The above subjects are taught in the lower Elementary classes by the class teachers themselves and as these teachers are not duly qualified to teach the subjects the Inspectress reports that the standard of Drawing, needlework and handwork has become very low in the school as there are all arts requiring individual attention. With a view to impart efficient instruction in the subjects the Inspectress recommends ~~that~~ conversion of the post~~s~~ of the combined Drawing and Sewing mistress in the Government Training school for women, Ramnad into a Drawing mistress post and ^{the} employment of a sewing mistress. It is reported that both the Drawing and Sewing mistresses will each have 34 periods of work per week.

In the circumstances stated above, and as it will be difficult for one teacher to cope with the work on satisfactory terms, I request that Government may be pleased to sanction the employment of a sewing mistress, ^{in the} Government Training School for women, Ramnad. The existing post of the combined Drawing and Sewing Mistress may be converted into a separate posts of Drawing Mistress and sewing mistress.

SPARE COPIES _____

I have the honour to state that the post of the combined Drawing and sewing mistress in the Government Training School for women, Ramnad, is a permanent one. The post is now held by a permanent incumbent who is reported to be fully qualified for the post of a sewing mistress. The Inspectress reports that it will be a hardship to the incumbent, if she is appointed in a temporary post and recommends that the post of the combined Drawing and Sewing Mistress in the school may be converted into a sewing mistress post permanently so that the incumbent may be appointed as a sewing mistress in the school and that the post of the Drawing mistress may be sanctioned on a temporary basis. I support the recommendation of the Inspectress.

Please see the reference from the Director of Public Instruction in the CF and the draft order put up by E.P.H. overleaf. The proposal to sanction ~~the~~ separate posts of Drawing Mistress on the scale 45-90 and Sewing Mistress on the ^{same} scale ~~in~~ ⁱⁿ ~~lieu~~ of the existing post of Combined Drawing and Sewing Mistress on the scale 45-90 involves an extra cost of Rs 1026 p.a.

3. In the circumstances explained by the Director of Public Instruction in the CF, the proposal may be agreed to in his dept. E.P.H. have not indicated whether the existing post of Drawing and Sewing Mistress is a permanent one. ~~and the new posts to be created will be permanent ones.~~ As new posts will always be sanctioned on a temporary basis in the first instance, the ^{new} posts proposed in this file may be sanctioned on a temporary basis for one year in the first instance. If however ^{even if} the existing ^{combined} post is a permanent one there seems to be no objection to create temporary posts in lieu and to consider their permanent retention later on.

Pl. see it on the previous page. The Director ~~therefore~~ ^{permanent} recommends that the Combined post may be converted into a permanent post of Sewing Mistress and a tempy post of P.T.O.
