Sir,

Sub:--Basic Education--Craft equipment stores at Perianaickenpalayam and Vinayarasamam--Purchase of craft materials.

The Government in their order No. 2088 Edn. and P.H. dated 28.10.47 approved my proposal for the opening of two craft equipment stores, one at Perianaickenpalayam and the other at Vinayarasamam. I was also authorised to incur during 1947-48 an expenditure not exceeding Rs. 20,000/- on the purchase of articles of equipment required for basic schools for being stocked in the stores to be opened. In my proceedings No. 1584 B1/47 dated 17.10.47 a sum of Rs. 10,000/- was placed at the disposal of each of the Headmasters of Basic Training Schools at Perianaickenpalayam, and at Vinayarasamam. Since representations were received from the Headmasters that they could not get the articles except by prepayment the matter was referred to the Government in my letter No. 1584 B1/47 dated 4.12.47. I requested the Government to treat the sum of Rs. 10,000/- sanctioned for each store as permanent advance, so as to enable the Headmasters to purchase the craft equipment by pre-payment. But the proposal was not accepted by the Government in their Memo No. 95810 B2/47-3 Edn. dated 8.3.48.

The Headmaster Basic Training School, Perianaickenpalayam, purchased equipment for about Rs. 5,600/- and supplied them to the Basic schools, during 1947-48. The cost of equipment supplied by the Headmaster, has been ordered to be paid to the stores by the Managements concerned. The Headmaster Basic Training School, Vinayarasamam did not purchase any equipment for the stores during 1947-48. Thus the sum of Rs. 20,000/- sanctioned by the Government was not utilized during 1947-48.

In the above circumstances I request the Government to sanction a sum of Rs. 10,000/- to each of the 2 stores for the purchase of craft equipment during 1948-49. The expenditure can be met from the provision of 9 lacs sanctioned by the Government for the expansion of basic education during 1948-49.

I request Government to pass early orders in the matter; so that the stores can be equipped before the re-opening of schools after summer vacation.
