Sir,

Sub: MADRAS EDUCATIONAL SERVICE - Women's branch -
Filling up the post of Kindergarten Lecturer,
Lady Willingdon Training College, Madras -
Proposals submitted.

Miss E. Lazarus, Lecturer in Kindergarten, Lady Willingdon Training College, Madras, retired from service on 8th Sept. 1947 and was re-employed in G.O.1653 Edn., dated 23rd July 1947 for one year from the date of re-employment; but she requested for relief at the end of March 1948 and the post has to be filled in by a suitable candidate. This post was already included in the estimate of vacancies last year and in my letter C.No.Cl.3-C2/47 dated 26th Sept. 1947, the Commission was requested to re-advertise the post and recruit a candidate. In this connection, kind attention is invited to G.O.Ms.No.1771 Edn., dated 7th August 1947 and it is submitted that no qualified applicants for appointment to the post of Lecturer in Kindergarten were available when the Commission advertised for the post last year. Though the Commission this year also was requested to re-advertise the post and call for applications, it may not be able to secure the services of a qualified candidate. It may also be not possible to secure a candidate with the teachers' certificate or the Diploma for persons engaged in the training of teachers awarded by the National Froebel Union, England. Hence I request that the Commission may be requested not to advertise for the post of Kindergarten Lecturer and call for applications.

2. Under Rule 2(d) of the Madras Edl. Service Rules, the first vacancy, has to be filled by direct recruitment and the next three vacancies by transfer from the Subordinate Edl. Service. The vacancy of Miss Lazarus is the first one and hence it should be filled by direct recruitment. Since the Commission may not be able to recruit a candidate, I request that the post of Kindergarten Lecturer in the Lady Willingdon Training College may be filled by transfer from the Subordinate Edl. Service instead of by direct recruitment.

3. The present B.Ed. syllabus lays emphasis on Primary Education and not on Kindergarten and the Commission may not be able to secure a candidate with the Teachers' Certificate or the Diploma for persons engaged in the training of teachers awarded by the National Froebel Union, England, I therefore request that Miss C.P. Kamakshi Amma, School Assistant, Lady Willingdon Training College, who already commenced her probation in the Madras Edl. Service and who possesses Diploma in Education (Leeds) and M.Ed. in Educational Psychology (Leeds) may be considered suitable for the post of Kindergarten Lecturer, Lady Willingdon Training College. She may be transferred from the History Unit to the post of Kindergarten Lecturer till the rules are relaxed.

Qualifications for the post of Lecturer
in Kindergarten - Amendments - Proposed.

3393

I have the honour to submit herewith a copy of letter
C.No.101/47 dated 18-3-47 from the Principal, Lady Willingdon
Training College, Madras, and to state that according to the
present rules, the qualifications prescribed for the post of
Kindergarten Lecturer are as follows:-

- (i) The degree of B.A. or B.Sc. of the University
of Madras.
- (ii) The Teachers' Certificate ^{or} Diploma for persons
engaged in the training of teachers awarded
by the National Froebel Union, England and
- (iii) teaching experience for a period of not less
than three years. attained age 25 years

Miss E. Lazarus, Lecturer in Kindergarten, Lady Willingdon Train-
ing College, Madras, retired from service on 8th September 1947
and was re-employed for a period of one year from the date of
re-employment, but she requested for relief at the end of March
1948 and the post has to be filled in by a suitable qualified
person.

2. I now consider that the qualifications prescribed above
for the post of Kindergarten Lecturer do not exactly apply to the
post at present for the following reasons:-

- (i) The syllabus in Primary Education for the B.T.
course has been revised, shifting the emphasis
from a thorough knowledge of Froebel methods to
a general knowledge of methods of Child Study
and Child Education.
- (ii) The abolition of the teaching of English in the
Primary classes has shifted the emphasis from
adoption of methods followed in English schools
to Indian conditions to direct experimentation
in the teaching of all subjects to Indian child-
ren, following the general principles of Child
Education.
- (iii) The present B.Ed. syllabus lays emphasis on
Primary Education and not on Kindergarten.

3. It appears, therefore, necessary to revise the qualifica-
tions prescribed for the post of Lecturer in Kindergarten if the
Government approves of my recommendations, I shall submit suitable
amendments to the rules.

Copy of letter C.No.101/47A dated 18-3-47 from the Principal, Lady Willingdon Training College, Madras to the Director of Public Instruction, Madras.

Sub: The post of a Kindergarten Lecturer in Lady Willingdon Training College.

I request leave to submit the following points. Miss Lazarus who is now holding the post, is due to retire in September 1947. The original qualifications prescribed for the post do not apply wholly now due to the following changes.

1. The syllabus in Primary Education for the B.T. Course has been revised, shifting the emphasis from a thorough knowledge of Froebel methods to a general knowledge of methods of Child Study and Child Education. Sections IV and V and VIII in the revised syllabus emphasize this. (vide annexures - the old and the revised syllabus).

