31674 Madras Presidency 1884-1945 and Circle Boards from 1871-84 -
Application of Sri V.Venkata Rao, Research student, Depart-
ment of Politics and Public Administration, University of
Madras.

I enclose a letter which I have received from the Reader-in-charge
of the Department of Politics and Public Administration of the University
of Madras, together with an application of Sri V.Venkata Rao, one of his
research students, in which he requests permission to consult the records
relating to the administration of District Boards from 1884-1945 and Circle
Boards from 1871-1884.

The applicant is a bonafide research student of the University of Madras. There is, therefore, no objection to permitting him to consult the records. But as the originals of records of the last 50 years are not open to research he cannot be permitted to consult the originals of the records subsequent to 1896. He may be permitted to consult the originals from 1871-1896 at Chittoor and to examine copies of the records placed at the disposal of the press after 1896 at the Record Office at Egmore where they are now kept. Precautions will, as usual, be taken to see that he does not consult records which are not relevant to his subject and that the notes taken by him are scrutinised before he is allowed to make use of them. Care will also be taken to see that he abides by the general conditions governing research contained in G.O.No. 58, Finance dated 5th February 1932.
