Overseas scholarships - 1945-46.

Read again:- G.O.No.602 Edn., dated 16-3-46.
Read: From Mr.T.N.Venkataraman, Tiruvarur, dt.14-8-46.

In G.O.No.602 Edn. dated 16-3-46 the Government sanctioned allowances to certain candidates who were selected in 1945-46 for the award of overseas scholarships but were detained in India for want of either admissions or passages. Although admission was secured for Mr.T.N.Venkataraman and a passage was offered to him in December 1945 he did not accept the passage. But as a matter of concession Mr. Venkataraman was ~~also~~ granted in the G.O. mentioned above an allowance of Rs.100 p.m. from 1-1-46 till the date of his embarkation. In that ~~a~~ order it was specifically stated that he should obtain the prior consent of the Government before taking up any employment. But on 15-4-46 he took up an appointment under the South Madras Electric Supply Corporation, Tiruvarur, without obtaining the consent of Govt. And still, the Government took a lenient view, and in the hope that Mr.Venkataraman would proceed to U.S.A. when a fresh passage was available, permitted the D.P.I. on 26.6.46 to draw the allowance ^{dye} to him from 1-1-46 till the date of his appointment in the Electric Supply Corporation. A total sum of Rs. 346-11-0 has thus been drawn and disbursed to him by the D.P.I.

A fresh passage was offered to Mr.Venkataraman in August 1946. But in his ^{letter} ~~read~~ dated 14-8-46 he has ~~reported to Govt.~~ ^{himself} that he is not availing ^{have} the scholarship offered to him. The Govt. ^{have} accept ^{the} his resignation of ~~his~~ scholarship. ~~But~~ They, however, have ordered that ~~the~~ Rs.346-11-0 received by him as allowance should be recovered from him. Mr.

Venkataraman is requested to remit the amount into the nearest Govt. treasury. The amount should be credited to the head "XXVI - Education - E.General - c.Recoveries of overpayments."

1. Ever since my selection for foreign studies in August, 1945, I was keeping myself ready to sail, but I couldn't avail the troop deck passage offered in November '45 due to the reasons stated in my letter to ~~them~~ ^{Travel Agents}. I wrote to them and even wired to them subsequently that I was ready to start, but no definite information was available.

2. I had incurred an expenditure of nearly one

thousand rupees for getting visa etc.

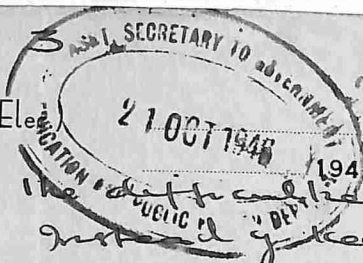

3. I was not aware of the G.O. No. 602 dated March 16, 1946 when I took up appointment in S.M.E.S.CO. Ltd. Tiruvann. When I was informed about the allowance by the D.P.I's office, I applied for a copy of the G.O. but even then I didn't get it.

4. I took up the job only because passage perikar was then indefinite & there was no use of going by keeping idle.

5. When again troop deck accommodation was offered in August '46, a year after my selection, I was not inclined to accept it under the circumstances of anti Indian discrimination

28

in ships and the difficulty of
deck passage. Instead of asking
the govt. in response, I refused
the scholarship.

6. If a decent passage had been
offered, I would have sailed.
As a matter of fact I did not
seek any employment from August
1945 to April 1946 in the hope
that I would get a decent passage.
I could have easily secured a
job on a salary of Rs. 300/- with
my qualification & experience.

7. Under those circumstances
I would earnestly request the
government to cancel their
above Memo asking me to
refund the allowance drawn.

Memo. No. 42564C2/46-12 dt 14/6/47

Overseas scholarships - Execution of bonds by candidates.

Copies of the following papers are forwarded to the Government Solicitor:-

(1) Advertisements inviting applications from candidates for the award of overseas scholarships for 1945-46, 1946-47 and 1947-48.

