...OoO...

As there was a dearth for qualified teachers for appointment in the Board Elementary schools under the Board, the District Educational Officer, North Arcot was addressed for the grant of permission to re-employ all the teachers who are due to retire in the year 1948 subject to the conditions prescribed. The District Educational Officer, Vellore in his reply L. Dis. 9/6/c-48 dated 17.2.1948 has granted exemption for the appointment of these teachers up to 31.3.1948 and states that the Government may be addressed for further retention as the orders contained in Government Order cited above are in force only till 31.3.1948.

2. In this District, compulsion has been introduced so far in 61 centres and several of the posts created consequent on the introduction of compulsion and many other vacancies in non-compulsory areas could not be filled up for want of qualified hands. The Inspecting Officers too often remark about the filling up of these vacancies in time and there are numerous representations from the Headmasters of Board Elementary schools for the appointment of additional teachers owing to increase in strength.

3. As the dearth for qualified hands continues still and as there is no possibility of the difficulty being relieved in the near future, it is requested that the Government be pleased to extend the concession issued in G.O. No. 22-Edn. dated 7.1.1947 for a further period of 2 years.

Sir,

Education - Elementary - Re-employment of retired teachers
extension of time - orders requested.

Owing to the paucity of trained teachers, Government in
their Order No. 22 Education and Public Health dated 7-1-1947 autho-
rised local bodies to re-employ retired teachers under 60 years of
age with the approval of the District Educational Officer or the
Inspector, as the case may be upto 31-3-1948. Since no teacher
is found willing to work in any other taluk except his or her own
due to the existing hard living conditions, the death of trained
hands still continues unabated. In Palahat taluk the difficulty
has become really acute as there are only very few trained teachers
belonging to the taluk. The Inspecting Officers at all their visits
remarks that most of the District Board schools are inadequately
staffed and practical steps may be immediately taken to remedy the
defect. I therefore request that Government may be pleased to
authorise this District Board to re-employ superannuated teachers
in Palahat Taluk and ~~remuda~~ localities in other taluks for a
further period of one year from 1-4-1948.

R.C.No.B4. 4378/48 Dated 8.2.1948.

Sir,

Sub: Elementary Education - Reemployment of retired
teachers in schools - Extension of time limit -
orders solicited.

In G.O.No.22 Education dated 7th January 1947, Government have been pleased to permit the reemployment of retired teachers under sixty years of age in local body schools in view of the severe dearth of qualified teachers. But this concession has been granted only up to 31st March 1948. All the retired teachers who were reemployed under this concession should therefore be discharged on 31.3.1948.

2. A good number of retired teachers have been appointed in elementary schools under the control of this board. If their services are to be terminated on 31.3.1948 in obedience to the above Government Order, the schools will have to remain understaffed for at least three months as paucity of trained teachers still continues and teachers will become available only after the publication of the results of the next T.S.L.C. examinations. The results are usually published only at the beginning of June every year and the successful candidates get their T.S.L.C. only 10 days or a fortnight after the publication of results. Hence it would be possible to appoint qualified teachers only in July 1948.

3. I therefore request that Government may be pleased to issue orders permitting the reemployment of retired teachers under sixty years of age until 30th June 1948.

Schools - extension of time - requested.

Ref:- G.O.No.22 Education dated 7-1-1947.

In spite of several advertisements in the newspapers applications from qualified trained teachers have not been received in adequate numbers. As such, superannuated teachers have been appointed in several schools located in non-compulsory areas with the approval of the District Educational Officer. If their services have to be terminated on the afternoon of 31-3-48 it will not be possible to appoint substitutes immediately in their places. As such it will result in the dislocation of work.

So, I request that the Government may be pleased to permit the appointment of retired teachers under 60 years of age in the Board Elementary Schools of this District located in non-compulsory areas till 31-7-1949, by which time, they may be replaced by duly qualified teachers who are within age limits.

Early orders are solicited.

Applications for the posts of teachers in
the Board elementary schools in the District were called
for by advertisements in the news papers and only only a
few were received. All such applications applicants
have so far been provided and still there are many
vacancies of teachers in the schools. Some of the
single teacher schools have to be kept closed for want
of hands.

Teachers who retired recently were enter-
tained with the approval of the District Educational
Officer upto 31-3-48. Further retention of these teacher
is not possible under the existing rules. Several
teachers are now retiring and are also due to retire
shortly. The consequent vacancies could not be filled
up as no hands are available. I therefore request
that Government may be pleased to accord general sanction
for the re-employment of retired teachers for a further
period of one year upto the end of the next school year
i.e., 30-4-1949.

derstand that I will be made to retire from 1st April 1948.
In this connection, I beg to represent that I am a man with
very big family and limited means. I have no other source of
income to fall back. I am able bodied and can work efficiently.
I request you kindly to permit me to remain in service for
a further period of one year from that date as a special
case. I understand that Government have relaxed rules for
the retirement of Elementary School Teachers in special
cases upto the 60th year. I request you to consider my ~~own~~

Seventeen superannuated teachers under sixty years of age are employed by this District Board with the approval of the District Educational Officer or the Inspectress of Girls schools, as the case may be. In their above order Government have permitted this arrangement till 31-3-48 only.

