Sir,

SUB:- Queen Mary's College, Madras = Opening of new courses in 1948--49.

***

1. In connection with Part II Schemes for 1948--49, I have the honour to request that Government may kindly sanction the opening of the following courses of study in the Queen Mary's College, Madras with effect from 1948--49.

(1) B.A. Mathematics I.A and II.A.
+ (2) B.A. Psychology; and
(3) B.A., Tamil.

A (1) B.A. Mathematics:- The question of affiliating the college in B.A. Mathematics in Group I.A and II.A was considered in 1945 but as there was no great demand for the subject it was deferred - [please see this office U.O. reply No.1010-A/45 dated 1st October 1945 to Government U.O. Note No.40267 C/45-1 Education, dated 11th September 1945.] In order to have diversified courses, the opening of B.A., Mathematics may be sanctioned. There is already a Lecturer in Mathematics in the college and so in the first year, an Assistant Lecturer in Mathematics only need be sanctioned. When the second year class is opened in 1949--50, another Assistant Lecturer will be necessary. As regards equipment an initial expenditure of Rs.2,000/- (Rs.1,500/- for furniture and Rs.500/- for books) will be required. About 20 students may be expected to offer each of the branches and the anticipated fee income in 1948--49 and 1949--50 will be Rs.7,350/- and Rs.14,700/- respectively.

+ D (2) Psychology:- There is a great demand for this subject at present. The graduates in Psychology may be trained to be teachers of defective children and underdeveloped and backward children and for social and child guidance work. I recommend that the college may be affiliated in the subject both in the Intermediate and B.A. Classes. About 10 students may be expected to offer the subject in each of the Intermediate and B.A. Classes. The anticipated fee income will be Rs.3,263/- in the first year and Rs.6,526/- in the next and subsequent years. No additional staff to teach the subject in the Intermediate Classes will be required as the existing Assistant Lecturer can do the work. For the B.A. Classes, one Lecturer in 1948--49 and another Assistant Lecturer in 1949--50 will have to be appointed. A non-recurring expenditure of Rs.1,000/- (Rs.500/- for furniture and Rs.500/- for books) will be required, with an annual grant of Rs.250/- towards the purchase of library books.

B. (3) Tamil:- With the increasing importance attached to the study of regional languages at the present time and the need for qualified graduates in these languages to teach them in Secondary Schools, it is necessary to provide facilities for securing a large number of language Graduates from Government Colleges. In the current year, Governm

B. Government have sanctioned the opening of Group V Tamil in the Government College, Kumbakonam. As it is necessary to secure women graduates in Tamil, it is necessary to affiliate the Queen Mary's College in this subject. Provision may be made for the admission of 10 students. The anticipated fee income will be Rs.1,838/- in the first year and Rs.3,676/- in the second and subsequent years.

Staff:- One Assistant Lecturer in Tamil in 1948--49 will be necessary. There is already a Lecturer in Tamil in the college.

Equipment:- A sum of Rs.300/- for the purchase of books will be required.

B/25-26 c.f

2. In G.O.No. 882, Education, dated 13th June 1945 Government sanctioned the employment of an Assistant Lecturer in Logic and English in the college. I recommend that the post be separated as it has not been found possible to secure the services of any graduate qualified to teach both the subjects. I suggest that the present post may be continued as an Assistant Lecturer in Logic and that a separate Assistant Lecturer in English be sanctioned. I consider that instead of a Tutor in English, an Assistant Lecturer will be more useful as the strength of the college with the opening of the new subjects referred to above will increase. 'C

3. With the increase in the number of students in the Intermediate classes, the work of the Physical Directress of the college has become too heavy to be managed by one person. I request that a Physical Training Instructress in Grade I with the scale of Rs.50--2--70--2½--95 may kindly be sanctioned.

A/1-2 c.f.

A/3-4 c.f.