(2) Terms and conditions of the award of scholarships - 1945-46, 1946-47 and 1947-48.

It may be noted ^{from} ~~from paragraph 8 of~~ the "Terms and conditions of award of scholarships" that all candidates selected for the award of scholarships are required to execute a bond in the form specified in it. Accordingly all the scholars selected by the Govt. in 1945-46 and 1946-47 have executed the bond. The selection ~~for~~ of candidates for the award of the scholarships for 1947-48 is under consideration. In the meantime, the Govt. have decided to revise the form of the bond to be taken from the candidates to be selected for 1947-48 so as to provide for the following contingencies that have arisen in the past and ^{that} may arise in the future:-

1. Recovery of all expenditure incurred on behalf of selected candidates ^{who} failing to avail themselves of passages offered to them for the first time or successively thereafter for one reason or another and finally relinquishing the scholarships on the ground that they have secured good employment in India.

2. Recovery of all expenditure incurred on behalf of selected candidates ^{who} failing to avail themselves of passages offered to them successively for one reason or another and the Govt. finding the reasons not convincing, forced to cancel the scholarships.

3. Recovery of the items mentioned below incurred on behalf of selected candidates ^{who} travelling upto the port of embarkation in India or the port of

34
disembarkation abroad and then failing to proceed further or refusing to undergo the prescribed course of studies respectively:

- (a) Bills from the Travel Agents towards telegram charges.
(b) Railway fare.
(c) Steamer fare.
(d) Equipment allowance of Rs.500/-
(e) Pocket expense of £5.
(f) Travelling expenses from port of disembarkation abroad.

4. The inclusion in the bond of para 7(b) of the "Terms and conditions of award of ^{scholarships} scholarships" for 1947-48. (A)

The Government Solicitor is requested to suggest a redraft of the bond embodying all the points mentioned above.

Two scholars selected in 1945-46, Messrs. M.Prabhanjanamurti and S.R.A.Gesudraz, were asked by the Govt./in August 1945 to hold themselves in readiness to sail abroad at short notice. But as admissions have not so far been secured for the candidates they are ~~at~~ detained in India. In order to mitigate the hardship caused to them on this account, the Govt. sanctioned in G.O.No.602 Edn., dated 16-3-46 (copy enclosed) the payment with effect from 1-1-46 of allowances at the rate of Rs.240 p.m. to Mr.M.Prabhanjanamurti and Rs.100 p.m. to Mr.SAR.A.Gesudraz. Recently, the Govt. have offered the two candidates temporary ^{vide G.O. No. 1442 Dst dt 1.4.47} Gazetted appointments under Govt. Mr.Prabhanjanamurti has taken up his appointment as Senior Chemist in the Institute of Leather Technology, Washermanpet, Madras, on 22-4-47 forenoon. Mr.Gesudraz has joined duty on 25-4-47 afternoon as the Head of the Mechanical Engg. Section, Karnataka Polytechnic, ~~Mangalore~~ ^{Mangalore}. In these posts the candidates get emoluments higher than the amount of allowances sanctioned in G.O.No.602 Edn., dated 16-3-46 and the Govt. have therefore stopped the payment of allowances with effect from 22-4-47 forenoon in the case of Mr.Prabhanjanamurti and ^{from} 26-4-47 forenoon in the

case of Mr.Gesudraz. (15) 35

The Government have decided that a separate bond or undertaking should be taken from the two candidates that if they refuse to accept the scholarships at a future date when admissions and passages are secured for them, they are liable to refund the allowances paid to them by Govt. with reference to G.O. No.602 Edn., dated 16-3-46. ^{up to the date of accepting the appointment in the Govt. through a suitable} The Govt. Solicitor is requested to suggest a draft bond, or undertaking.

