Sir,

13785

I beg to state that I am a H.E.T.T.C holder no: being 6998/32 and I have appeared and [illegible] S.L.C examination of 1947. After obtaining my certificate, I have submitted an application on 4-7-47 to the District Educational Officer, North Malabar, through the D. of Schools, Chirakkal Taluk, requesting that my certificate may be kindly enhanced as Secondary graded certificate wherein my application was returned by the Dy Inspector with the endorsement thereon that "The petitioner is informed that he is eligible to appear for the Sec T.T.C examination without undergoing the training course. He may submit his application for the same when called for from this office, if necessary."

I further beg to state that my application for permission to appear for the Sec T.T.C examination, submitted to the Secretary for the Govt Examinations on 22-11-47 with a chalan of Rs 10/- with the necessary certificates, after understanding that Dy Inspector is not permitted to receive such applications, was returned by the D.E.O, North Malabar with the following remarks there on "Returned to the petitioner for resubmission through the concerned Dy. Inspector. Printed form may be used instead of the manuscript form."

When applied in printed form as instructed my petition was again returned with the following remarks: "Returned The Dy Inspector is informed that the examination is open only to those who failed in the examination once. Fresh application of this kind are not called for."

So, I do here by request that my certificate may be enhanced as Sec: graded certificate, or I may be kindly permitted to appear for the ensuing Sec: training examination to be conducted in March 1948 for which act of great kindness I will be ever grateful to you.

Awaiting early and favourable orders.

GOVT. OF MADRAS

Respected Sir,

13957

We the undersigned Higher Ele. grade teachers who have passed the S.S.L.C. examination in April 1947 beg to bring the following fasts for your kind considerations and request your Honour to pay special attention towards our request.

Having passed the S.S.L.C. public Examination we wanted to appear for the T.S.L.C. (Secondary Grade) Examination 1948 in order to qualify our-selves as secondary grade teachers. But the Secretary to the Commissioner for Govt. Examinations informed us that the next T.S.L.C. Examination of Secondary grade will be held only in 1949. So we applied both to the Director of Public Instructions and your honour for the conversion of our certificates as it was done some years back. In the month of October 1947 we received only a negative reply stating that we have to undergo a Refresher course to be held in the summer holidays this year.

Again we came to understand that a special T.S.L.C. (Secondary grade) Examination will be held in March 1948. Some of us requested the Secretary for permission to appear for this examination. But the reply was not in favour. Thus we are deprived of our prospects in the profession for this whole year and we really feel sorry for it and get discourged in our attempts. Though it is now more than 6 months since we are informed about the Refresher Course we are quite in dark yet as to the steps taken by the Department for the arrangements of the Refresher Course.

As regards the Refresher Course proposed by the Department we have our own doubt whether that would be on the existing system or on the proposed Basic system even it would be on the new system. We think that the Retraining under contemplation by the Government to be given for teachers of both Ele. and secondary grades will serve the purpose with due economy and so we request that our T.S.L.C. certificate may be converted into secondary grades and we may be allowed to under

6/

go the general Retraining along with other Secondary teachers.

Under these circumstances we most humbly beg to request you once again to issue necessary orders to the authorities concerned either to expedite the arrangements for arranging the proposed Refresher Course for us preferably in the ensuing summer holidays or to convert our T.S.L.C. certificates into secondary grade at least as a special case. We are confident that as teachers we have done every thing with in our limits to better our professional status and place our future prospects under your ever lasting sympathy towards the Ele. school teachers. We believe in Your assurance given to the members of the Deputation that waited on you Sir, recently on the subject and eagerly expect the day of achievement of our long felt desire.

We solemenly pray Almighty to bless you with long and healthy life to serve the cause of these poor and disheartened teachers of Elementary Schools.

Your honour has been pleased to inform us during the time of interview granted to us on 7-II- 47 that arrangements will be made before the beginning of the Accadamedic year to get our certificates converted into Secondary grade ones by conducting a refresher course.

