EDUCATION - Secondary - deputation of teachers
as Physical Training Instructors and Instruct-
ress - Payment of expenditure before execution
of bond - Orders requested.

Government sanctioned in their order No. 1626, (Edu-
cation), dated 1st November 1944, the payment by district
boards of tuition fees, reasonable expenditure on boarding
and lodging, books, stationery and other items of equipments,
etc., necessary for training to teachers in their employ
deputed for training as physical training instructors and
instructresses, but prohibited any payment before execution
of the bond. The selection to the courses is made by the
College authorities, and, immediately after, the candidates
selected have to join the institutions. The execution of the
bond after verifying the solvency of the sureties, etc.,
necessarily takes some time. If the candidates are not paid
any money till then for meeting their fees, hostel dues, etc.,
they will necessarily be put to great difficulties in a place
like Madras. The College authorities insist in payment of
the dues in time on pain of expulsion. In the circumstances

I request that the Government may be pleased to modify the conditions in para 6 of the above G.O. and permit payment of advances to the candidates towards expenditure connected with their training, till the bond is executed within a reasonable time, say two months from the date of joining the course.

The position as stated by the President, District Board, "alabar is correct. Students deputed by local bodies and others, and admitted to the Y.M. C.A. College of Physical Education Madras do undergo a good deal of difficulty due to want of funds until the execution of the bond.

Therefore I recommend that a period of 45 days may be allowed for the execution of the bond after the candidates' joining the Y.M.C.A. Training Class, and that advances may also be paid to the candidates before the execution of the bond.

In this connection I may state that in the case of students undergoing training in other training institutions, a period of 50 working days has been prescribed as probation within which they should execute the bond.
