 Sub:- FEES - Special fee - Levy of and collection from children and dependents of Military personnel - Instructions solicited.

Ref:- G.O.No. 2388, Edn., and P.H., dated 6-11-1947.

I submit that in their order cited above, Government have directed that children and dependents of Military personnel shall pay the special fees prescribed for Games, Physical training, Library association and reading room from the Second term of the school or academic year as the case may be for 1947-48. In the High school managed by this Council the special fees for the whole year is collected in one lump sum in the 1st term itself and no collection of Special fee is made in the second term.

It is presumed that the intention implied in the Government Order is that proportionate special fee due for the second term of the year

Generally in High Schools, special fees are being collected as a lump sum in one term or twice in two terms. The intention implied in G.O.No. MS. 2388, Education, dated 6th November 1947 is to exempt the educational concession holders reading in Local Board Schools and Colleges from the special fees falling under item 2 of the above G.O. i.e. Games, Physical Training, Literary Association and Reading Room Fees for the long term only. I recommend that in cases where the special fees in question has already

Educational concessions - Children and Dependents of Defence Services personnel - Special Fees - Recovery of laboratory fees from the concession holders and levy of games etc. fees for the second term of 1947-48.***

The Special Officer, District Board, Malabar, requests

that laboratory fees included in item (1) of G.O.No. 2388

Edn., dated 6-11-1947, may be brought under item (2) of the

G.O. and recovered from the pupils holding educational con-

cessions under G.O.No. 610 Edn., dated 20-4-1945 as subsequently

amended. Attention is, in this connection, invited to para. 2 of the D. P. I's. Letter on pages 1-2 of of *Jaullie note in para 3* on pages 1-2 n.f. of *J*. It will be seen from these *portions*

that the basis for classification of the various kinds of *special fees* into items (1) and (2) in *J* was that such of the special fees ~~special fees~~ as are not credited to the school or college

funds but are credited to the separate funds towards which each pupil is expected to contribute for the common purposes for which the funds were constituted, should be recovered from the pupils holding the educational concessions under G.O. *g*. Laboratory fees is not such a fee. It is similar to the tuition fee which is credited to the school or college funds from which the cost of running the school is met.

The reason given by the Spl. Officer may thus be applied to tuition fees also, and, if accepted, would lead to similar demands for the recovery of other items of special fees from the concession holders. The request of the Special Officer, may, therefore, be negatived. For orders.

2. The Commr., Cannanore Mty., enquires whether, if as in the municipal schools under the Cl.'s control, special fees for the full year are levied from the students even in the beginning of the year, a proportionate amount of the special fees referred to in item (2) of *J* should be recovered from the concession holders for the short term of