2. Trained hands are not available to fill up the vacancies if the superannuated teachers who are working now are relieved. Fresh trained hands will be turned out by training schools only in June 1948, and, even then, the supply will not be anywhere near the demand. R.O.C. No.6806.E.1., dated 19 - 3 - 1948,
Sir, 48.

Sub: Establishment - Education - Elementary -
Re-employment of retired Teachers permitted
upto 31-3-1948 in G.O.No.22, Edn., & P.H.,
dated 7-1-1947 - Extension for one more year -
requested.

....
In G.O.No.1714, Edn., & P.H., dated 27-10-45,
the Government permitted the re-employment of all -
classes of retired teachers below the age of 60 in -
Elementary Schools in the compulsory areas. This -
concession was extended to schools in non-compulsory
areas as well in G.O.No.22, Edn., & P.H., dated 7-1-1947.
The Government have in para 2 of the latter G.O., stated
that this arrangement will be in force until 31-3-1948.
The intention of the Government in extending the -
concession to non-compulsory areas is to mitigate the -
difficulties in getting duly qualified teachers for -
appointment; and I have to state that the state of -
affairs so far as dearth of qualified hands is concerned,
has not even now improved appreciably nor is there a -
sure prospect of situation improving by April, 1948.

District Educational Officer, Coimbatore,
has in his letter written to the effect that retired -
and re-employed teachers in non-compulsory areas are -
to be discharged on 31-3-1948. District Educational -
Officer obviously considers that such teachers in -
compulsory areas can continue after 31-3-1948 and that
direction in Government Order No.22, para 2 does not -
apply to retired and re-employed teachers in compulsory
areas and that these latter need not be discharged on -
31-3-1948. I request instructions if the presumption -
is correct.

The sudden discharge on 31-3-1948 of all
the retired teachers re-employed for one year with the
necessary approval of the District Educational Officer
or Inspectress, and even before the expiry of the year
for which they were re-employed will cause considerable
handicap to the running of the schools which normally
are to close for summer vacation only at the end of -
April, 1948.

I therefore request that the Government may
kindly reconsider their orders and extend the concession

Re-employment of retired teachers.

Ref:- G.O.No. 22 dated 7-1-1947.

The Government have authorized in their G.O.No.22 Edn., dated 7-1-1947 the reemployment of retired teachers below the age of Sixty upto 31-3-48 in regular schools also. About ten retired men and women teachers have been reemployed under this District Board as the services of fully qualified teachers could not be secured. As there is still great dearth of trained teachers for their appointment in the regular schools, Government may be moved for extending the concession for one more year i.e. up to 31-3-1949.

In anticipation of Government sanction such of the reemployed teachers will be continued in service.

In para 1 (viii) of G.O. No.1714 Edn, dated 27 Oct 45 the Government permitted the employment of unqualified and super-annuated teachers under sixty years, in the Elementary Schools in the area where compulsory Education scheme has been introduced. Subsequently in their order No.22 Edn, dated 7 Jan 47, the Government extended the concession in Elementary Schools, in non-compulsory areas also but they have ordered that this arrangement will be in force until 31 Mar, '48.

Consequent on the introduction of compulsory elementary education from the years 1945- 46, there is dearth of qualified hands. This Board had adopted the new scales of pay sanctioned in G.O. No.975 Edn, dated 10-5-47 with effect from 1st Jan, '47 and all trained candidates are paid salary according to their qualifications. In other words, a H.G. teacher gets Rs.30 p.m. while the Secondary Grade hand is paid Rs.40 p.m. in addition to the D.A. In spite of the increased pay allowed to teachers, qualified hands are not available in large numbers. Advertisements were made in the local dailies twice during the year 1947- 48 but they have not had the desired effect. There was only very poor response from qualified hands and even these, when offered jobs, did not actually join also. So, unqualified and super-annuated teachers were employed in elementary schools, both in compulsory and non-compulsory areas as permitted in G.O. No.22 Edn dated 7-1-47 and all of them have been sent out on 31-3-48 (A.N). In their places, the candidates who have just appeared for the examination in March, 48 have been employed. These teachers are given only the pay permissible for untrained hands and they will be allowed to draw the salary of trained hands if they come out successful in the examination with retrospective effect from the date of their joining. These teachers are only higher grade hands.

No such secondary grade trained hands are available for appointment and the Principal of the Teachers' College has replied that the students in the Secondary Training Section are only in the junior class and they are not appearing for the T.S.L.C. examination this year. So, in secondary grade vacancies, only unqualified hands will have to be employed for a year more.

