2 - OCT 1946

Sir,

Sub: Opening of a Higher Elementary Training School for masters in the Nilgiris District - Proposals submitted.

58740

In connection with the Part II of the Budget Estimate for 1947-48, I have the honour to submit for favourable consideration of Government the following proposal for the opening of a Government Higher Elementary Training School for masters in the Nilgiri District

The Divisional Inspector of Schools, Coimbatore reports that great difficulty is experienced in securing trained teachers for the schools in the Nilgiris District. The teachers from the plains are unwilling to work in the hills and the village lads in the hills are equally unwilling to join the training schools in the plains. The Divisional Inspector reports they have real difficulty in living and working on the plains and the question of staffing of schools in the hills cannot be satisfactorily solved, unless a Government Training school is established in the hills.

The Dt- Educational Officer reports that about 89 or 90 teachers are required for elementary schools in the district as may be seen from the details furnished below:-

1) Total number of elementary schools in the Nilgiris District.	Higher Elementary	19
	Lower Elementary	117
		136

2) Total number of teachers employed in elementary schools.	Trained	Untrained
	Secondary	53
	Elementary	373
		47

3) Number trained required for the Dt.	
(a) to replace the existing untrained teachers.	54
(b) to provide for compulsion.	25.25
(c) for expansion, opening of new schools)	
additional sections - replacement of	30
superannuated teachers etc.	
Total	109

Deduct number of secondary grade teachers required for elementary schools.	20
No. of teachers required.	89 or 90

There is a secondary training school for masters under private management at Coonoor. Hence there is no need for a secondary training school in the district. In my letter M.C.No.504 K/46 dated 4-4-1946 I had recommended to Government the opening of a Higher Elementary Training Section to be attached to the Board High School, Coobathalai. But Government did not approve the proposal. Kind attention is solicited in this connection to M.C.No. MS 1470 dated 27th July 1946. As there is need for more trained teachers in the district, I request the Government may be pleased to sanction the opening of a Government training school for masters in a convenient centre in the Nilgiris District with effect from 1947-48.

The financial effect of the proposal is summarised below:-

In the letter in the current file the D. P. I. proposes that a ~~Government~~ Training School for Masters of the elementary grade may be opened in the Nilgiris Dt. in 1947-48. A proposal to open such a school by the Dt. Board was vetoed in July 1946 as the Board's finances did not permit its incurring the expenditure involved. The figures furnished by the Director indicate that there is a real need for a training school in the District. The proposal may be accepted. Training of teachers is one of the schemes included in the Five Year Plan and a large number of teachers are required in connection with the introduction of compulsory elementary education. The proposal satisfies the criteria laid down in the recent u.o. note of Finance for Part II schemes.

2. In the estimate of costs, the Director has not taken into account the cost of stipends for the trainees, nor has he calculated dearness allowance to the staff. The cost of stipends will be Rs.3840 in 1947-48 and Rs.10,080 in 1948-49, while about Rs.1,100 will be required in 1947-48 for the payment of dearness allowance. Thus revised, the cost of the proposal will be Rs.10,740 in 1947-48 and Rs.18,180 ultimately.

3. The file may be sent to Finance for remarks.

REF:- G.O.Ms.No.970 Edn., dated 10th May 1947.

I have the honour to state that in my letter Re.5624 K3/46, dated 25-6-47, recommending the opening of a Hostel to be attached to the Government Training School for Masters in the Nilgiris District, I have stated that on the recommendation of the Divisional Inspector I have approved the opening of the new Training School at Coonoor. Subsequently the Divisional Inspector submitted revised proposals for the opening of the Training school at Ooty instead of at Coonoor, as no suitable buildings are available at Coonoor. I have therefore approved the proposal of the Divisional Inspector to locate the school at Ooty for the following reasons:--

- (i) that buildings are readily available.
- (ii) that the buildings selected are suitable both for the school and hostel purposes, having all Sanitary conveniences.
- &(iii) that the rent demanded is reported to be reasonable.
