Sir,

Subject: Arrears of personal pay from 1-7-1934 to 31-12-1939.

We beg to submit the following appeal for your kind consideration and necessary action.

While fixing the initial pay of the teachers under the Trichinopoly District Board at the time of introduction of the revised scales of pay with effect from 1-7-1934 we the undersigned teachers were adversely affected. On representations made, Government in their memo M.S.52-Edn. and public health dated 12-1-1940 approved the re-fixation of our pay as from 1-7-34 and ordered that the excess over the maximum of the revised scales which was disallowed should be paid as personal allowance. The Trichinopoly District Board in its R.C.4455/391-B-6, dated 6-4-40 granted the personal allowance with effect from 1-4-1940 and promised to pay the arrears for the period 1-7-34 to 31-12-39 after obtaining the sanction of Government.

These arrears have not so far been paid to any of us in spite of repeated representations.

The total liability to the Government or the District Board in this respect will be only Rs.6732 at the rate of Rs.1224 per annum. This amount will go to give relief to the families of 44 poorly paid elementary school teachers.

Sir,

Subject: Education- Elementary- Establishment- Arrears of Personal pay due from 1/7/34 to 31/12/1939- Report submitted.

Reference: Letter dated 19/10/47 from the President, Trichinopoly Teacher's Guild Trichinopoly.

ii) Endorsement No.86427 B2/47-1 dated 1/11/47 from the ~~Secy~~ Director of Public Instruction, Madras.

iii) Endorsement No.86427 B2/47/-1 dated 4/11/47 from the Secretary to Government of Madras, Education Department.

As per instruction issued in G.O.No. 2504 L and M dated 23/5/34, the revised scales of pay to Elementary school teachers were adopted from 1/7/1934 as per District Board Resolut No. 186 dated 30/6/1934 disallowing the excess over the maximum in the revised scales as recommended by the District Board Standi Committee appointed for the purpose. On a remark in para 7 of the audit report of this Board on the Elementary Education funds accounts for 1935-36 that the principles laid down in G.O.749 L & dated 25/2/35 had not been observed in fixing the pay of the teachers, the Government in their M.S.1559 Education dated 2/7/38 and M.S. 52 Education dated 12/1/1940 ordered that the excess over the maximum should be paid as personal allowance when the pay of the teachers was fixed in the revised scales. The District Board in its resolution No, 1782 dated 27/3/40 (copy enclosed) sanctione the payment of the excess over the pay drawn by the teachers as personal allowance from 1/7/34 but payment was made only from 1/1/40 as decided by the Board and the arrears due from 1/7/34 to 31/12/39 were held over for payment at a later date after obtaining the sanction of Government and after providing the required funds in the next revised budget. There were about 45 teachers then in service who were eligible for the arrears of pay and the total amount required for the payment of the arrears from 1/7/34 to 31/12/39 was estimated to cost Rs.7260/- The Board finding itself unable to meet this extra expenditure subsequently, dropped the question of payment of the arrears in its Resolution No. 763 dated 19/9/41. A copy of the same is enclosed for information. The arrears have not been paid till now. The request made in the letter of the President, of the Trichinopoly District teachers' Guild is for the payment of the arrears of personal allowance.

Though the revised scales of pay were introduced from 1/7/34, no increments were paid to them till the end of 31/3/42 and their pay was suitably raised from 1/4/42 as per orders in para 6 of G.O. No.802 Education dated 30/5/42. The personal allowance paid to the teachers from 1/1/1940 was also taken into account while raising the pay of teachers. The financial position of the Elementary Education funds has in no way improved and it will not be possible to pay the arrears even now in view of the

of the revision of pay and grant of advance increments ~~xx~~ to teachers as per G.O.No.1154 Education dated 5/6/47 and G.O. Mos. 2035 Education dated 19/9/47.

