No.B3.2557/48 dated 25-3-48.

Sub: Impression paper for duplicator foolscap - requirements
for 1948-49 - purchase - sanction.

Duplicating paper manufactured by Messrs. Sirpur Paper Mills,
Hyderabad, (Deccan) was found unsuitable for taking roneo copies in the
Secretariat. Therefore Indian made impression paper specially
manufactured for use on Gestetner duplicator was purchased hitherto
through Messrs. Gestetner India Ltd., Madras.

4,000 reams of impression paper foolscap size are required
for consumption during 1948-49. Messrs. Gestetner India Ltd., Madras,
are not in a position to supply the entire quantity of Indian made
impression paper. The company therefore propose to import this variety
from London, provided an import licence is obtained in their favour.
Further, they promise to supply the available quantity of Indian made
impression paper at controlled rates.

I request that Government may be pleased to address the
Controller of Imports, New Delhi, to issue the necessary permit to
Messrs. Gestetner India Ltd., Madras, to import 4,000 reams of impression
paper for the use of the Government of Madras. As it is not possible
to wait indefinitely till the receipt of stocks from London, I request
that sanction may also be accorded authorising me to purchase the
available quantity of Indian made impression paper at controlled rates from
Messrs. Gestetner India Ltd., Madras.
