May be appointed
to officiate as
Lecturer in
Physics, Govern-
ment Arts College,
Rajahmundry, in
the Madras Edu-
cational Service.

Consequent on the retirement
of Sri M. Manjunath Mulki, the
post of Lecturer in Physics,
Government Victoria College, Pal-
ghat, has fallen vacant. I propose
to transfer Sri C.S. Narayanaswami
Ayyar, officiating Lecturer in
Physics, Government Arts College,
Anantapur, to the Government Vic-
toria College, Palghat. Sri V.P.
Kannan Nair, officiating Lecturer
in Physics, Government Arts College,
Rajahmundry, will be transferred
to Anantapur to take the place of
Sri C.S. Narayanaswami Ayyar.

2. The resultant vacancy in the post of
Lecturer in Physics, Government Arts College,
Rajahmundry, has to be filled. In this
connection, Sri T.N. Seshadri, who was
appointed to officiate as Lecturer in Phy-
sics in the Madras Educational Service,
without prejudice to his appointment in the
P.W.D. - vide: G.O. (Ms) No.1639 Education,
dated 24-8-1946, and who is senior to
Sri V.P. Kannan Nair, was requested to
report whether he will willing to revert

to the Education Department immediately to join a post in the Madras Educational Service or whether he intended to continue in the Irrigation Department. A copy of his reply dated 9th April 1947 is submitted herewith. As I have no objection to his continuing in the Public Works Department, for the present, the Government may be pleased to allow him to continue in his present post and also inform him that he will be entitled to all the privileges provided for in Rule 8 of the General Rules for the Madras Provincial and Subordinate Services.

3. As there is no "Approved Probationer" or "Probationer" available for appointment to the present vacancy at Rajahmundry, I recommend that Sri T. Krishnamurti, Assistant Professor of Physics, Presidency College, Madras, may be appointed to officiate in it. The name of Sri T. Krishnamurti was included in the "Approved List" for appointment by transfer to the Physics Unit of the Madras Educational Service - vide: G.O.Ms. No.2206, Education, dated 19-11-1946.

4. With reference to Government Memorandum No.46720 A.1, Education, dated 28-12-1945, I submit below the particulars about Sri T. Krishnamurti.

In G.O.No.1639, Edn., dated 24-8-1946, I was appointed to officiate as Lecturer, Government Training College, Rajahmundry, in the Madras Educational Service without prejudice to my appointment in the P.W.D. Sri V.P. Kannan Nair was appointed to the same post vice myself on other duty. I am continuing as Physics & Soil Mechanics Officer as my appointment in the Madras Educational Service is without prejudice to my present post in the P.W.D.

I had not applied for or otherwise sought after the appointment as Physics & Soil Mechanics Officer in the P.W.D. It was only in obedience to Government Order Ms.No.1122 dated 17-4-1946 that I joined this post.

f/3
This fact, as well as the implications contained in G.O.No. 1639, have enabled me to feel certain that, by continuing in my present post, my seniority and chances of confirmation in the Madras Educational Service will in no way be prejudicially affected, and that my probation in the Madras Educational Service would be considered to have started on 24-8-1946, the date of my promotion to that service, if not earlier, on 24-4-46 the date of my joining my present post, inasmuch as the scale of pay for both posts is the same.

enter
In this connection I also invite your kind attention to my letter to you dated 2-9-46.

I presume that at any time I can request to be reverted to the Educational Department.

But at the present moment, my reversion to the Educational Department, I beg to submit, is a matter to be decided by the authorities with reference to the present exigencies of service. I am ready, as in duty bound, to obey orders passed in this connection. But if I am to continue in my present post I request that definite orders may kindly be passed assuring my rights of seniority, probation, confirmation, etc., in the Educational Department.

OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS, DATED 29TH APRIL, 1947.

Telephonic Message (By Post).

From

The Director of Public Instruction,
M a d r a s.

To

The Assistant Secretary to Government,
Education & Public Health Department,
M a d r a s.

Reference: Your Confidential Telephonic Message by post,
dated 25th April 1947 regarding filling of
the vacancy in the post of Lecturer in Phy-
sics, Government Victoria College, Palghat.