4. In my letter R.O.C.No. 691 K.2/47 dated 28th July 1947 disposed of in G.O.No.1778, Education, dated 8th August 1947, I recommended the employment of 2 attenders for the Physics and Chemistry Laboratories of the college. In para 3 of the order, Government wanted a greater justification for the proposal. With the introduction of practical examinations in Science subjects from the current year, the work of attenders in setting up apparatus and preparing experiments has increased considerably and the existing number are unable to cope with the work. I request that the employment of 2 attenders one for Physics and another for Chemistry Department may be sanctioned.

C/1-3 c.f.

Sir,

In my letter Roc.1304 K2/47 dated 27-9-47 submitting proposals for the opening of the above subjects in the College during 1948-49, provision was made only for 2 Assistant Lecturers in Mathematics (One in 1948-49 and the other in 1949-50) and One Assistant Lecturer in Tamil in 1948-49. The University Commissioner who inspected the College has recommended the appointment of a demonstrator in physics for the students of group Grade II(a) who have to do 2 hours of Practical Physics a week. It is found from the report that for want of accommodation in the laboratory these students have to be taken separately for Subsidiary Physical Practical and that to cope up with the work a separate Demonstrator is necessary. The Principal

19611

21887

P.T.O.

states that this extra work cannot be managed by the existing staff as they have already enough work. Hence the employment of a Demonstrator in Physics may be sanctioned from the beginning of 1948-49.

/A

2) In regard to Tamil, only one Assistant Lecturer was recommended as the Principal proposed only one additional member. It was also thought that the extra work consequent on the opening of the group would be managed by the existing staff of one Lecturer and Pandit and the new Assistant Lecturer. The Commissioner in his report states that when the Senior B.A. Class in Tamil was opened in July 1949 there would be need for another member on the staff. I therefore request that Government may kindly sanction the employment of an Assistant Lecturer during 1949-50.

p1-3 c.f. C. no. 77313 from the D.P.I. No. 1304-K2/(47) dated 27.9.47.

p1-3 c.f. The proposal is to open Mathematics I.A. and II.A. and Tamil groups in the B.A. classes and Psychology group in both the Intermediate and B.A. classes of the Queen Mary's college, Madras from 1948-49. The need for opening these classes is explained in the D.P.I.'s letter.

2. The additional staff required as a result of the proposal is as follows:-

1948-49

		Rs
para 1 (1) on p1 c.f.	1 Asst. Lecturer in Mathematics.	125-240 + Rs 5 for L.T.S.
para 1 (2) on p1 c.f.	1 Lecturer in Psychology	230-700

(Sanctioned in G.O. 882 Edn. dated 13.6.45) in Logic and English may be separated, as it has not been possible to secure the services of a person qualified in both. The present post is to be retained as an Asst. Lecturer in Logic and a new ~~the~~ post of Asst. Lecturer in English sanctioned. The proposal may be accepted.

(B)/25 para 2 on p 2 of

6. The request for a Physical Training Instructress, grade I in the scale of Rs. 50-95 may also be conceded.

para 3 on p 2 c.f

7. W.r.t. para 3 of G.O. No. 1778 Edn. dated 8.8.47, the D.P.I. has explained the need for the employment of two addl. attenders in the Physics and Chemistry laboratories of the College. The proposal may, in the circumstances, be accepted.

(A)/4 para 4 on p 2 of

8. All the above proposals are for consideration as a Part II scheme for 1948-49. The remarks of Finance may be invited u.o.

Part II scheme for 1948-49

Queen Mary's college, Madras. - opening of new courses.

The D.P.I. has submitted proposals for the opening of the following courses of study in the Queen Mary's college, Madras.

(a) B.A Mathematics
(b) B.A and Inter. Psychology
(c) B.A Tamil.

The following addl. staff has been proposed.

(a) (1) Lecturer in Psychology 1
(b) Asst. Lecturer in Psychology 1
(c) " " Maths. 2
(d) " " Tamil 1
(e) " " English 1
(f) (2) One Physical Training Instructress on Rs 50-95
(g) (3) Two Attenders.