In continuation of my personal representation made to the Secretary to Government in the Education and Public Health Dept, I beg to state that it was only with considerable difficulty that I could secure one Anvoty. Further, the bond is only in respect of the Compensatory allowances which I received from the Govt. because of my long detention in India. Moreover, the contingency of my not accepting the Scholarship cannot arise at all as I am as anxious as the Govt. especially after having waited for such a long time, to leave India as soon as my admissions and passage are secured for me by the Govt. I therefore request the Govt. to kindly accept the bond which I have already executed.

From Mr.T.N.Venkataraman, Tiruvarur, dated 14-8-46.

Overseas scholarships - 1945-46.

Mr.T.N.Venkataraman was one of the candidates selected last year for an overseas scholarship. The subject for which he was selected was "Manufacture of batteries and dry cells". In August 1945 he was asked to hold himself in readiness to sail overseas at short notice. A passage was offered to him in December 1945 but he was unable to accept it. From 1-1-46 to 14-4-46 Mr.Venkataraman was paid an allowance at the rate of Rs.100 per mensem to mitigate the hardship caused to him by being detained in India for want of a passage to the country of study. In the order sanctioning the allowance it was specifically stated that the candidate should obtain the prior consent of the Govt. before taking up any employment. But on 15-4-46 he took up an appointment in the South Madras Electric Supply Corporation, without obtaining such a consent. However, he was given the allowance from 1-1-46 till the date of his taking up appointment. N.

Now Mr.Venkataraman reports his inability to accept the scholarship. The Govt. may accept his resignation. It will not be fair to ask Mr.Venkataraman to pay back the allowances he has received from Govt., as in the hope of getting a passage to U.S.A. in time he would have had to forego suitable appointments elsewhere. The amount involved is Rs.350. It may be waived if Finance agree. Finance may see.

In the place of Mr.Venkataraman the Govt. may recommend to the Central Government another candidate. Mr.Venkataraman belongs to the batch of students selected last year and it is not clear whether the Govt. of India will agree now to select a candidate from this year's list ^{as} a substitute for Mr.Venkataraman. Perhaps the Govt. of India may be addressed recommending Mr.C.Madhavan for the award. Mr.Madhavan was placed third in the order of preference by the Selection Committee for "manufacture of batteries and dry cells" and Govt. of India also ~~were agreeable~~ had no objection to his selection for a scholarship, although Govt. finally selected

He now reports that he cannot accept the scholarship. People should learn to act with a sense of

In his letter on pages 25-29 cf, Sri Venkataraman has explained the circumstances in which he did not accept a passage offered to him first in Decr. 1945 and the circumstances in which he took up an appl. in the South Madras Electric Supply Co. 1/ If it is not legally enforceable why have that rule. The matter may be sent to legal & looked into, as that the same thing may not be said when another case occurs.

2/ In the present circumstances it may be waived in this case

(1) above: All the students selected for the award of Provincial scholarships are required to enter into a bond as in the form at (Y). This form follows the one prescribed by the Govt. of India for the candidates selected by them for Central scholarships. The bond says:

".....in the event of the above bounden not conforming to the instructions regarding training conveyed to him by an authorised agent of His Excellency the Governor of Madras, or of continued adverse reports regarding his conduct or on completion of his studies refusing to serve the His Excellency the Governor of Madrasfor a minimum period of five years, he shall forthwith refund to His Excellency the Governor of Madras on demand all monies paid to him....."

This To this extent the bond is legally enforceable. But Mr. Venkataraman's case is not covered by the scope of the bond and therefore cannot bind him. The bond as it stands becomes enforceable only after the scholar starts his studies abroad. Its scope should be widened so as to cover all cases, e.g. the case of a student who goes from his normal place of residence upto the port of embarkation in India or the port of disembarkation abroad at Govt. expense and then refuses undergo the prescribed course. But it should be noted that bonds have already been executed by the students selected in

1945-46 and 1946-47 and the form of the bond if amended now can be executed by candidates who may be selected for the 1947-48 scholarships. Even here it is doubtful whether it will be in order to amend the form at this stage when the in the "terms and conditions of the award" of scholarships, copies of which have been supplied to applicants for scholarships, the exact form of the bond which they would be called upon to execute if selected has been given. Legal may see for remarks.

