Advance - G.P.F. - Dr. T.N.

Margaschayam Chettian

Sanctd. as an exceptional
Case

Office of the
Director of Public Instruction,
Madras, Dated 24-3-1948.

From SRI D.S. REDDI, M.A. (Oron),
Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

Sir, Sub: Advance - G.P.F. - Sri T.M. Margasahayam Chettiar, Vice-
Principal, Teachers' College, Saidapet.

22920

Sri T.M. Margasahayam Chettiar, Vice-Principal, Teachers' College, Saidapet has applied for an advance of Rs. 3,000/- from the amount at credit in his G.P.F. account to celebrate the marriage of his son. It is understood that according to the practice of his community he has to spend for the marriage of his son. The amount of advance applied for exceeds his three months' pay and also half the amount at credit in his Provident Fund Account which was Rs. 4856 on 31-8-1947. The previous advance of Rs. 600/- granted to him by me in July 1945 was completely repaid by him in 1946.

The officer is due to retire on 18th March 1949 and the advance cannot be refunded before retirement. The subscriber says he will repay the advance in monthly instalments of Rs. 125/- until the time of his retirement and the balance of loan due will be adjusted to his account and the outstanding balance alone will be drawn by him after retirement. A copy of the Endt of the Accountant-General Fds. 2137 dated 18-3-1948 is enclosed.

I am convinced of the need for the advance applied for by the subscriber and I accordingly request that Government may be pleased to sanction the advance of ~~Rs. 3,000/-~~ Rs. 3,000/- asked for as an exceptional case.

I request the favour of early orders.

K. Subramanian

for Director of Public Instruction.

Copy of the Accountant-General's Endt. 2/5/3.

The advance applied for is covered by the balance at the credit of the applicant, which was Rs. 4856 on 31-8-47. The object of the advance falls under rule 14(1)(a)(iii) of the General Provident Fund (Madras) Rules. There is no audit objection to the advance being sanctioned by the Director of Public Instruction under rule 14 and paragraph 1(1)(b) of the Sixth schedule to the General Provident Fund (Madras) Rules.

The advance of Rs. 2400/- may be ordered to be recovered in 24 instalments of Rs. 100/- each together with interest as laid down in Rule 15 of these rules.

No amount is outstanding against the applicant. As the officer is to retire before the complete repayment of the advance, the advance applied for should be treated as an exceptional case by the sanctioning authority.

If however an advance of Rs. 3000 is required by the subscriber, sanction of Govt. will be necessary, as the amount exceeds the three months' pay of the subscriber - vide rule 14(1)(c)(i) ibid.

The enclosures received with the letter under reference are herewith.

The officer's pay is Rs. 800. Consistent with 1A status to maintain. Having regard also to the very high price of all articles nowadays, Rs. 2400 is not a big amount to advance to him for the performance of his son's marriage. Even Rs. 2400 is sanctioned (as suggested by Fin.) it would not be recovered before his ret. in March 1949; and therefore that amt. also has to be sanctioned only as an exceptional case. Fin. may be requested to reconsider the matter.

Finance (Pen.)

Please see previous Fin. note overleaf and the E. & P.H. note following pressing for the grant of an advance of Rs. 3,000/-.

It is true that the Officer has a status to maintain and the prices of articles are high. But the accumulations in the P.F. are not intended to be tapped for this purpose. His present pay is Rs. 800/- and he should have made sufficient provision to meet such obligatory expenses in advance without banking on an advance from the P.F. amount. He is due to retire before the complete repayment of the advance ^{and the advance} it can be sanctioned only as an exceptional case. The suggestion of this dept. to allow him an advance of Rs. 2400 itself is a sufficient concession. Having regard to his present pay and status, it should not be difficult for him to meet the difference of Rs. 600/- from other sources. In these circumstances, this Dept. may adhere to their view previously expressed. If E. & P.H. however, want to press their proposal, they may be requested to take orders of H.M. (Fin.)

25. 4. 48

Finance dept. agree to the concession at 13 above. But there are no very special reasons to go beyond the limit of three months' pay

① Instalments of Rs. 125 only have been offered to him. June 1948 to Feb. 1949 = 9 months. $9 \times 125 = 1125$

(By Secy removed recently, his relations and he himself suffer of illness etc.)