THE appointment of Sri T. Krishnamurti straight-away to the
post of Lecturer in Physics, Government Victoria College, Palghat,
cannot be considered a satisfactory posting on the following grounds:

2. Sri T. Krishnamurti is an Andhra Officer and a native
of the Circars and his posting to a College in the Malayalam area,
while only causing him much domestic inconvenience, cannot be - -
wholly in the best interests of the Palghat College. The Physics
Department of the Palghat College is the biggest among the Govern-
ment Colleges in the mofussal and it is necessary that an experienced
Lecturer should be in charge of it rather than a fresh probationer
in the Madras Educational Service.

3. As between Sri C.S. Narayanaswami Ayyar and Sri V.P.
Kannan Nair, both of whom are Malayalees, the former is a senior
Officer in the Madras Educational Service and has been in the
Palghat College for over a decade and I am of the opinion that
P.T.O.

his services will be more useful at Palghat than at Anantapur. Moreover, the Deputy Wardenship of one of the hostels attached to the Government Victoria College, Palghat, has fallen vacant consequent on Mr. Manjunath Mulki's retirement and as he has already experience as Deputy Warden of a Hostel it may be possible to appoint Sri C.S. Narayanaswami as Deputy Warden in the vacant place at Palghat. I have personally known him and his work and I consider that he would be far more useful at Palghat.

4. As to the question why Sri V.P. Kannan Nair should be transferred to Anantapur instead of posting Sri T. Krishnamurti to Anantapur, I may point out that it would be better to take advantage of this opportunity to post Officers to places where they are likely to feel contented and find a congenial atmosphere to carry on their work. On this criterion, Sri T. Krishnamurti would like to be posted to Rajahmundry and Sri Kannan Nair to Anantapur.

5. Though it may seem that the number of transfers are more than is necessary immediately, I may state that by making the proposed one or two extra transfers now, the chances of resorting to a larger number of transfers during the middle of the academic year may be avoided.

6. I request that my proposals may be accepted by Government and early orders passed so that the Officers concerned might settle themselves down in their new stations before the Colleges re-open.

7. The Personal File of Sri T. Krishnamurti has been sent to the Madras Public Service Commission and, if required, it will be obtained and submitted.

NOTE:-

The main proposal in this file is to appt. Sri T. Krishna-
murti, Asst. Prof. (M.E.S.S.), as Lecturer, in the M.E.S.

The vacancy occurred in the Palghat College. The D.P.I.
proposes to shift it to the Rajahmundry College. The 'shift' need
not be objected to, in view of the reasons given at pp. ⁶⁻⁷ ~~5-6~~ C.F.

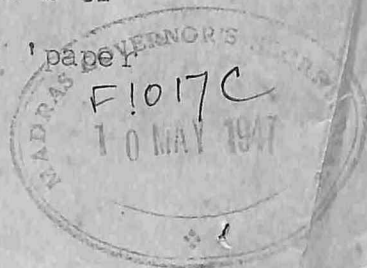

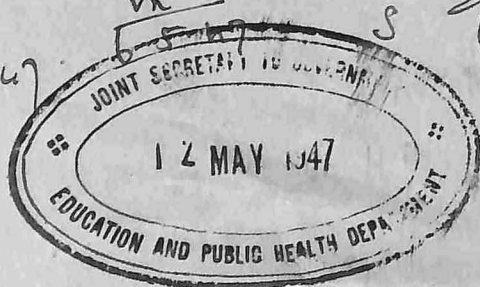

The name of Sri Krishnamurti has been approved by Govt.,
in consultation with the DPI and the Commission, as fit for appt. by

transfer as Lecturer in Physics. There are no seniors to him in
the list awaiting promotion or re-appt. The Dir.'s recommendation
to promote him may therefore be accepted.

(It is understood that the personal file of the officer
is now with the Commn.)

2. Sri T.N. Seshadri, Asst. Prof., is senior to Sri Krishna-
murti and another. As he had been employed in the PWD, he was al-
ready given a 'paper appt.' in the Lecturer's category. Para 2 of
the draft overleaf is only in amplification of that order of 'paper
appt.'.

3. May be circd. to H.M. (EDN.) and H.E.
