2. In the clothing indent for 1945-47, claims were made for 1 duffadar, 8 officers' peons and 2 office peons. In the indent for 1947-49, claim has however been made for 1 duffadar and 16 officers' peons. No sanction was also obtained for the supply of free clothing to the additional number of peons. According to G.O. No.2082, Education, dated 30-9-1936 1 duffadar, 8 officers' peons and 2 office peons are alone entitled to free clothing. Consequent on the appointment of additional peons for the three additional Assistant Secretaries 1 duffadar and 13 officers' peons require clothing. In the indent for 1947-49 two officers' peons may be shown against the 2 office peons (for whom there is already sanction) and sanction may be obtained now for the supply of free clothing to the 3 additional officers' peons. It does not appear necessary to supply free clothing to office peons at present. The file may be sent to E.& P.H. for issuing orders sanctioning supply of free clothing to three more officers' peons in this Department. For this purpose they may be requested to take necessary extracts from this file and to return the file to this Department. On receipt of a copy of the order from E.P.H., a revised indent will be submitted for orders.
