Ref: Government Memorandum No.25351-B-2-1
Education dated 15.4.1947.

V. Renganatha Ayyengar whose increment was stopped
for one year without postponing future increments appealed against
the orders of the President, District Board and his appeal was
rejected by the Director of Public Instruction in his No. D.Dis.

The teacher put in a petition again addressed to the
Honourable Minister for Education through this office on 27.10.46

sible, as his appeal had already been rejected by the Director of
Public Instruction, Madras.

Most Honoured Sir,

Subject:- Appeal against the proceedings of the President District Board Tanjore in R.C. No B.8. 36064/44 dated 9.11.45

Pls Refer:- D Dis 1662/46 dated 21.5.46 Director of public instruction Madras.

I most humbly beg to submit the following appeal to your honours kind and sympathetic consideration and favourable orders.

2 The findings arrived at by the District Board are highly unjust and one sided and have to be set aside for the following reasons.

I The enquiry was not held in a common place but was held in the Board High School at Thalavur where Mr R. Santanam Iyer is still retained as the Headmaster. pending enquiry I alone was transferred first to Ayakkarambalam and thence to Vedaranyam in the course of a year and a half. Hence the Headmaster who is an influential man in the locality had the support of his assistants Messrs Rengaswami Iyer and Shunmugha Iyer who are also persons of the locality and who are under the good graces of the Headmaster.

II My requests to hold the enquiry outside the village where Mr R. Santanam could exercise no command or influence was not granted. Similarly my request to examine the other teachers who were present in the school at the time of the alleged occurrence was refused. Hence the enquiry was not fair and unbiased one.

III The Evidence given by the two assistants ought not to have been believed. They are tutored witnesses and persons working under the Headmaster and always expecting some favours or concessions from him. They are persons of the locality. Further they were in their respective classes and it is impossible to believe

they could have seen any alleged action of taking the chain to beat the Head master. Their evidence in this respect is utterly false and should not have been accepted.

IV

As regards my application for leave my son through whom the same was sent, ought to have been examined. He has not been examined. As I was absent after submitting an application for leave no charge could be framed against me and the evidence of the other boys would only prove my absence on the day and not my failure to send an application to the Head master for leave. The Head master has hused up my application for his own purposes.

3. The Punishment meted out to me is very severe in the circumstances. I am a native of Mayavaram Taluk. I was first transferred from Thalavayar to Ayakkar - ramlealam and thence to Vedavaniam. I am a big family man of 6 (Six) children with an old mother and my transfer to distant places from my native home, on these hard days when I had to maintain two families has very badly affected my health and my family. Further my periodical increment has also been stopped. A. colour of gravity has been given to trifling matters caused on small hitch and a severe punishment has been awarded to a poor village school master.

4. In these circumstances I most humbly pray that you honour will be graciously pleased to set aside the order of punishment made against me and give redress.

Vaideswari Kari
Shiyali Taluk.

I beg to remain,
Most honoured Sir
Your most obedient servant.
