W3/A //I have the honour to submit that the period of extension of one year from 1-7-47 for the continuance of the post of the fulltime Curator sanctioned in G.O. No.1103 Education dated 30th May 1947, communicated in your Proceedings A.O. No.5175-K.3/46, dated 11th June 1947 expires on 31st June 1948.

W3/A //I submit that the post of full time Curator has been in existence for the last six years and during this period besides a steady increase in the normal work, the cultural activities of the Library have increased in several directions. Besides the Advisory Committee reconstituted in G.O.No.1750, Education dated 11th September 1946 (Vide your Proceedings A.O. No.390-G.4/46, dated 15th September 1946) Editorial Committees one for each languages - Sanskrit, Tamil, Telugu, Kannda Malayalam and Persian, Arabic and Urdu have been formed (Vide your Proceedings Dis. No.2625/47, dated 27th May 1947) with a view to chalking out plans for promoting the cultural activities of the Library and editing important books under the Government Oriental Manuscripts Library Series. A multilingual half-yearly Bulletin to be published by this Library has been sanctioned by the Government in G.O. No.2550, Education dated 28th November 1947 communicated in Proceedings R.O.No.666-G/47, dated 10th December 1947, the first number of which is already in the Press and is expected to come out shortly. Important works in regional languages have been selected by several Editorial Committees and provision of funds has been made for their publication in the next official year in the budget of the Government Press (Vide letter dated 17th September 1947 of the Superintendent, Government Press, Madras);. The cultural programme will be a permanent feature of the Library in addition to the preparation and publication of Descriptive Catalogues in several languages and restoration of manuscripts. Correspondingly with these activities, the normal work of the Curator has considerably increased and the need for the continuance of the post of full-time Curator continues to exist at present and I am of the opinion that it will exist in future also. In view of these circumstances, I request you to address the Government to put the post of full time Curator in Library on a permanent basis.

From the D.P.I., CP 80443/48 D/31.3.48

In the letter from the D.P.I., in the C.F., the Director has proposed the permanent retention of the post of the full time curator which has been in existence continuously since 1.7.42. The temporary post has been in existence now nearly for six years and under the normal criterion followed in respect of the permanent retention of temporary posts, qualifies for ~~perma~~ retention on a permanent basis. The Finance Dept has made known to the Dept of the Sect that the need for the permanent retention of posts which are now temporary will be examined by the Re-benchmark and Reorganisation Committee and that no temporary post should be made permanent until the committee completes that examination. Last year it was considered that no special
