Sir,

Sub: Scholarships for advanced studies - over seas - 1947-47
Madras Government Scheme.

Ref: Your Memo. Endt. No.113 Edn., dated 24--1--1947.

I request that my case need not be reconsidered for the present, for admission in United Kingdon in October, 1947.

The arrangements that are now being made for my admission in United States of America may kindly be expedited. I request that I may be informed at what stage the matter stands with regard to the trials for my admission in U.S.A.

I also request that the scheme of study and work herewith enclosed, which I propose to undertake, to qualify myself for a higher degree in metals, may kindly be transmitted to the Educational Officer for India in U.S.A., as I believe that it may be useful in his attempts to secure admission for me in one of the institutions there, preferably in Massachusetts institute of Technology. The scheme enclosed refers to Massachusetts Institute of Technology bulletin June, 1945.

I beg to remain,
Sir,

The Secretary to the Government of Madras,
Education Department,
Fort St. George,
MADRAS.

Dear Sir,

Mr. B. Gopalakrishniah - Candidate sponsored by your Government in 46/47 for training in the U.S.A.

The Government of India, Education Department, have informed us that admission has been secured for the above student in Montana State College, U.S.A., for Engineering Chemistry, and we have been instructed to arrange passage for him to enable him to reach America by the end of May, '47 at the latest.

We are accordingly registering him for sailing by the SS MARINE ADDER which is expected to leave Bombay on or about the 10th April, '47 for Sanfrancisco.

We trust that this will be in order.

Yours faithfully,

Not recd.

It has now been decided that all the students for whom admission has been secured in the United States of America may be sent by 'Marine Adder' which is due to sail on the 12th April, 1947.

An up-to-date list of candidates who are awaiting passage for the United States of America is attached herewith. Efforts should, however, be made to book as many candidates as possible earlier if any passage is available.

The candidates and the Provincial Governments concerned may be contacted by you direct in this matter and this Department should be informed as soon as any candidate sails.

Note :-

Since 1945-6, the Govt. in the Edn. Dept. have been sending some of their officers to foreign countries for higher studies. These persons are 'deputed' under the ~~xxxx xx~~ study-leave terms into F.R., supplemented by a special allowance as indicated in ~~xxxxxxxx~~ the second sub-para of para 2 of the draft order on p.1 ante. The no. of officers selected in 1946-47 for the purpose was eight. ~~xxxx~~ For 4 of them who had gone to U.K. and joined institutions there, ~~xxx~~ study leave has already been sanctd. For Sri B.Gopalakrishniah, another candidate, admission was recently secured in an institution in U.S.A. and he has sailed to the United States from Bombay on 17-4-47. Study leave may therefore be granted to him now, as recommended by the DPI at p.24 C.F. For a precedent, vide G.O.1611-Edn., dated 20-8-46.

Sir,

My father, Sri B. Gopalakrishnaiah Asst professor in chemistry of presidency College Madras, has been deputed for advanced studies ~~to~~ in U.S.A and he has left for America on 12th April 1947. His leave salary and allowances from 12th April 1947 which have to be disbursed to us (his family) have not yet been drawn by the principal of presidency College. I was told that they can be drawn only after the Govt issue formal orders sanctioning leave and allowances to my father in America, and that ~~he~~ the D.P.I. has already addressed the Govt in this matter. Dear Mrs. Johari:

Please refer to the case of Mr. B.Gopalkrishniah, one of the Madras Government scholars for 1946/47. In his letter dated 20th September, Mr. Gopalkrishniah informed us of his ill-health and that he was undergoing treatment under Dr. D.A. Atkins of the Murray Clinic. He was advised by his doctor to enter the hospital on 15th September for treatment. On receipt of this information, a detailed report from the doctors concerned was invited and the report has now been received from Dr. D.A.Atkins of the Murray Clinic, Butte, Montana, A copy is enclosed herewith (pp.3-4 infra) for consideration and decision Your special attention is invited to the last but one paragraph in Dr. Atkins' report. As suggested, Mr. Gopalakrishnaiah's family may also be informed of the seriousness of his condition.

As is obvious from the doctor's report, the student is still undergoing the medical treatment under the expert advice and supervision of Dr. D.A. Atkins. The doctor's report does not specify the exact duration for which the treatment and hospitalization will have to be continued in this case, except that Dr. Atkins reports that Mr. Gopalkrishnaiah's progress and prognosis are not good.

Please refer the matter to the authorities concerned and let us have, preferably by cable, their decision as to whether the treatment, etc., should be approved by this office or not. So far no payment of any medical expenses for this treatment has been made by this office.

