No. F.20-35/46-P.
GOVERNMENT OF INDIA.
MINISTRY OF EDUCATION.
New Delhi 3, the 6th April, 1948. (2)

Subject:- Post-War Educational Development Schemes.

Dear Secretary,

It is now for over 2 years that the Provincial Governments have been implementing their Educational Development Schemes. Experience has varied from province to province and it is felt that common pooling of such experience would be of benefit to the common end in view. Till now, however, the only means by which this Ministry have kept themselves informed of the progress of these schemes has been the Annual Progress Reports sent by the Provinces to the Development Board of the Government of India after the expiry of the financial year.

25921

This Ministry are anxious to have information of progress of the Provincial Educational Schemes both in greater detail and during the course of the financial year. This alone would enable them to pass on promptly to the other Provinces the experience gained by any particular Province. You will, I believe, agree that at this experimental stage it is essential that every Province should know the achievements of other Provinces. As this information can be best disseminated by the Centre, I would suggest that officers of this Ministry may visit the Provinces at least once in six months and collect firsthand information. This personal contact, apart from securing the required information, will also expedite the process of according approval to the Provincial Schemes, by minimising the delays caused by discussion through correspondence.

I trust you will agree with this view and convey the concurrence of your Government at an early date.

Yours sincerely,

M.V. Subramanian Esq., I.C.S.,
Secretary to the Govt. of Madras,
Education & Public Health Deptt.,
MADRAS.

Hand
SECRETARY.

Sir,
Post war Edl. Development schemes.
Ref your letter no: 20-35/46-PD, 6.4.48

I am directed to say that this Govt accept the suggestion contained in para 2 of your letter cited above, namely, that officers of the Ministry of Edu should visit the Province at least once in six months and collect first hand information about post war Edl Development schemes under execution in the Province.

Please see the letter from the Govt of India ^{A.} on page 1 ante. One of the conditions laid down by the Govt of India for payment of grants for post war schemes is that facilities should be given ^A to the representatives of the Govt of India to keep in touch with the development and progress of schemes should they so desire. There seems to be no objection therefore to accepting the suggestion at A on the previous page. The Govt of India will of course give previous intimation of these visits and the necessary programme can then be settled in consultation with the D. P. S. Dev and Mr ~~Chand~~ may see before circulation.