Sub-para (1) p.1 c.f

Regarding mathematics group, the D.P.I has stated that it has been proposed in order to have diversified courses. Regarding Psychology he has stated that there is a great demand for this subject at present. As regards Tamil he is of the view that with the increasing importance attached to the study of regional languages at the present time and the need for qualified graduates in these languages to teach them in secondary schools it is necessary to provide facilities for securing a large number of language graduates from Govt. colleges. [It is doubtful whether the reasons furnished by the D.P.I will be deemed sufficient to treat the proposals as 'essential' under G.O No 577 Fin. dated 1-8-47. However in view of the fact that the fee income more than covers the expenditure on additional staff the proposal may be accepted in general.

2) The following remarks are however called for on the details.

pp. 25-26 c.f of (B)

one Asst. Lecturer in English: In G.O No. 882 Edn. dated 13.6.45, the post of part-time ~~Asst.~~ Lecturer in Logic ~~English and a post of tutor in English were~~ was abolished and a post of Asst. Lecturer in English and Logic was created. This was done because with the increase in the number of admissions

A

in the college, the necessity for strengthening the English depth. in the college arose; besides, a qualified part-time Asst. Lecturer in Logic did not stick ~~up~~ to the post. Now that the strength of the college is proposed to be increased further, the necessity for an additional Asst. Lecturer in English may be conceded. It may however be pointed out that if the present post of Asst. Lecturer in English and Logic is converted into a post of Asst. Lecturer in Logic only, the holder of the latter post may not have enough work because the teaching of Logic was ~~done~~ previously done only by a part time Asst. Lecturer in Logic. Finance may therefore advise that the existing post may be converted into a post of part time ~~po.~~ Asst. Lecturer in Logic and an addl. post of Asst. Lecturer in English sanctioned.

pp. 19-20 c.f. of (B)

with the introduction of psychology in Inter & B.A, there will presumably be more teaching to be done in Logic also and a whole time lecturer will probably be necessary.

Finance may concede the need for this post. E.P. H may ~~[illegible]~~ however ask DPI to give an idea of the number of ~~[illegible]~~ ~~[illegible]~~ work per week proposed lecturer will have.

Physical Directress. The D.P.I has stated that with the increase ~~of~~ in the number of students in the ~~college~~ Intermediate classes the work of the Physical Directress of the college has become too heavy to be managed by one ~~[illegible]~~ person. E & P.H may be requested to ascertain the total strength of the Intermediate classes and examine the proposal with reference to certain other Govt. institutions.

Two Attenders. There are at present 3 Attenders in each of the Physics and chemistry laboratories. The necessity for 2 more Attenders has been explained in para 4 on p. 2 c.F. The D.P.I may be asked to explain in detail how with the introduction of practical examinations in science subjects from the current year, the work of the existing Attender has increased.

Please see the orders in circulation on the previous page. The Director had asked for two separate Asst Lecturers one in English and ~~of~~ one in Logic in the place of the combined Asst. Lecturer for Logic and ~~English~~ English. The Fin dept agreed to the proposal as with the introduction of Psychology there would presumably be more teaching to be done in Logic also and a whole time Asst Lecturer would possibly be necessary. 1 2 c.f.

In connection with the Part II schemes for 1948-9 the D.P.I proposed the opening of (1) B.A.Mathematics (2) B.A and Inter Psychology and (3) B.A. Tamil in the Queen Mary's College and the employment of the following additional staff

(1) Lecturer in Psychology	1
(2) Asst.Lecturer "	1

(5) Asst.Lecturer in English	1

para 2 p 1 c.f.

para 1 p 1 c.f.

B on p 2 c.f.

C on p 2 c.F

However it was decided in circulation that B.A.Mathematics and B.A. Tamil may be introduced in 1948-9 and that the proposal for the opening of B.A and Inter ~~Physx~~ Psychology may be deferred. The same has been accepted by the S.F.C. also. The staff required is that specified in the note on Part II scheme on p 7 c.f.