Apart from your honour's assurance, the Deputy - Director of Public Instruction who gave an interview on - II-IO- 47 stated the same thing and directed us not to deposit examination fees for T.S.L.C. examination 1948 and a separate order will be issued in this connection. ~~Now~~

Now the Commissioner for Government examinations in his R.O.C.No. 829/46 dated 18-2-48 informs that we will - -have to sit for T.S.L.C. 1949 and the refresher course is dropped.

We the poor teachers have already wasted more than a year after passing S.S.L.C. without attaining a salary or status.

Considering the fact that we have put in a number of years of service and gained sufficient teaching experience and in view of the fact that English has been declared a - 2nd language and also considering the fact that no further - examination or course was contemplated when G.O.No. 344 dated 19th February was issued, we beg to request for conversion - P.T.O.

Honoured Sir,

I beg to bring the following few lines for your kind consideration and favourable orders.

I am one of the teacher candidates who appeared for S.S.L.C and passed under G.O. 344/dated 19.2.46.

I applied to the Commissioner for Government Examinations on 28.7.47 for permission to appear for the Secondary Grade T.S.L.C Examination as a private Candidate. The Commissioner informed me in his R.C No 936 dated 8.8.47 that the Government was considering to conduct an examination in the year 1948.

Again in November 47 I was informed by the commissioner that the Government was considering to hold a refresher course for the teachers.

But at last I have received a communication from the Commissioner that the Government has dropped the proposal of holding the refresher course and the teachers may apply for the Secondary Grade T.S.L.C Examination in March 1949.

It is now one year since I passed S.S.L.C Examination. I am working as a Higher Grade teacher for the past 13 years. I have been under the hope that the rule relating to the conversion of my certificate into Secondary Grade one just as it was done some years back will be amended and my certificate converted in virtue of my passing S.S.L.C.

I therefore pray that your honour may be pleased to reconsider my case and at least hold a refresher course for the conversion of my certificate before June 1948.

In the event of the Refresher Course for Ely Higher SSLC Passed teachers for conversion to Sec grade being dropped and the Sec grade T.S.L.C examination being postponed to March 1949. We request that our representation for conversion of our Higher Ely Grade Certificates to Sec Grade ones, in virtue of our passing the S.S.L.C examination be taken up and our certificates converted to Sec Grade ones as was done to Ely Higher Grade teachers who had either passed or completed S.S.L.C prior to 1.7.40. Conversion was in vogue till 1.7.40.

We request that the required amendment to G.O. relating to conversion be ordered and our certificates converted into Sec Grade. Till such time the Govt order for conversion Local bodies may be directed to post us in Sec Grade vacancies, permitting us to draw Sec Grade scales of pay. Subject:- Exemption from appearing to the T. S. L. C Secondary grade examination and Conversion of Higher grade T. T. C into Secondary grade - Relaxation of rules as a Special Case - Requested.

21164

Asst. Secretary to Government
26 MAR 1948
Education and Public Health

Honoured Sir, I am a Higher grade trained teacher having more than twenty years experience in the profession. Having passed the S. S. L. C public examination in 1947 with high marks to my Credit, I wanted to appear for the Secondary grade T.S.L.C examination this year to qualify myself as a secondary grade teacher

But unfortunately I was informed that I Could not appear for the examination but must undergo a Refresher Course to be Conducted by the Department I waited for it. Now I am given to understand that the proposal for Conducting the Refresher Course has been dropped and that I have to Sit for the examination only in 1949.

Had I been allowed to Sit for this year examination I am Confidant that I Can get through the examination successfully and attain thereby a better Status in the profession and emoluments etc. For no fault of mine I am held up for another one year from realising my ambition

Since I have already put in a service of nearly 24 years, I am afraid whether I will be substantially benifitted within the limited period of my remaining service if I have to qualify myself as secondary grade only after appearing to the T. S. L. C examination to be held in 1949.