In resubmitting the Government Endorsement 86427-B2/47 dated 4.11.1947 together with the remarks of the Special Officer, District Board, Trichinopoly in his letter F.Dis. 26-24843/47 dated 24.11.1947, I have the honour to state that the arrear claims are due to the payment of personal allowances of certain teachers in District Board, Trichinopoly for the period 1.7.34 to 31.12.1939. The District Board pleads its inability to pay the arrears which is estimated to Rs.7,260/- due to poor financial position of the District Board. p119 (V)

In G.O. No. 52, Edn. dated 12-1-40, the Govt. issued orders to the effect that teachers, who were drawing on 1-7-34 pay higher than the maximum of the revised scales of pay introduced in 1934, should be granted a personal pay equal to the difference between the maximum of the revised scales of pay and the pay which the teachers had already received ~~as personal pay to protect them from loss of emoluments.~~ Representations have been made. It is observed that the President of the Dt. Board, Trichinopoly, granted personal pay to the teachers only from 1-1-40 and not from 1-7-34 as ordered in the ~~above~~ G.O. It is reported that the arrears of personal pay for the period from 1-7-34 to 31-12-39 were not paid on account of paucity of funds. The Govt. consider that ~~in so far as the teachers are concerned,~~ the arrears of personal pay due to the teachers for the period from 1-7-34 to 31-12-39 should be at least paid now.

pp21-22 c.f

The Spl. Officer is accordingly requested to arrange for the payment of arrears of personal pay as already ordered in the G.O. cited.

To The Secretary to Government,

Sir,

Subject: Education- Elementary- Payment of arrears of Personal pay from 1/7/34 to 31/12/39 to some of the Elementary School- teachers-

...

The Government in their order quoted above have ordered to make payment of the arrears of personal pay to the teachers for the period from 1/7/34 to 31/12/39. But I have to say that even now the financial position of the Elementary Education funds is not satisfactory and the budget for the current year has closed with a minus balance.

Hence it will not be possible for the District Board to pay the arrears of pay to the teachers for the above period.

Attention is solicited to the notes on pp.9-10 and ~~in~~ the order on page 11 of G.O. No.52, Education, dated 12-1-40. In that G.O. it was ordered that teachers who were drawing prior to 1-7-34 pay higher than the maximum of the revised scales of pay introduced in 1934 should be granted ~~as personal pay~~ the difference between the maximum of the revised scales of pay and the pay which the teachers had already received as personal pay to protect them from loss of emoluments. The President, Dt. Bd., ~~Trichy~~ Trichinopoly, granted personal pay to the teachers with effect from 1-1-40 and not from 1-7-34 the date of introduction of revised scales of pay. It is seen from the current file that 44 teachers became eligible for personal pay with reference to the orders of the Govt. The President, Dt. Teachers' Guild, Trichinopoly, requests that the teachers in question should be granted arrears of personal pay due to them for the period from 1-7-34 to 31-12-39. The expenditure involved has been estimated at Rs.7260/- . The Spl. Officer says that the position of the E.E. Fund will not admit of the additional expenditure.

(U) pp17-18 c.f. p1 c.f. para 10 of p21 c.f. M

From the President's letter on pp 37-39 c.f. of G.O. No. ~~1~~432 Edn. dated 7.7.47 , it will be seen that there will be ~~a~~ sufficient surplus in the E.E. Fund Account. for meeting the expenditure involved. The only question is whether the teachers should be allowed the arrears of personal pay after a period of over 6 years The expenditure involved is only of a non-recurring nature. For orders whether the claims of the teachers should be ~~allowed~~. admitted. L.A. may see.

Secretary.

'A' in Secretary's note:

With reference to 'R' on page 23 c.f. it is submitted that the elementary education fund budget as approved by Govt. closes with a surplus of Rs.45,000/-. Please see page 31 c.f. of 'c'. Further the Special Officer has reported that against a sum of Rs.38,000/- adjusted from General Funds ~~into~~ to the elementary education fund -'c' 39 c.f.- only a sum of Rs.11,800/- will be required for meeting the net additional expenditure on revision of salaries. Hence, there will be a balance of Rs.26,200/- available in the elementary education fund.

