Employment of the daily paid workmen during
the vacation.

===

In connection with the shifting of the Arthur Hope College of Technology, Coimbatore to the new premises in the Forst College estate and the work of setting up new machines and apparatus the Principal has applied to me for permission to keep open the workshop including the daily paid workmen and all the departments of the college during the vacation of 1947-1948. As the work of shifting the college has to be attended by all the members of the College I have permitted the Principal to keep the workshop and the entire staff of the college to work during the vacation. I request that Government may kindly sanction the employment during the vacation of all the daily paid workmen employed in the College. The estimated salary of all the workmen will amount to Rs.3000/-. for the whole period of ~~vacation~~ and it is reported that provision for this expenditure has been made in the Budget Estimate for 48-49.

2. I request the favour of early orders.