After all, I am an experienced teacher having further equipped myself with up to date teaching methods by (P.T.O.)

C.T.D.
20/3/48

16

attending various refresher Courses Conducted by the department officers then and there. Thus as a teacher I spared no pains to improve my general and technical knowledge. But with all my sincere efforts and desire, I Could not achieve any substantial benifit

Till the year 1940 the Higher grade teachers were given secondary grade teachers on passing the S.S.L.C examination or its equivalent without asking them to appear for the T.S.L.C examination. I understand even now similar procedure is adopted in the case of other technical certificate holders. I beg to remind your Honour in this connection your assurance given to the members of the Deputation that waited upon you, Sir, on 6.3.48 as regards the same subject and eagerly await your Honour's favourable decision.

Under the circumstances I most humbly request your Honour to relax the existing rules, as a special case at least so as to enable the authorities Concerned to exempt the Higher grade teachers, who have put in a considerable period of service and have passed the S.S.L.C examination or its equivalent, from appearing to the secondary grade T.S.L.C examination and to convert their T.T.C into secondary grade. By this relaxation of rules I think a good number of teachers throughout our presidency would be benifitted and for which act of your kindness and sympathy we shall remain ever gratefull.

I beg to remain

~~Most~~ Subject:- Holding a seperate Secondary grade T.S.L.C Examination in This year 1948 for S.S.L.C Passed higher grade teachers.

14886

Most Respected Sir,

I beg to bring the following few lines to your honour's kind consideration and for favourable orders. First of all I most humbly request your honour that I may kindly be excused for addressing your honour directly.

I, being an higher grade teacher, passed the S.S.L.C examination held in April 1947 under G.O M.S. 344 Edn dated 19.2.46. Then I applied to the Commissioner for Government Examinations to let me know whether the Secondary grade T.S.L.C examination was to be held in 1948 for those higher grade teachers who had become eligible to appear for the same as ~~a~~ private candidates, by passing the S.S.L.C examination.

not [illegible]

A reply from the Commissioner stating that the question of holding a secondary grade T.S.L.C examination in 1948 was under consideration was received by me in the 2nd week of August 1947.

Then I noticed the news published in daily news papers of October 1947 that the Government have decided to hold a secondary grade T.S.L.C examination in the year 1948 for the benefit of such teachers who had become eligible to appear for the same by passing the S.S.L.C examination.

P.T.O.

Again I wrote to the commissioner requesting to let me know the fact that the secondary grade T.S.L.C examination was going to be held in 1948.

For that I received a reply from him that an examination of secondary grade T.S.L.C would be ~~conducted~~ held in 1948 for those who had once appeared for the same but failed. Further it had been stated in his reply that orders regarding conduct of an examination for those who had become eligible to appear for the same as ~~a~~ private candidates by passing the S.S.L.C examination would be issued seperately.

Since then, I had applied to the commissioner many times (26-11-47, 9-12-47 & 17-12-47) to let me know the fact if there is any proposal to conduct an examination for the S.S.L.C passed higher grade teachers.

Now it is informed by him that Higher grade teachers who became eligible to appear as private candidates for the secondary grade T.S.L.C examination by passing the S.S.L.C examination, but who have not so far appeared for the secondary grade examination cannot appear for the ensuing T.S.L.C examination to be held in 1948, as it is now too late to admit applicants for the ensuing examination and that the proposal for holding a seperate refresher course for such candidates prior to their taking the secondary grade T.S.L.C examination has been recently dropped. Further it has been stated that I may apply for the examination to be held in March 1949. P.T.O

I humbly appeal to your honour that the reason for not admitting to the ensuing examination as it is too late to admit applicants, is not happened by the candidates but by the Government. I humbly beg to state that it would be very unjustifiable to make them wait till the year 1949 not conducting an examination or any other refresher course in the year 1948 itself.

I and those who had passed the S.S.L.C examination in 1947 were ready to appear for the secondary grade T.S.L.C examination or any other refresher course which we very much hoped would be conducted for the benefit of us.

