Sir,

Sub: Confirmation in the M.E.S.

I request permission to place before you the following facts in connection with the reservation for a war-service man of the only vacancy in Philosophy in the M.E.S., which has arisen after a lapse of 21 years, the last promotion having been that of Sri M.Lakshminarayana Rao in 1925.

At present, there are only two places in the M.E.S. in this subject, as against six that existed in the past. The benefit of promotion even to these two places has been long denied by thrusting into these places, two officers who had been directly recruited and who were serving as D.E.Os viz., Sri J.S.Narayanamurthi and Sri K.R.Guruswami Reddiar.

At long last, consequent on the retirement of Sri J.S. Narayanamurthi on 1-2-45 one of the places is vacant and other officer will retire in the normal course in 1949, just a few months before my retirement. Hence, the reservation for a war-recruit, the only place available for promotion after more than two decades is a very grave hardship.

By a strange irony, there have been in the past far too many recruits of Philosophy men in the M.E.S., viz., Messrs V.R.Ranganatha Mudaliar, Apparsundara Mudaliar, I.N.Menon, J.S.Narayanamurthi and K.R.Guruswami Reddiar, with the result that promotion from the S.E.S. has been effectively blocked.

- 2 -

In other subjects, there has been increase from time to time in the number of M.E.S. places available for promotion, while in Philosophy there has been ~~in~~ large scale abolition of four out of six. The consequent stagnation in Philosophy will be easily seen from the fact that Assistant Lecturers in English appointed in 1934 have had chances of officiating promotion to the M.E.S, while in Philosophy there is little chance of some of the Asst. Lecturers appointed as early as 1918 and 1919, getting an officiating vacancy.

Besides, the benefit of the Second Grade College Principalships which are not ear-marked for particular subjects has not gone to any of the Philosophy men whose lot continues to be bad.

In these circumstances, I request that I should not be denied confirmation after 29 years of service, having been first appointed on 23-7-1917, by reserving for a war-recruit the only place available and that a later vacancy, if necessary, may be reserved for the purpose.

N.S. 537/46 d 2-9-46.

Yours obediently,

K.R. Appalachari

Direct Recruitment - Request for cancellation - Petition
submitting.

REF: Petition dated 31-8-46 from Sri K.R. Appalacharya, Officiating
Lecturer in Education, Teachers' College, Saidapet.

Submitted.

2. The petitioner is an approved probationer in the category of Lecturers in the Madras Educational Service and is awaiting confirmation in the Philosophy Unit of the Service. There are only two permanent posts in the Madras Educational Service in this Unit. One of these posts, viz., Lecturer in Education, Government Training College, Rajahmundry which fell substantively vacant on 1-2-45 has been reserved by Government to be filled by Direct Recruitment of a War Service candidate - vide Andt. No. 4327 A/44-4 Education dated 26-2-1944. The other post in the Unit, Lecturer in Education, Teachers' College, Saidapet, is substantively held by Sri K. Guruswami Reddiar (now on leave). Thus though the petitioner is a very senior officer among those officiating in the Madras Educational Service, he has no chance of confirmation until Sri K. Guruswami Reddiar retires from service in June 1949, i.e. only a few months prior to the date of retirement of the petitioner himself.

3. In this connection it is submitted that there is a likelihood of two posts of Lecturers in Education in the Madras Educational Service being sanctioned, temporarily, if Government sanction the proposed opening of B.T. classes in the Government Brennon College, Tellicherry and Government College, Mangalore (vide proposals submitted under Part II scheme). In case the Government are pleased to sanction above posts they will be eventually retained permanently. It would, therefore, be possible to reserve one of these two vacancies for Direct Recruitment of a War Service Candidate in lieu of the one already reserved by Government.

4. In these circumstances the request of the Petitioner is recommended for the sympathetic consideration of Government.

Will be filled in when it issues.
In h/p file.

The attention of the D.P.I. is invited to Govt. Memo. 29296-A dated 18.4.57. The request of Sri K.R.Appalacharya for confirmation can be considered only if the post of Lecturer in Philosophy falls within the 11 vacancies ordered of to be filled by "civilians", out of the 33 vacancies which stood reserved for war service candidates, and not otherwise. The Dir. may send a report against, accordingly, if necy. w.r.t.

M.E.S. - Proposal for the confirmation of Sri K.R. Appalacharya, offg. Lecturer in a 'reserved' vacancy.

The post of Lecturer in Philosophy (Education), Govt. Training College, Rajammundry, has been substantively vacant from 1-2-45 consequent on the retirement of Sri J. Satyanarayana Murthi. The vacancy being the first vacancy in the Philosophy Unit that arose since the coming into force of the Special Rules for the M.E.S. and ~~with a view to benefiting war service candidates as much as possible, it was reserved to be filled, under special rule 2(e), by direct recruitment and, under the War Service Personnel Recruitment Rules, by the direct recruitment of a war candidate.~~ ^{Service} ~~It was the post has been included in the list of posts available for war service personnel - Civil appointments in Madras. P.73 'A'.~~ candidates have already been recommended by the Commission. [The

Commn. is not, however, proceeding with the selection, as the question whether the "reservation orders" require any modfn. is under the consideration of Govt. and orders on that gn. have not yet issued.]

