C.No. 730 B1/48, dated 1st April 1948.

*SUB: BASIC TRAINING SCHOOL, CUDDALORE - Training of teachers during 1948-49.

ENCLOSURES _____

I have the honour to state that as per G.O. 1604 Edn., dated 17-7-47 there is provision in the Basic Training school, Cuddalore for the training of 105 teachers - 70 freshers and 35 trained teachers. But during 1947-48 one section for freshers has been kept in abeyance. In that training school, I consider that admissions may be restricted to men candidates only and that the Government Training school for women, Cuddalore may be converted into a Basic Training School for women. Proposals for the latter will be submitted to the Government shortly.

2) During 1948-49 I propose to have 4 sections in the Basic Training school for men, Cuddalore.

- 2 sections for Juniors (70 candidates).
- 1 section for seniors
- 1 section for retrainees.

Provision has been made in the Budget Estimate for 1948-49 under stipends for 70 Juniors, 35 seniors and 35 retrainees. For the retraining of the existing teachers provision has been made under stipends in the Budget Estimate for 1948-49 for 35 teachers at Rs.18/- p.m. for 8 months.

3) Since it is considered that a five months' course for the retraining will be arranged for 2 batches of 30 teachers each - one batch from July to November and the other batch from December to April 1949. The extra cost on account of the proposal under stipends etc., would be 6800/- assuming that 40 will be from schools under public management and 20 from aided schools. Of the 40 from the schools under public management 30 will be higher elementary and 10 secondary grade teachers. Of the 20 teachers from aided school, 16 will be higher and 4 secondary grade trained.

3. The D.P.I. evidently proposes to continue the school during 1948-9 with the following modifications

- (i) To open 4 sections in 1948-9 as against three last year out of which the opening of one section was kept in abeyance.
- (ii) To restrict the admission to Men only
- (iii) To have a five months course of refresher courses for re-trainees in two batches of 30 each instead of one year course in one batch as was conducted last year.

2. The extra cost involved in the proposals is Rs 6,800 ^{less and above what is already provided for in the budget for 1948-9 for the continuance of the school} The proposals do not involve the appointment of addl. staff. Evidently the staff already sanctioned in G.O 1606 Edn 8/12.7.47 will be continued this year. It is however observed that the period of sanction for the above is not specified. E.P.H. may sanction the continuance of the staff in the school up to 30.4.49.

3. In the circumstances explained by the D.P.I. in the CR the proposals may be agreed to in this Dept.

4. Financial procedure. Already there is a provision of Rs 8.62 lakhs for Basic Education and the ~~exp~~ addl. expenditure can be met from that provision. The proposal need not be referred to the S.P.C. and the cabinet before H.M. (Fin) may see before issue of orders.

5. Subject to the above remarks, the draft order may be accepted.