Cases like Mr. Venkataraman's will not become common. It was only in respect of the 1945-46 scholars who were detained in India for want of admissions or passages that monthly allowances were sanctioned. But in respect of 1946-47 scholars it has been made clear that no such allowance will be paid. Of the 1945-46 batch, only two candidates (Messrs. S.R.A. Gesudraz and P. Prabhanjanamurti) are still detained in India for want of admissions, and are in receipt of allowances. (There is a proposal to ~~grant~~ offer a temporary gazetted appointment in the Industries Dept. to Mr. Prabhanjanamurti.) If necessary, the two candidates may be warned that if they were to refuse to accept the scholarships at a future date they should refund the amounts received by them upto date as allowances, if called upon to do so. For orders: Legal may advise on this also.

Para (2) of H.M. (Enn.)'s minutes on page 9 ante: A draft memo. is submitted for approval.

Legal Department

A above. So long as the applicants have not been selected, it is open to the Government to modify the terms and conditions of the award of scholarship and communicate the revised terms and conditions to the applicants. If the applicants are agreeable to the new terms, they may be selected and bonds obtained in the revised form.

B above. Mere warning is not sufficient to enforce recovery of the amounts advanced. A separate bond or

undertaking should be taken from the candidates that if they refuse to accept the scholarship at a future date, they are liable to refund the allowances paid to them.

Legal u. o. 2026/47-1

TMS

Please see the note of Legal on pp 10-11 above.

They state that the form of the bond may be modified before the selection of the candidates is made and the selected candidates, required to abide by the modified form. In revising the 'bond' it is necessary to provide for the following contingencies that have arisen in the past and may arise in the future:-

(1) Selected candidates failing to avail themselves of passages offered to them ^{for the first time or thereafter} successively for reason or another and finally relinquishing the scholarships on the ground that they have secured a good job here itself;

(2) Selected candidates failing to avail themselves of passages offered to them successively for one reason or another and the Government finding the reasons not convincing, forced to terminate their scholarships;

(3) Selected candidates travelling upto the port of embarkation in India or the port of disembarkation abroad and then failing to proceed further or refusing to undergo the prescribed course of studies respectively.

Items (1) and (2) above:- Expenditure is incurred on making arrangements for the passage every time the Travel agents ultimately claim the Postal, telegraphic and other contingent charges incurred by them on behalf of the candidates from the Provincial Government. There is no reason why Government should pay such expenses. In both cases, the candidates use their selection for Overseas Scholarships as a ^{card} trump for securing good jobs here itself.

It may not be far from correct to say that the intention of the candidates in refusing passages for one or two occasions may be due to the endeavours that they are

privately making for securing jobs and their anxiety not to lose definitely the scholarship before they secure the jobs. Hence provision should be made in the bond for recovering all such expenditure from the selected candidates both in the case where they themselves relinquish the scholarships and in the case where their scholarships are terminated by Government.

Another point for consideration in this connection is whether any amount (to be specified) may not be recovered from such of the candidates who forego their scholarship in the two cases mentioned above for all the trouble that they have put Government to in the matter of their selection and finally frustrating their intention in such selection, since no substitute candidates could be sent in the places left vacant by them. If the point is conceded, then the amount to be recovered may be specified and provision made in the bond for recovery.

Item (3):-

All expenditure incurred on these candidates will have to be refunded by them, (i.e.):-

- (i) Bills from the Travel Agents towards telegram charges;
- (ii) Railway fare;
- (iii) Steamer fare
- (iv) Equipment allowance of Rs 500/-
- (v) Pocket expense of £ 5.
- (vi) Travelling charges from port of dis-embarkations.

The P.T.C. gives them special permits for purchase of clothes not ordinarily admissible to any individual ration card holder. By not pursuing their studies, though they may refund the equipment allowance, they stand to gain by the special permit for clothes issued in their favour.

