Re.No. 1900-E/4, dated 23--2--1945.

Sub: MADRAS EDUCATIONAL RULES - Secondary Schools -
Levy of fees from children of S.I.R. and M.&S.M.
Railway employees transferred in the middle of
School term.

Read:- Govt. Memo 3581-C-2, Education dated 15--2--1945.

From the Director of Public Instruction, Re.No.1900-E/44
dated 13th October 1944.

The Government of India have given a ruling that the employees of the Madras and Southern Mahratta and South Indian Railways should continue to be treated as private persons for the purpose of levying hospital charges for their treatment in state hospitals. The Director of Public Instruction is informed that applying the principle of that ruling, the school fees concessions provided by G.O. No.845, Education, dated the 8th May 1930, should not be extended to the children of the employees of the railways in question.

M.V. Subramanian,
Secretary to Government.

For Director of Public Instruction.

Please see the copy of the Memo furnished by the D.P.I. children of the S.I.R. and the M.S.M. Railway. When such is the case, it is hardly justifiable to extend them to the children of the employees of the B.N.R. which does not run in this Province at all. The D.P.I. may be informed that the instructions in the Memo on page 13 ante P.W.D. may see for remarks.

Educational Rules - Children of Government
servants transferred on public grounds -
Regulations of fees in Secondary Schools.

Reference is invited to G.O.No.845 Education dated 8th May 1930, wherein the Government of Madras have allowed Government servants who are transferred from one station to another and who are thereby obliged to transfer their children from one School to another in the course of a school term, the following concessions :-

- (1) Remission or refund, as the case may be, of fees provided for in rule 91 of the Madras Educational Rules be granted in the case of such children as a matter of course instead of at the discretion of the controlling authority, and
- (2) Fees to be levied in the schools which such children join during the course of a term only for the period they attend the school instead of for the whole term.

2. Employees of this Railway are now Government servants since its management has been taken over by the Central Government. I am therefore to request that the Government of Madras may be pleased to extend these concessions, mutatis mutandis, to Government Railway employees also. I may add that cases of such transfer will not be large.

Yours faithfully,
