From: D. Padmanabhan Esq., I.C.S., Superintendent of Stationery, Madras at Guindy, Madras.15. To The Secretary to Government, Education and Public Health Department, Madras.

No.S.K.8912/47 dated 9-4-48

Sir,

Stationery-Paper litho Double Royal 75 lbs and Litho Quad Crown 90 lbs--Damaged by white ants--Cost-Write off- Requested.

During the last stock taking, 1947-48 i.e., in the months of August and September 1947, the Stock Taking Officer found that 13 reams out of 204 reams of Litho Double Royal 75 lbs and 28 reams out of 60 reams of Litho Quad Crown 90 lbs. were damaged by white ants. These damaged papers were sent to the Superintendent, Government Press, Madras, to have them cut to the maximum possible sizes, which can be used. Accordingly, the Superintendent, Government Press has cut the above varieties to all possible sizes with the result that 6 reams and 4 sheets in Litho Double Royal 75 lbs and 16 reams and 433 sheets in Litho Quad Crown 90 lbs. were cut to different sizes for being used to the best possible advantage. Thus the net quantity of paper thrown out as waste in Litho Double Royal 75 lbs. and Litho Quad Crown 90 lbs. comes to 6 reams and 496 sheets and 11 reams and 67 sheets respectively.

The cost of the damaged Litho Double Royal 75 lbs. and Litho Quad Brown 90 lbs paper works out to Rs.863-1-4 and Rs.1649-4-3 at Rs.123-7-0 and Rs.148-2-0 per ream respectively.

The damage is mainly due to the dampness and the unsuitability of the zinc sheds now under the occupation of Stationery Stores at Guindy and the responsibility for the damage cannot be fixed on any one. Paper bales are stocked on wooden horses. Tar, Kilkil and D.D.T. are being used liberally. In spite of the precautions taken to prevent ravages by white-ants, such loss occurs. This can be avoided only when the Stationery Stores specially constructed for the purpose at the First Line Beach, Madras is returned back.

In the circumstances, it is requested that Government may be pleased to write off the account Rs.2,512-5-7 or Rs.2,512-6-0 in round figures, being the total value of 6 reams and 496 sheets of Litho Double Royal 75 lbs. and 11 reams and 67 sheets of Litho Quad Crown 90 lbs. paper damaged by white-ants and subsequently thrown out as waste.