Further I humbly beg to state that some of us will get no benefit by waiting for the examination of next year as they would ~~be~~ retire themselves in a short time owing to their old age.

At last what I request your honour is simply this, that a seperate examination or refresher course may be conducted (in April or May 1948) as soon as possible for the S.S.L.C passed higher grade teachers on the view of converting their certificates from higher to secondary grade.

Hoping to get a favourable reply from your honour very soon. I beg to remain

Sir,

I understand that H.E. grade Teachers wh6 have become eligible to appear for the T.S.L.C. Examination of the Sec. grade as private candidates, by passing the S.S.L.C. Examination in the year 1947 are not permitted to do so in the year 1948 on the ground that it is too late to scruitinze their applications. I further learn that the proposal to conduct a refresher course for the benefit of such teachers has also been dropped recently. The Secretary to the Commissioner for Government Examinations notifies that such teachers can appear for the T.S.L.C. Examination in the year 1949 (Vide Fort St.George Gazette Part I B dated 24--2--48)

15838

Even the successful teacher - candidates of 1948 can do it. There is no preference for those who came out successful in the S.S.L.C. Examination one year earlier, i.e., 1947 according to his notification. As the latter (they are 284 in number) have to suffer by this post-ponement, I suggest the following remedy:-

There is a clause under the heading "conversion of certificates from higher elementary to secondary grade" in page 135 of the "Madras Ele Education Mannual" re-printed in 1940. I learn that this clause is not in force now. It may be re-introduced for this purpose and the D.E.O's may be given necessary instructions at an early date. By this ~~[illegible]~~ the grievances of a section of teachēr can be reddressed and more secondary grade teachers can be available.

Hope you will do the needful in the matter. Awaiting a reply

MINISTER FOR EDUCATION

From,

M.P.Govinda Menon,

To,

The Honourable Minister, For Education ,
Government of Madras,
Madras.

21975

Sir,

From the notification of the Secretary to the Commissioner for Government Examinations published in the Fort St. George Gazette (part 1B) dated"24-2-48, I understand that H.E. grade teachers who have become eligible to appear for the T.S.L.C.Examination of the Secondary grade as private candidates, by passing the S.S.L.C. Public Examination in 1947 are not permittedto appear for the ensuing T.S.L.C.Examination on the groundthat it is too late to admit them now. I further learn that the proposal to conduct a Refresher Course for the benifit of such teachers has also been dropped recently .

23 MAR 1948

According to the above notification those who passed the S.S.L.C. Examination in 1947 can appear for the T.S.L.C. examination only in '49 by which time successful teacher-candidates of 1948 too can do it. The former who are 284 in number have tosuffer by this postponement. To redress their grievances as regards this, I am of opinion that the followingcourse may be accepted as a special case in this year:-

The clause under the heading"Conversion of Certificates from higher Elementaryn to Secondary grade " (page135-136of the "Madras Ele. Education Mannual," 1940 Edition) may kindly be re-introduced for this purpose and the D.E.O.s may be given necessary instruction s for its immediate compliance at an early date.

By this benign act, I am sure, the feelings of a section of teachers can be pacified andmore Secondary Grade teachers can be made available for our institutions.

So I request that necessary order's may kindly be passed in this connection without delay.

Awaiting a reply,

I have the honour to be,

1947ம் வருடம் ஆரம்பத்தில் அரசாங்கத்தின் கல்வி அதிகாரியவர்களால், 1948 மார்ச்சில் நடைபெற இருக்கும் T.S.L.C ஸெகண்டரி கிரேடு பரீட்சை கிடையாது. 1949 மார்ச்சில் நடைபெறும் என அறிவிக்கப்பட்டது.

