To provide facilities for observation and teaching practice for secondary grade training students of Government training schools, a complete higher elementary school is required. The Model School attached to the Govt. Training School for Masters, Kurnool, has at present only classes up to Standard VI (opening of Standard VI was sanctioned only recently). There is need to develop the Model School into a complete higher elementary school by the opening of higher standards.

The D.P.I. recommends the opening of Standard VII in 1947-48, and Standard VIII in 1948-49. He also recommends the appointment of a secondary grade teacher on Rs. 30-55 in 1947-48 and another secondary grade teacher on the same pay scale in 1948-49. For opening three higher standards the present building is insufficient. The D.P.I. proposes to construct a separate building with three rooms in the school compound to house the three standards VI, VII and VIII.

Finance (B.G.) Department.

U.O. Note No. 54303 (B)-1, dated the 9th October 1946.

Sub. Budget - 1947-1948 - Instructions for the preparation of.
Ref. G.O.No. 585 Finance dated 31.7.1946.

In continuation of the instructions issued in paragraph 5 of the G.O. read above regarding Part II schemes for 1947-48, Departments of the Secretariat are informed that in view of the decision of the Government to introduce prohibition in eight districts in the current year and total prohibition throughout the Province in three years, it is anticipated that sufficient funds will not be available to finance the five year plan of post war development in full. The Government therefore consider that it is necessary to restrict the number of proposals to be brought forward as Part II schemes for 1947-8, as the funds available for them will not be sufficient to finance a large number of new schemes. They accordingly direct that Part II schemes for 1947-48 should be restricted to those that are contemplated in the five year postwar development plan of the Madras Government or that can be treated as modification of schemes included in the five year plan and that schemes outside the plan should be proposed only if they are required in connection with the Grow-More-Food Campaign or are fully remunerative (e.g. Electricity Schemes) or are absolutely essential for the proper running of Departments.

2. If Departments of the Secretariat have already taken the orders of the Government to put forward any proposals as Part II schemes for 1947-8 which do not satisfy the criteria mentioned in paragraph 1 above, they are requested to recirculate the cases to the Hon'ble Minister or Ministers concerned with the subject and the Hon'ble the Prime Minister for orders as to whether the proposals should be brought forward as Part II schemes for 1947-48 in the light of the instructions in paragraph 1 above.