Further the H.G. candidates of March 48 who are given postings now will have to be continued in their appointments even in case they happen to fail in the examination, till the publication of the next results or atleast till the end of the next school year.

In the circumstances, I request that the Government may be pleased to permit the employment of unqualified and super-annuated teachers under sixty years, in Elementary in compulsory and non-compulsory areas.

The Hindu
Madras dated the 5.4.48

EXTENSION OF SERVICE TO TEACHERS

Sir,—The Government recently published a communique stating that compulsory elementary education could not be extended this year on account of want of trained teachers, want of accommodation and want of funds.

They issued a G.O. on 11-8-47 that Higher Elementary Grade experienced and able teachers may continue to be appointed as Headmasters of Elementary schools with 4, 5 or more teachers, as Secondary Grade teachers were not available in sufficient numbers. They issued an order in G.O. No. 22 dated 7-1-47 delegating the power to grant extension of service to teachers over 55 years in local board schools to the District Educational Officers till 31-3-48.

In aided schools teachers are permitted to continue in service upto 60 years, whereas in local board schools the retirement age is 55. General opinion is that aided schools are more efficient than local board schools. When there was a shortage of qualified men during wartime and after, the Government relaxed the age rule, to solve the problem. We know from experience that efficiency had not suffered owing to the above relaxation of age. Why not we take a lesson from past experience? In this connection may I make the following suggestions?

Teachers in general may be continued in service upto 60 years of age in all schools especially Elementary as the aim of the country is to expand first elementary education.

Teachers already in service over 55 need not be sent out from Board and Municipal Schools till they attain 60 years.

G. O. No. 22 dated 7-1-47, may be renewed with the clause that general powers to grant extension of service till 50 years of age be given to the District Educational Officers.

Teachers upto 60 years of age may be permitted to continue Provident Fund contribution in Board and Municipal Schools also.

I am clearly of opinion that if the above four suggestions are adopted by Government, education will not suffer for want of trained teachers in the next five years by which time teachers are expected to be available in greater numbers.

K. V. P. Ram.

To Mr. Jey E + P.H.

In view of present
shortage of teachers, the
suggestions may be examined

Respected Sir,

I beg to represent the following few lines for
your kind consideration and favourable orders.

I have retired from service as a teacher from the
District Board Higher Elementary School, Yedappalli from
15-3-48, as I have attained the age of 55 years. In this
connection, I beg to point out that there are many untrained
teachers working in various schools and there are few posts
vacant for want of trained teachers. As I am physically
fit to serve in the Government institutions for some more
years, I beg to request that I may kindly be given a chance
to work as a teacher temporarily for a period of one more
year in the same school so that I may maintain my big
family during these hard days.

For which act of kindness and charity I shall ever
remain grateful.

I beg to remain,

Respected Sir,

Schools-Elementary-Chingleput District Board-Continuance of untrained and superannuated teachers in service beyond 31-3-48 -approval. requested.

Ref: My letter Roc.No. 2529--48.C1. dated 11-4--48.

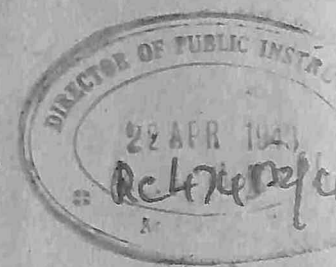

As the Government in their order No.22 Education dated 7th January 1947 have said that the appointment of untrained and superannuated teachers shall be in force until 31st March '48 only, the services of such teachers were terminated with effect from 31-3-48(A.N.). In their places the candidates who have appeared for the Examination of March '48 have been employed. These candidates are only higher Grade hands. There is dearth of Secondary Grade trained hands both men and women.

As the regular working of standards VI to VIII of the Higher Elementary schools has been upset for want of secondary grade trained teachers the continuance of the unqualified and superannuated teachers of the Secondary Grade has become indispensable. So, in anticipation of orders of Government, a few of the unqualified and superannuated secondary grade teachers are being continued in service till the end of present school year 1947-48.

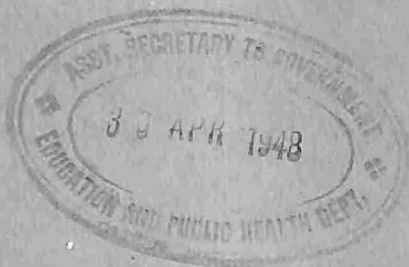

I request that the Government may be pleased to ratify the above arrangement in the special circumstances explained.

①
The Government in their order No. Ms. 1074 Edn dated 3rd May 48 have said that the concession relating to the re-employment of superannuated teachers below 60 years of age in Elementary Schools under Local Bodies granted in G.O. No.22 Edn dated 7-1-47 be continued for another year from 1st April 1948. The termination of their services at the end of March, upsets the annual examination arrangements and also causes much dislocation of regular school work.

