8-5-47.
Letter No. 3044 m. 1.c.-411. - 19 dated 1-12-47.
of the Executive Engineer, River conservancy
division, Trichinopoly.

The Government in the above memo have sanctioned
the proposal of raising the compound walls on the southern and northern
sides of the playground of the Board High school, Ariyalur belonging to
Government at a cost not exceeding Rs. 600/- from the funds of the Dis-
trict Board. Thereupon, the Executive Engineer, River conservancy division
Trichy was requested to prepare estimates etc. within the amount sanctioned
by the Government.

The Executive Engineer, River conservancy division,
Trichy in his letter dated 1-12-47 has forwarded an estimate for Rs. 1130/-
including centage charges stating that the increase is due to the re-
vision of schedule of rates. In the circumstances, I request that the
Government may be pleased to sanction the increased expenditure viz.,
Rs. 1130/- towards the cost of raising the compound wall.
