Sir,

Sub: Nursery Training School attached to the Lady Willingdon Training College, Madras - continuance of Temporary posts Sanction requested.
Ref: G.O. Ms. No. 771-Education dated 9-4-1946.

26345

In have the honour to state that sanction was accorded in the G.O. cited above for the opening of a Nursery Training School in the Lady Willingdon Training College, Madras and for the employment of one L.T. Assistant and three Secondary Grade teachers for a period of two years from 1st June 1946. The sanction given for the posts will expire on 31-5-1948.

The Nursery Training class was not opened during the school year 1946-47, as the Principal reported that it was not possible to secure the services of qualified teachers and as there was no suitable accommodation. Only one section of the Nursery model school was opened on 15-7-1946 and one secondary grade teacher was employed for the section. Another section of the model school and the Nursery Training class were opened during the current school year and one secondary grade teacher and one L.T. Assistant were employed. The strength of the two Nursery model sections is 16 and 22 and that of the Training Class (Nursery) is 14.

The students who were admitted in the junior Nursery Training class during the current school year will be in the Senior class during the next year. Since there is need for Nursery trained teachers, the Principal has proposed to admit a fresh batch of students in the junior Training section next year and I have permitted her to do so in anticipation of sanction of Government. There will then be two sections in the Training class (Junior and Senior) and two in the model school.

Though the sanctioned staff for the Nursery school is ^{one} L.T. and 3 secondary grade teachers, and Principal states that the existing staff of one L.T. Assistant and two secondary grade teachers will be adequate for the needs of the school during the school year 1948-49. In the circumstances I request that Government may be pleased to approve my action in having permitted the admission of a fresh batch of students in the junior Nursery Training class in the school year 1948-49, and to sanction the continuance of the posts of one L.T. Assistant and two secondary grade teachers for a period of three years from the school year 1948-49.
