No. 34-D-VII/48-2, dated 8th January 1947

Sir,

Sub:- Exhibition - Fifth session of the Central Advisory
Board of Archaeology - Exhibits from the Madras Record
Office - Display - Proposals.

The Superintendent, Archaeological Survey of India, Southern Circle, has requested me to send some historical exhibits from this office in connection with the fifth session of the Central Advisory Board of Archaeology, Government of India, and the opening of a permanent Fort Museum at Madras on 31st January 1948. He states that the exhibits are required only temporarily. As the exhibition is being held in Madras the risk of damage involved in sending any exhibits from Palmaner and Chittoor, where most of the interesting exhibits of this office are now kept, is not great. And considering that the exhibits are required in connection with a function like this I beg to recommend that I may be permitted to send some documents, wax seals, etc., of historical interest. Of course a clerk of this office will accompany the exhibits to Madras and back to see that they are not damaged in transit or at the time of the exhibition.

-2-

2. In regard to the expenditure connected with the despatch of the exhibits to Madras the Superintendent, Archaeological Survey, Southern Circle, states that, as the museum which is proposed to be opened is a Government museum, the question of the expenses of transporting the exhibits, the travelling allowance and daily allowance of the clerk who accompanies them, does not arise. In view of this and in view of the fact that the expenditure is not likely to exceed Rs. 60/- the question of expenditure need not perhaps be raised. It may be borne by this office.

3. As the matter is very urgent I beg to request that early orders may kindly be passed on this letter.