Yours sincerely,

Dear Mr. Grewal: Re: Mr. B.Gopalakrishnaiah.

Mr. B.Gopalakrishnaiah, 620 Y.M.C.A. Butte, Montana, has referred your letter of September 25 to me and asked me to write you in regard to his condition.

Mr. Gopalkrishnaiah has been a patient in Murray Hospital, Butte, Montana since September 15, and I am sorry to report that his progress and prognosis are not good. He does not realize the seriousness of his condition, and I have been reluctant to discuss it with him since he has no one here besides himself.

Mr. Gopalakrishnaiah was found to have a bacterial septicemia caused by streptococcus viridans. This organism has grown from two separate blood clutures and the symptoms which Mr. Gopalakrishnaiah presents are typical of this type of infection. Since his admission to the hospital he has been given massive doses of penicillin, 50,000 units every three hours, and when he showed no response to this drug or to sulfa drugs, he was given a course of intravenous stroptomycin plus a course of intramuscular injections with this same drug. In spite of this treatment Mr. Gopalakrishnaiah still continues to run a fever and to have occasional chills. The outlook is not promising and I think that the prognosis is very guarded.

/I am

I am particularly glad to be able to give this information to some one who has an interest in Mr. Gopalakrishnaiah, since I think that his family and others interested in him should know of the seriousness of his condition. I know of nothing further to do for this fine patient except to continue on the massive injections of penicillin, and I feel that if he does not show some response to this drug in the near future that he definitely is not going to recover.

Any information or suggestions which you have in regard to what should be done with Mr. Gopalakrishnaiah would be greatly appreciated.

Very truly yours,

Sir,

You must have received a communication from the Physician who is treating me here, in answer to your recent letter to him.

Now I have improved a lot in my health and I feel I am perfectly all right for the last few days. Doctor advised me to remain in the hospital for another one week and continue the treatment to be on the safe side, after which he ~~k~~said I could go to the school (School of Mines). P=rof. Spielman, Professor of Metallurgy at the School of Mines visited me here and assured me that I need not be anxious about my short period of absence, as I could easily make up, myself having been teaching almost the same topics for several years.

7 . I hope to go to the school immediately I am released from the hospital in abou~~t~~ a week or so. I was surprised when the doctor told me that you enquired if I can travel alone in case I had to be shipped back to India in the near future. Under the present improved condi~~t~~tion of my health, I am sure there won't be any necessity for such a drastic step.

Thanking you.

Dear Sir,

In reply to your letter dated October 9th in regard to Mr. B. Gopalakrishnaiah, I am happy to inform you that his condition has improved considerably. He has finally responded to the combination of xpx penicillin and streptomycin to such an extent that his temperature has remained normal for the past four days. He is much less toxic and feels more like himself. I now feel that unless something unlooked for happens, he will completely recover.

I have discussed his illness with him and have informed him that I think he should remain in the hospital for two or three week from this date, and if kaixsx his condition still remains xxx satisfactory at that time, he will be able to resume his studies.

When I last wrote you, Mr. Gopalakrishnaiah was somewhat irrational and at that time I thought it useless to discuss his condition with him. He now fully understands what has taken place and is anxious to resume his studies as soon as possible.

Sincerely Yours.

I have the honour to submit herewith a copy of letter below received from Mrs. Gopalakrishniah in which she reports that her husband was discharged on 20th October 1947 from the hospital, that he is much better now, and that the question of his return may be entirely left to his discretion as she is sure he would be guided by his doctors. She has also sent for my perusal three letters from her husband from which relevant extracts are given:—

October 14, 1947:- The Indian Embassy at Washington, asked my doctor about my illness. That report I think will also be sent to India (i.e.) Madras Government. Even if you hear about if from Government you need not get anxious because that will be old story.

October 28, 1947:- I was discharged from the hospital on the 20th last Monday and I joined the school on the 21st. I am staying in the residence hall. I have a nice room. The food that is given here is very good compared to the food outside.

By God's grace I am doing well. I really passed through a crisis of my life. I really felt miserable while in the hospital, thinking of you all.

November 5, 1947:- I am doing well here. I am slowly picking up strength. Still I am weak. But I am much better during these two weeks.

May be perused and returned to E. & P.H. subject to the following remarks:—

It is presumed that this Government will have to bear the medical expenses of Sri B. Gopalakrishnaiah exceeding the limit of $60 per annum only as laid down in item (xi) in para 1-A on p. 2 of (N) and that the expenditure up to the limit of $60 per annum will be borne by the Candidate himself.