'B' in Secretary's note:- Under Section 67 (3) of the Local Board's Act, the Govt. have power to fix the salaries, etc., of teachers. The Govt. fixed the salaries of teachers under District Boards in 1934 and in G.O. No.749, L.A., dated 25-2-35, they laid down certain principles to be followed in fixing the initial pay of teachers under the Board in the revised scales of pay. Please see also G.O.No.52, Education, dated 12-1-1940. The Dt. Board, in spite of repeated representations, did not grant the personal pay admissible under these instructions. Under Section 41 and 42 of the Local Boards Act, the Govt. have power to take necessary steps for the execution of the orders issued by the Govt. It does not, however, seem necessary to follow the procedure prescribed in this section in the present case. L.A. may, however, be consulted.

Please see the note of EP-H. on pp 1-2 ante.

In as much as the E.E. Fund Budget is reported to be working with a surplus of Rs 45,000 and as the expr. in question is of a non-recurring nature, this Dept. need not object to the teachers under the Trichinopoly Dt. Bd. being paid the arrears of pay for a period of over 6 years. (amounting to Rs 7,260)

1-1-34 to 31-12-39

With refr. to 'B' on p 2 ante, it may be stated that as the Collr. of Trichinopoly is the Special Officer ~~is in~~ charge of the Bd., the course prescribed in Sections 41 and 42 of the M.L.B. Act 1920 seems unnecessary. It will be sufficient if he is asked to pay the arrears in question.

Sir,

2. Government Memo No.28973-B2/49 d/ 7--5--49.
3. District Board resolution No.600 d/ 16/8/49.

As instructed in G.O.No.2504 L & M., dated 23/5/34, the revised scales of pay were adopted under this Board from 1/7/1934, and the Board decided to disallow the excess over the maximum pay drawn by the Teachers while re-fixing the pay in the Revised scales.

2. The Government in their above orders, have instructed to pay the excess thus disallowed as arrears of Personal ~~all~~ pay to teachers in elementary schools from 1/7/1934 to 31-12-1939, as the personal pay due from 1/1/1940 has been paid as per orders in G.O.No.52 Education and P.H., dated 12/1/1950.

p234

3. Accordingly, payment of the arrears of personal pay was sanctioned in D.B.R. 600 dated 16/8/1949. Claims from teachers who have by this time retired, resigned or died are now received for the ~~teachers~~ of the personal allowances due to them. In some cases payment has also been made to the respective teachers or to their legal heirs as the case may be, as they were in service from 1/7/1934 to 31/12/~~1949~~ 1939.

4. As a doubt has arisen as to whether the personal allowances due to the teachers who are not in service could be paid now, I request you to enlighten me as to whether payment could be made now to those who either ~~have~~ retired, resigned or died.

2. Attention of the Government is invited to G.O.Ms.52 Education dated 12-1-1950, G.O.Ms.1153 Edn. dated 7-5-48 and Government Memo.28973-B.2/49-1-Edn. dated 7-5-1949, wherein Government issued instructions regarding the payments of arrears of personal pay due from 1-7-1934 onwards in respect of Elementary School Teachers of Tiruchirapalli District Board if such teachers were previously drawing pay more than the maximum in the revised scales of pay. Claims from teachers who have by now retired, resigned or died are reported to have been received by the President and in some cases payment has also been made to the respective teachers or their legal heirs, as the case may be, as they were in service from 1-7-1934 to 31-12-1939. A doubt has been raised now as to whether such payment could be in order.

3. The above Government order would appear to contemplate the payment of arrears of personal pay to those who are in service. The payment of arrears should have been made immediately by the Board, but it was reported that the Government Orders were not implemented by the District Board due to paucity of funds and this fact necessitated further instructions to the District Board contained in G.O.Ms.No.1153 Edn. dated 7-5-1948.

P.T.O.

: 2 :

3. It would therefore appear to be reasonable to admit the claims, after scrutiny, preferred by the teachers who have resigned or retired by now. But in the case of teachers who have died, specific cases of claims from the established legal heirs alone may be examined and dealt with, if considered necessary, as the arrear claim preferred relates to the period from 1-7-34 to 31-12-1939. As the President, District Board reports that in some cases payment has already been made, such cases need not be re-examined even if further instruction are issued in the matter.
