Sir,

The Secretary to the Government of Madras,
Education and Public Health Department,
Fort St. George, Madras.
R.C. No. 1643-B1/47 dated 2nd April 1948.

Basic Training School, Cuddalore--shifting
of the Model (Basic) School to Periakanganankuppen.

ENCLOSURES _____

SPARE COPIES _____

I have the honour to state that the villagers of Periakanganankuppen which is not more than half a mile away from the Basic Training School, Cuddalore, have submitted a petition for the opening of a Basic School in their village. That village has a population of 683 (329 males and 354 females). There are 94 children of school age in that village of whom only 25 are under instruction. Instead of permitting the opening of a Basic School under private management in the village I suggest that the model school attached to the Government Basic Training School, Cuddalore, may be shifted to Periakanganankuppen since village atmosphere and outlook are necessary for Basic Education and since the strength of the model school may also improve.

2. There is a poramboke land in the village of Periakanganankuppen and it is 1.35 acres in extent. It is adequate and suitable. One Sri M. Varadaraja Mudaliar, a mirasdar of the village is prepared to construct a thatched shed 40' x 20' (with cement flooring on the site and give it free of rent to the Model (Basic) School.

3. I request the Government to approve of my proposal to shift the Model (Basic) school attached to the Basic Training School, Cuddalore to Periakanganankuppen and locate it in the shed proposed to be constructed by Sri M. Varadaraja Mudaliar.