(Even here substitute candidates could not be sent.

Hence the penalty amount should be higher in the case of these candidates than for those in items (1) and (2) mentioned above.

The above suggestions are with a view to see that people learn to act with a sense of responsibility and not act as they please as and when it suits them. Vide the minutes of H.M. (Edn.) at pp 4 ante.

2. Please see para 7 of the Terms and conditions of Award of Overseas Scholarships for 1947-48 at 'A'.

Provision has been made in respect of 7(a) in the bond but not in respect of 7(b). Provision in respect of 7(b) may now be included in the bond.

3. Legal may be requested to suggest a redraft of the bond embodying all the points mentioned in the preceding two paras for adoption by the candidates selected for 1947-48 for Overseas Scholarships. After getting a re-draft of the bond, the revised bond may be referred to the Government of India for acceptance for the sake of uniformity, since that is aimed at in respect of all other matters pertaining to the candidates both Central and Provincial.

4. Please see para 2 of the Legal Department note on pp 10-11 ante. That Department may be requested to suggest a draft bond or undertaking that should be taken from the candidates in question. It is proposed separately to secure Gazetted appointments in the Industries Department for the candidates. But the allowances paid upto the date of accepting the jobs will have to be refunded in the event of their refusing the scholarships at a future date.

5. Development, P.W.D. and Finance may see for remarks before circulation. The case may be sent to Legal for re-drafting of the bond after orders are obtained in circulation.

This dept may agree with the views of Secy, E & P.H. on the notes of that dept at p 11-13 above and concur in the need for the revision of the form of bond to be executed by the Candidates.

As regards para 4 on p 13 above, of the two Candidates referred to, Mr. Prabangamurti's appointment has been notified; the appointment of Mr. S.B. Genduraz is under consideration and order will issue shortly. These Candidates could not have been considered for the temporary appointments but for the fact of their being paid allowances by the Govt during the period of their away from home. For the period of their appointment, the salary paid to them is in return for services rendered. In the circumstances, it seems necessary to insist only on the allowances paid to them, with the date of their acceptance, being repaid by them in the event of their ultimately relinquishing the Scholarship. E & P.H. Dept may consider the desirability of insisting this fact to the two Candidates even now pending the drafting of the bond to be executed by them. Hence the case may be passed on to P.W.D.

One Sri. T.N. Varkataraman, a 1945 Scholar, was paid a monthly allowance of Rs 100/- from 1-1-46 to 14-4-46 to mitigate the hardship caused to him by being detained in India for want of a passage to the country of study. He accepted a job on 15-4-46 without intimation to Govt and subsequently relinquished his scholarship. It was found legally not possible to recover the amount of allowance paid to him. Hq (Ed) wanted the matter to be examined for future cases - his minute, the proposals in this case have arisen out of this minute and are as follows:-

(1) Revision of the form of the bond to be executed by candidates

Selected for Provincial Overseas Scholarships to provide for:-

(a) Recovery of all expenditure incurred on behalf of selected candidates failing to avail themselves of passages offered to them for the first time or successively thereafter for one reason or another and finally relinquishing the scholarships on the ground that they have secured a good job here itself;

(b) Recovery of all expenditure incurred on behalf of selected candidates failing to avail themselves of passages offered to them successively for one reason or another and the Govt finding the reasons not convincing, forced to terminate the scholarships;

(c) Recovery of all the items of expenditure mentioned under item (3) on p. 12 ante incurred on behalf of selected candidates travelling up to the port of embarkation in India or the port of disembarkation abroad and then failing to proceed further or refusing to undergo the prescribed course of studies respectively.

(That is necessary as it is not in the bond at present and is based on the analogy of (a) & (b) above. Secy has not agreed only to the levy of penalty amount in these cases - vide his marginal note on p. 12 ante. Please also see 'X' on p. 9 ante in this connection).