2. Sri K.R. Appalacharya, offg. Lecturer in Education, Teachers' College, Saidapet, requests, in his petn. at C.F.1-2, that he may be confirmed in the vacancy refd. to, in consideration of the reasons given by him. The D.P.I. recommends the request: he points out -

(1) that, though the petr. is a very senior officer among those offg. in the M.E.S., he has, as it is, no chance of confirmation until a few months before his retirement in 1949; and

(2) that if he (a promotee) is confirmed in the vacancy, one of the two temporary posts, which are proposed to be sanctd. and which are likely to ~~retire~~ ^{be promoted} ultimately permanently (if sanctd.), may be reserved for a war candidate

3. (1) above: This factor does not seem to offer sufficient justification for 'de-reserving' a vacancy which has already been set apart for a direct recruit (a direct

recruit with war service). Nor does it appear that any special hardship is involved in the case: the fact of there being no chance of the Lecturer's confirmation ^{in the near future} is a natural result of the operation of the rules and the limited no./posts (2) in the Philosophy unit.

(2) on p.1 ante: Under the existing 'orders of reservation', only those vacancies, which should under the rules be reserved for direct recruits, should go to war ^{service} candidates. The question of appt. by direct recruitment in respect of tempy. vacancies in posts of Lecturers in the M.E.S. cannot be considered, even if tempy. posts are sanctd., as such vacancies should be filled only by 'transfer' under General Rule 5.

The cancellation of reservation of the post for a war service candidate, to enable Sri Appalacharya to be confirmed in the post, is not admissible under the rules and it does not appear that there are sufficient grounds to consider the question of relaxing the rules in his favour.

Public state that, for negativing Sri Appalacharya's request for confirmation, this Dept. may await the orders to be issued by them on the revised policy of Govt. about the reservation of vacancies for war service candidates. Accg. to the ^{recent} Cabinet decision, out of the total no. of vacancies reserved in the M.E.S. for war candidates, 1/3rd will go to officers already offg.; the allotment of the no. of vacancies will be done by Public. After orders have issued, the question which particular vacancies shd. go to ex-military men against the 2/3rds and which others, to officers in service against the remaining 1/3rd, has to be decided, probably in consultation with the D.P.I., the Commn. and Pub., and hence it will certainly take some time to come to a decision. Under the orders standing at present, Sri Appalcharya's confirmation cannot be made and it therefore seems that there can be no objn. to negativing the request now and, at the same ^{time}, asking the D.P.I. to inform the officer that orders on "M" above will issue in due course and that those orders may probably, or may not, benefit him. It is for orders whether this course may be adopted; ^{as indicated by public, the file shd. be over.} May be circd. to H.M.(Edn.) and H.E.

To the Assistant Secretary to Government, Edn & P.H. Dept.

Ref: Your T.M. by post dated 3-1-1948 re: Vice Principal, Teachers' College, Saidapet.

There is no separate substantive post as "Vice Principal" in the Teachers' College, Saidapet. The Senior most substantive Lecturer of the Teachers' College other than the Principal has been turned as "Vice Principal". The previous substantive Vice Principal (viz Sri K. Guruswami Reddiar) was the Lecturer in Education. Sri C.N. Ekambara Mudaliar, the Permanent Vice Principal prior to Sri K. Guruswami Reddiar, was the substantive Lecturer in History. It may therefore be observed that the Vice Principal may be a lecturer in any of the subjects in the College and there is no separate substantive post of "Vice Principal" apart from the sanctioned number of Lecturers for each subject.

21895

The Post of Vice-Principal, Teachers' College, Saldapet is not an independent post, apart from the sanctioned number of Lecturers. The designation of Vice-Principal is merely nominal. The intention was that the senior-most of the permanent Lecturers in the college other than the Principal should be proposed for confirmation as Vice-Principal. Accordingly Sri D. Nemasivayan who is the permanent Lecturer in Physical Science, Teachers' College, may be confirmed as Vice-Principal and Lecturer in Physical Science in the same college. But in connection with the proposals for the revision of rules of recruitment to posts in the Teachers' Training colleges, it is being suggested to Government that the present category of Vice-Principal, Teachers' College, Saldapet may be dropped altogether. In the above circumstances the question of confirming Sri D. Nemasivayan or any other lecturer as Vice-Principal may not arise if the category of Vice-Principal is abolished.

In the copy of G.O. No. Ms. 1694 Edn. dated 28-7-47 communicated to this office it was stated that Sri K. Guruswami Reddiar was granted a further extension of extraordinary leave from 4-4-1947 to 27-7-47 and not 27-6-47. It was therefore stated in this office letter G. IV Edn. 1465 dated 17-3-48 that the post held by him could be deemed to have fallen vacant from 28-7-47, the date subsequent to the expiry of leave granted him under subsidiary rule 25(b) to the Fundamental rules. 74(a) in annexure II to the Fundamental rules.

With reference to the above telephonic message it is presumed that the word "27th July 1947" in the copy of G.O. communicated to this office is a typing mistake for "27th June 1947". If the Officer was granted extension of extraordinary leave upto 27-6-47 only, the post he held can be deemed to have fallen vacant from 28-6-47.