2. In his original proposal for the opening of the above courses ~~[illegible]~~ the employment of ~~two~~ two Asst.Lecturers ~~[illegible]~~ one in English and one in Logic in the place of combined Asst. Lecturer for Logic and English was ~~postponed~~ proposed. The Department then considered that ~~xxxxx~~ with the introduction of Psychology in Intermediate and B.A. there will presumably be more teaching work to be done in logic also and that a whole time lecturer will probably be necessary for logic also

C on p 2 c.f.

S on p 4 above

The E.P.H.Dept. was asked to get from the D.P.I. an idea of the number of the hours of work per week which the proposed lecturer will have. E.P.H however considered that since psychology is not to be ~~ax~~ introduced with reference to the orders in circulation, there may not be justification for sanctioning separate Asst.Lecturers for logic and English and that the D.P.I, may be asked specifically about the point later.

The E.P.H has accordingly asked the D.P.I. after the note for Part II scheme was despatched, The D.P.I states that it is ~~not~~ necessary to separate the existing combined post of Asst.Lecturer in logic and English and that an additional Asst.Lecturer in English may be appointed, retaining the present post of Asst.Lecturer in logic. The reason for the proposal is that it has not been possible to secure the services of a person qualified to teach both English and logic and that the existing incumbent is not eligible for appointment as Asst. Lecturer or Tutor in the English department and that the further opening of new subjects in Mathematics and Tamil will increase the work of the English Department.

The position is that as it has not been possible to secure the services of a person qualified to teach both English and logic and there is at present only an Asst.Lecturer in logic, a separate Asst. Lecturer ~~in~~ or Tutor in the English department is now necessary and this work has been managed so far with the help of other members in the English department and this is not now possible. If the position is as stated above, this Dept. may agree to have a separate Asst.Lecturer in English. The extra cost involved will be Rs 2,940 p.a. The addl post may be for one year.

The proposals in the file relates to the employment of one Demonstrator in Physics and one Assistant Lecturer in Tamil, in the Queen Mary's College, Madras. The extra cost involved is Rs. 4,600 p.a.

Employment of a Demonstrator:- This proposal has been supported for the reason, that the University Commissioner, who visited the College, has recommended the appointment of a demonstrator in Physics for students of ~~Group~~ Group II(a). It is also stated that, for want of accommodation in the Laboratory, these students have to be taken separately for subsidiary ~~Physical~~ practical Physics and that, to cope up with

(A) 12

with this work, a separate Demonstrator is necessary. It is stated that students of Group II(a) have to do 2 hours of Practical Physics. It is not known whether this two hours of practical work cannot be looked after by one of ~~adjusted amongst~~ the existing staff of demonstrators or Asst lecturers. E & P.H. may be requested to get information from the Director of Public Instruction regarding the number of students in the various classes in Physics Department(both main and subsidiary), the number of hours of practical work per week for each set, and the existing number of Demonstrators and Assistant lecturers in Physics, in the Queen Mary's College.

The necessity for this post may be accepted.

D

Employment of an Assistant Lecturer in Tamil. This is supported for the reason that the University Commissioner has stated in his report that when the Senior B.A. Class in Tamil is opened in July 1949, there would be need for another member on the staff. The existing staff in the Tamil department consists of 1 Lecturer, ~~assistant~~, one Pandit, and one post Lecturer from 48-49(This post was sanctioned in connection with the opening of B.A. Tamil from 1948-49). From para 2 of the Director of Public Instruction's letter on p.2 C.F. it is observed, that in connection with the opening of Tamil in B.A.Class from 1948-49, the post of one Assistant Lecturer in Tamil alone was proposed for employment for the reason that the consequent extra work would be managed by the existing staff. At any rate there does not seem to be any real necessity for ~~the~~ an additional Assistant Lecturer in Tamil in 1949-50. If however, it is considered necessary, the Director of Public Instruction may be requested to furnish ~~similar~~ particulars regarding the number of hours taken for each class per week ~~as at 'A' above~~.