2. The abolition of the teaching of English in the Primary classes has shifted the emphasis from adaptation of methods followed in English schools to Indian conditions, to direct experimentation in the teaching of all subjects to Indian children, following the general principles of child education.

3. The new syllabus lays more stress than the first upon knowledge of the child in pre-school years and methods to be followed in Nursery schools.

I submit that a Froebel Teachers' Certificate is not necessary and the qualifications for the post may be changed. I wish to point out that in this college, the post carries some administrative responsibility as well, the staff and administration of the primary department is directly under the Kindergarten Lecturer; hereafter when the new Nursery Training section is opened, that too will be placed under her. Thus the Lecturer in Kindergarten will have to exercise a general supervision over --

1. The primary department (Tamil & Telugu sections) with secondary grade teachers.
2. The Nursery school.
3. The Nursery training section under an school assistant.
4. She will have to lecture to the B.T. students on Primary Education according to the revised syllabus.

I submit it is essential that her academic qualifications should be higher than the possession of a mere degree. She should hold a degree in training (preferably the M.Ed. as the course gives additional knowledge of theory of education and psychology and school administration). She must have specialized in Child Education (either B.T. Primary Education and Montessori Training or a Froebel Certificate). She must know Tamil and/or Telugu and she must have the original requirement of at least 3 years teaching experience in a Training institution.

If such qualifications are not found in those applying, the vacancy may be filled with the best person available for the post from those in Govt. service and a proper person trained. A Lecturer with experience is absolutely necessary.

A temporary arrangement of this kind is preferable to the recruitment of some one not fully qualified or experienced.

(not read so far)
I have the honour to state that a draft of the amendment to be made to the Special Rules for the existing qualifications for the post of Kindergarten Lecturer in the Women's Branch of the Madras Educational Service will be submitted separately.

2. Miss C.D. Kanthimathi was sent to United Kingdom in October 1947 for higher studies in "Nursery Education" and when she returns she can be appointed as Lecturer in Kindergarten in the Lady Willingdon Training College, Madras, but it is understood from her father that she desires to go to America for further study. It is not desirable to keep the post of Kindergarten Lecturer, Lady Willingdon Training College, Madras, vacant till then.

3. I, therefore, propose that pending the appointment of a regular candidate to the post of Lecturer in Kindergarten and pending the amendment of qualifications, the post of Kindergarten Lecturer, Lady Willingdon Training College, may be filled under emergency powers. There is no other equally or better qualified candidate than Miss C.P. Kamakshi Amma in the department to be considered suitable for appointment to the post of Kindergarten Lecturer. I, therefore, request that Miss C.P. Kamakshi Amma, School Assistant, Lady Willingdon Training College, who already commenced her probation in the Madras Edl. M.E.S.--Post of Kindergarten Lecturer--Filling of vacancy, and amendment of qualfns.

Miss E. Lazarus, Kindergarten Lecturer, L.W.T. College attained the age of superannuation on 8-9-47. The methods of recruitment and the qualfns. prescribed for the post ^{are} as follow:-

Methods of appt.

- (i) Recruitment by transfer from the Sub-Asst. Inspectresses, or School Assts. and Headmistresses, in the M.E.S.S.; or
if no suitable and qualified person is available for appt. by such transfer, direct recruitment; or
other
- (ii) Transfer from any category in the Professional Secn. of the Women's Branch of the M.E.S.

Qualfns.

- (i) B.A. or B.Sc. degree;
- (ii) Teacher's Certificate or the Diploma for persons engaged in the trg. of teachers awarded by the National Froebel Union, England; and
- (iii) Teaching expce. for a period of not less than 3 years.

Not even a technically qualified candidate was available in the Subordinate Service for 'appt. by transfer' or in the Professional Section of the M.E.S. for 'transfer', as the case may be. The M.P.S.C. was therefore asked, in the beginning of 1947, to advertise the post for direct recruitment. It reported that none of the 9 ~~applicants~~ persons who applied in response to its advtt. was qualified. Therefore, Miss Lazarus herself was re-employed for a period of one year from 8-9-47.

2. In the estimate for selection of direct recruits for the M.E.S., sent to the Commission in Novr. 1947, again, it was asked to ~~re~~ re-advertise the post and publish the notfn. in some newspapers of other Provinces too. It took action accordingly.

3. In the meantime, Miss Lazarus requested relief from 4-3-48 and her request has ~~also~~ been conceded.

4. The Commission has now reported that this time also none of the 6 candidates who had applied for the post, possess the teachers certificate or the diploma of the National Froebel Union, England, or a qualfn. equivalent to it. ^{such certificate or diploma} Alternative arrangements for filling the post have therefore to be made. Anticipating such a result of the advtt. and anticipating ^{further} that it is not possible to get the services of