இப்படியாய் எண்ணிய ஆசிரியர்களுக்கு 24.2.48 வெளியான அரசியலாரின் தொடர்பில், S.S.L.C பாஸ் செய்த ஹையர் கிரேடு ஆசிரியர்களுக்கு நடத்த இருந்த Refreshers Course குறுகிய காலப்பயிற்சி அல்லது டிரெயினிங் இவ்வருஷம் நடத்த இயலாதாகையால், அவர்கள் 1949ல் T.S.L.C செகண்டரி கிரேடு பரிட்சைக்கு ஆஜராகலாம் என அறிவித்து விட்டது. இவ்விதம் அறிக்கைகள் எங்களை மனமுடையச் செய்துவிட்டது. ஆகையால் வாழ்க்கைக்கோ போராடும் [illegible] வேறுயாரும் இவ்விஷயத்தில் உதவி செய்ய முடியாது. அதற்காகவே தங்களைக் [illegible] பணம் கட்டப் போகும் தருணத்தில் [illegible]. நாங்கள் பரிட்சைக்கு, இதுவும் மற்றும் [illegible] தடுத்ததும் அரசாங்கத்தில் எங்களுக்கு இந்நேரம் [illegible] குறுகியகாலப்பயிற்சி வைத்து செகண்டரி கிரேடு சர்டிபிகேட் கொடுக்க வேண்டும் அல்லது எங்களது சர்டிபிகேட்டை இயன்ற காலத்தில் செகண்டரி கிரேடாக மாற்றித் தந்து உதவ வேண்டும் என பணிவுடன் கேட்டுக்கொள்கிறேன். நாங்கள் பாடுபட்டதை, எங்களது முன்னேற்றத்தை [illegible] வேண்டும். அதுவும் அதற்குப்பின் நடத்தப்படும் [illegible] ஆசிரியர் அப்பொழுதே ஆற்ற வேண்டியதாகும். ஆவன செய்ய [illegible] அன்புடன் எங்களது ஆசிரியர் சார்பாக நானும் கேட்டுக்கொள்கிறேன்.

T.S.L.C. of Secondary Grade - Special - Exam for H. E. Grade Teachers with general qualifications - Holding of

In 1954, the Govt. permitted higher elementary grade teachers who had undergone the higher elementary training course introduced in 1940-41 and had passed the university Matriculation Examination or were ~~other~~ otherwise eligible for admission to the university courses of study, to appear privately for the T.S.L.C. Exam of the Secondary Grade. ~~Sth~~ Subsequently the Govt. extended the concession to higher elementary grade teachers under the old scheme, subject to certain restrictions. In 1957, the Govt. extended the concession to such of those higher elementary grade teachers as have secured in the S.S.L.C. or other Public Examination, marks qualifying them for admission to public service. While extending the concession they passed orders that there should be a refresher course for the higher elementary grade teachers before they are allowed to appear privately for the T.S.L.C. Exam, and accordingly asked the D.P.I. to submit proposals for holding ~~x such~~ a refresher course. The D.P.I's proposals were received and they were ~~being~~ considered in connection with part II of the budget for 1958-9. Mean time in G.O. 2179 Edn dated 10-10-57, the Govt. approved the holding of a special T.S.L.C. ~~of~~ Exam in March 1958. Though originally this examination was meant also for the higher elementary grade teachers

possessing the requisite general qualification, they were actually not admitted to it, as the question of holding a refresher course for them was under consideration then. The Govt. have now dropped the proposal to hold ~~the~~ a refresher course and the date for the special examination must be past. As it is, higher elementary grade teachers with the requisite general qualification have to wait till March 1949 for taking the T.S.L.C. Exam of the Secondary Grade. In this connection it has been suggested that as was done till 1933, the certificates of higher elementary grade teachers with the requisite qualification should be treated as equivalent to that of the Secondary Grade, without ~~this~~ the teachers having to appear for the examination. The D.P.I. does not favour it, neither does he seem to favour the holding of another special examination for the benefit of the teachers. The file may be circulated to HM (Edn) for orders with reference to his minutes at p12 cf.