(1) The inclusion ^{in the bond} of para 7(b) of the Terms and Conditions of Award of Overseas Scholarships for 1947-48;

(2) The acceptance of the revised bond by the Govt for the sake of uniformity and its adoption in respect of the 1947-48 Scholars; and

(3) Taking a bond from Reserve S.R.A. Gendrag and Prabhanjana para 4 - p. 13 - murti 1945 Scholars for the refund of the allowances paid to them up to the date of accepting the appointments in the Industries Dept.

in the event of their refusing the scholarships at a future date. Intimation to be given to the candidates to the above effect even now pending the drafting of the bond to be executed by them;

2. The summarising note of Govt on p. 15 ante has omitted to make mention of item (1) (c) on p. 16 ante. Fin note on p. 15 ante however accepts the above item - vide 'N' on p. 15 ante. It does not appear necessary to send the case back again to Govt for the specific acceptance of item (1) (c) on p. 16 ante in view of their acceptance of items (1) (a) and (1) (b).

3. The case may be circulated to Hq (Edn) Hq (Std) and Hq (Fin) for orders on the foregoing proposals.

2. The Government Solicitor has sent a redraft of the form of the bond to be executed by the overseas scholars to be selected in 1947-48. For the reason stated at 'X' on page 39 c.f. the condition in para 7(b) of "A" has not been incorporated in the draft bond. The form as redrafted by the Government Solicitor may be accepted. Finance and Legal may see.

3. Messrs. Prabhanganamurti and S.R.A. Gesudraz may be asked to execute a bond in the form drafted by the Govt. Solicitor on page 43 c.f. Mr. M. Prabhakaranamurti has duly executed and forwarded the bond to Govt. But the bond has been executed only with one surety as against two sureties as prescribed in the memo. on p 57 cf. ~~Mr. P.~~ He explains that as he is new to the place it is very difficult to find two sureties for him. It is for orders whether the bond as executed with one surety may be accepted.

The D.P.I. In reply to the A

He cannot be exempted. He should find out another surety. The bond on page 43-44 has not been signed. He may be asked to send a revised bond with two sureties.
13/9/47

T.M. on p 61 CF, the D.P.I. has stated that he has claimed allowance for 24 days in April 47 for Mr. Gesudray as ^{the latter} he did not state that he took charge on the afternoon of 25.4.47. The Director may now be asked to claim allowance for the candidate for one more day (ie) for 25.4.47. The total allowance granted to Mr. Gesudray will then be Rs 1583.54 (ie) Rs 1583. He may be asked to execute a bond for this amount.

 Mr. S.R.A. Choudhary, Lr 2-8-47

Pl. see the letter from Mr. M. Prabhayanamurti in reply to the memo on 71 CF. In the circumstances, now stated by him, it is for consideration whether the bond executed by him with one surety may be accepted; if so, he may be asked to sign the bond on p 65-66 CF. and to specify the designation of Mr. D. Anand Rajah who signs as a surety for him. Mr. Choudhary has since forwarded his bond with two sureties. This bond may be accepted. With ref. to para 2 of his letter on p 76 CF, he may be informed that the matter of securing him admission is still ~~has not yet been settled~~ under the consideration of the Govt.

Pl. see the further note of E.P.H. above. In Memo No 42564 C2/46 B 11.8.47 Mr. Prabhayanamurti, a candidate selected for the overseas scholarship in 1945-6 batch, was asked to execute a bond in the form on p 59 CF with two sureties in respect of the allowances received by him from the Govt. for being retained

in India for want of shipping accommodation. He had executed ^{and sent} the bond only with one surety. As other similar candidates ^{were asked} to execute the bonds with two sureties, he was again asked to send a revised bond with two sureties. In his letter on p 73 CF, Mr. Prabhayanamurti explains the difficulty in securing the second surety. E.P.H. propose to accept the bond with one surety. This dept may agree with the proposal of E.P.H. at 'B' on p 24 above.
