Roc. No. E21-16516-47

dated 24th January

1948.

Sir,

Education-Secondary schools-exempted Tamil pandits
and others-pay allowed in excess of the rate fixed-
ratification-sanction-requested.

The following unqualified Tamil Pandits, Telugu Pandit and
combined drill and drawing master, were employed in Board secondary
schools under this board as there were no applications from
qualified hands for filling the vacancies even in spite of several
advertisements made in prominent dailies. They possessed certain
qualifications as noted in the statement below and the exemption
from the possession of prescribed qualification on their behalf
was obtained from the District Educational Officer, Salem. While
applying for exemption, the District Educational officer, Salem, was
informed that these candidates were proposed to be appointed on a
fixed pay of Rs.30 p.m. plus usual Dearness allowance, due to dearth
of qualified hands. As the District Educational Officer, Salem, accord-
ed his approval for their appointments, they were allowed pay at Rs.30
P.M. (fixed) during the period noted against each. Now the Director
of Public Instruction, Madras, has pointed out that these unqualified
hands were eligible for a fixed pay of Rs.20 P.M. upto 31-12-46
and for a fixed pay of Rs.25 p.m. from 1-1-47. I submit herewith
copies of this office letter Roc. No. E21-16516-47 dated 8-10-47
to the Director of Public Instruction, Madras, and his reply Roc.
No. 2078-G1-47 dated 13-12-47, for favour of reference. As the
Director of Public Instruction has suggested that Government may
be addressed for ratification of the salaries paid to these unquali-
fied hands at Rs.30 p.m. each, I am addressing Government in the
matter. I therefore request that Government may be pleased to
accord their special sanction as services of these unqualified
hands were secured in the interest of work in the respective
schools on payment of a fixed pay of Rs.30 p.m. each due to dearth
of qualified hands.

Of these seven persons Nos. 1, 3 and 6 are E.H. grade trained hands and they are working in elementary school under this board. Their pay in the revised scale as E.H. grade teachers is fixed at Rs. 30, 31 and 30 respectively. No. 3 also requests that he may be allowed the difference of pay of Re. 1/- p.m. for the period of his service after 1-1-47 in the secondary school as Tamil pandit. No. 2 is still continuing in service as none of the qualified hands posted to replace him joined duty so far. Nos. 4, 5, and 7 are not in the service of the Board and it is not possible to recover the excess payment made to them. In as much as all of them were appointed originally on a fixed pay of Rs. 30 p.m. each, it is not fair to recover the excess payment only in the cases of the employees who are now in the service of the Board. I therefore request that the Government may be pleased to accord their special sanction for the salaries paid to these unqualified hands.