I therefore request that the Government may be pleased to sanction the grant of this concession till the end of the school year 1948- 49.

Subject:- Elementary Schools- Re-employment of Retired teachers
Extension granted.

Reference:- G.O. Ms. 1074 Education & Public Health dated
3-5-1948.

Sanction for the retention of the superannuated teachers has
been accorded for one more year from 1-4-48 (i.e.) till the end of
31-3-49. But the schools close for summer vacation only from
1-5-49 and it is therefore essential that the teachers are kept in
service till that period. I therefore request that Government may
be pleased to consider and sanction the retention of the teachers
till the end of 30-4-1949.

re-employment of retired teachers.

Ref: Your D.O.No.17421-B2/48-2, Edn., dated
5-6-48.

Government in their G.O.No.22, Edn., dated
7-1-47 delegated the powers of granting exemption
to the Special Officers of District Boards and
Commissioners of Municipalities as a temporary
measure till 31-3-48 and in their G.O.No.1074
Edn., dated 3-5-48 extended this to the end of March
1949. It does not therefore appear that Government
sanction is necessary nor any delay on this account.

2 It is possible that the Hon'ble Minister
is thinking of re-employment in the case of
secondary school teachers. If this is so, I
recommend that the special officers of District
Boards and Commissioners of Municipalities may be
empowered to re-employ teachers between 55 and 60
in consultation with the District Educational
Officers and Inspectresses, similar to what is being
done in the case of teachers in elementary schools.
This may be authorised in the first instance for a
period of 3 years.

3 In this connection I invite your kind
attention to my R.C.No.474-B2/48 dated 4-3-48.

Yours sincerely,

Elementary education - Dist. Boards and Municipalities -
Re-employment of retired teachers.

Please see the letter from the D.P.I. on pp. 7 c.f.
and the representations received from the Special Officers
of Dist. Boards and Commissioners of Municipalities. The
D.P.I. has reported that the circumstances under which orders
were issued in G.O. 22 Edn., dated 7-1-47, regarding the
employment of superannuated teachers under local bodies con-
tinue to exist and that Govt. may extend the concession for
the employment of these teachers by another year from 1-4-48.

In this connection, the D.P.I. has pointed out that the
question of granting individual exemption has become a matter
of formality and usually causes delay. Under the existing
orders the local bodies should obtain the approval of the
respective D.E.Os. for employing the super-annuated teachers.
The D.E.Os. are to examine the case individually before he
approves. The Director therefore considers that if as in the
case of elementary teachers under aided schools the age limit
is raised to 60 years, the necessity for extending the con-
cessions granted in G.O. 22 Education, dated 7-1-47 and
for examining the cases individually by D.E.Os. will cease
to exist.

The rules relating to aided elementary schools lay down
that no grant shall be assessed for teachers over 60 years
which means that teachers upto age of 60 years could be
employed in aided schools.

Under rule 14 of the rules relating to establishment
under local bodies, ministerial staff could be employed only
upto the 55th year. The rules are applicable to all the
employees under local bodies. If the suggestion of the D.P.I.
is accepted, the rule referred to above has to be amended.
The rules as they stand provide for the employment of super-
annuated persons with the previous sanction of the Govt. for
a period not extending one year at a time. This procedure
also causes delay. There is a dearth of qualified teachers
and that is why the D.P.I. wants provision to be made for
retaining teachers until they are 60 years. The

follow the rules for Govt. Service for service under local bodies also. The paucity of teachers may be only a temporary phase. There does not seem to be sufficient justification for amending the rule. It seems ~~enough~~ enough if the concession sanctioned in G.O. No. 22 Edn., dated 7-1-47 is extended for another year. I understand that at present when persons are appointed after super-annuation by District Board authorities, they have to take individual sanction from the Govt. In many schools due to want of teachers, it has been necessary for some years to appoint super-annuated persons also. In view of the shortage of hands, I wonder whether we cannot give a general permission to District Boards to appoint such of those super-annuated persons who are healthy and strong and can do their duties, till 60, when fresh hands are not available through advertisement. The power of granting extension may, if it is possible under the rules, be delegated to the Dt. Board Presidents or Spl. Officers. The matter may be examined and put up.

Janab K. Mahaboobmiah Sahib, Head Master, Muslim Elementary School of this council was due to retire from service, superannuation with effect from 16--6--47. He applied to me for permission to work for a period of one year after retirement. The District Educational Officer, Ramnad also recommended the re-employment of the teacher. The teacher was therefore re-employed after retirement from 16--6--47 up to 31--3--48, with approval of District Educational Officer, Ramnad, with reference to orders in G.O. 22, Edn. & P.H., dated 7--1--47.
