The actual opening balance on 1-4-47 was Rs.1,72,229. This includes a sum of Rs.90,460, the unspent subsidy paid to the District Board during 1946-47 which has to be refunded to provincial Funds this year. Further, it includes the additional contribution of Rs.82,000 from the General Funds to the Elementary Education Funds ordered in G.O.No.1552 (Edn.) dated 19-9-46 and adjusted at the close of 1946-47, which was disbursed during the current year.

Credit is therefore taken at the rate of 15 pies in the rupee from 1-7-47 (1357 fasli) according to figures furnished by the District Collector in his letter No.F.Dis.251/Pdl-47 dated 25-11-47 both in the Revised Estimate for 1947-48 and the Budget Estimate for 1948-49.

General.

17) (i) It is proposed to close down single teacher schools which are uneconomic and ill working and which cannot be developed into plural teacher schools in consultation with the Educational Authorities and to utilise their provision to strengthen the needy existing schools. Provision has been made for the new school opened at Erunthai during 1947-48. ~~and~~ The cost of opening of new schools in 1948-49 and supervision of Elementary Schools by Headmasters of Higher Elementary Schools will be met from the anticipated savings under 'salaries of teachers'.

(ii) The revised figures for 1947-48 close with a deficit balance of Rs.30,000 (as against Rs.68,000 as reviewed by Government) which is due to giving effect to the revised scales of pay and other items such as increased house rent, contingencies, etc. Again the Budget Estimate for 1948-49 closes with a deficit balance of Rs.1,18,530 which goes to prove that the financial position under the Elementary Education account continues to be poor and requires to be augumented either by increased contribution from the General Funds of the District Board or by way of increased rate of Education cess to be raised from 15 to 18 pies in a rupee.

CONTRIBUTION FROM GENERAL ACCOUNT TO E.E. ACCOUNT.

The contribution approved in the E.E. budget for 1947-1948 was Rs. 3,57,470/-. Besides this, the Board was permitted to adjust a sum of Rs. 1.54 lakhs to the E.E. account from the A.T.C., sanctioned in the current year in order to meet the additional expenditure involved in giving effect to the revised scales of pay to the teachers. Even with all this aid, the E.E. Account is expected to close with a deficit of Rs.30,066 in the current year. The general funds cannot make any additional contribution towards wiping off this deficit. The Board will have to be permitted to adjust a further sum of Rs. 30,066 from the A.T.C., sanctioned this year in order to avoid the deficit.

For 1948-1949 also a contribution of Rs. 3,57,470 from general account is provided. Even with this contribution, the E.E. Account is ~~ex~~ expected to close with a deficit of Rs.88,530 (assuming that it opened ~~in~~ the year with a nil balance). As a deficit is expected in the general account, the contribution from that account cannot be raised. The only alternative is to permit the Board to adjust a sum of Rs.88,530 from the A.T.C. likely to be sanctioned in 1948-1949.

The E.E. Account is working at a recurring deficit of more than about Rs. 4½ lakhs without taking into account the contribution from general account. The general funds cannot afford to make more than the contribution now being provided and the arrear toll compensation will not be available after 1948-1949. The education ~~xxxxxx~~ tax was recently raised from 12 to 15 pies in the rupee in order to meet the increasing expenditure. It is seen that this is not sufficient to balance the account. If retrenchment of the expenditure is not possible, further enhancement of the Education tax to the extent necessary is the only alternative.

This is a matter which E & P.H. has to consider.

2. The usual summary for the Budget Estimate for 1948--49 has not been furnished.

3. Marked variations between the Revised Estimate for 1947--48 and the Budget Estimate for 1948--49 and the need for the various provisions made in the Budget have been explained by the Special Officer.

4. Revised Estimate for 1947--48:

(i) The credit taken for Rs.1,24,630/- as Government grant under Section 37 of the Elementary Education Act should be reduced to Rs.1,24,628/- with reference to G.O.No.MS.1017, Edn. dated 15th May 1947.

(ii) The credit taken for Rs.3,82,630/- as Government grant under the Proviso to Section 37 of the Elementary Education Act should be increased to Rs.3,82,632/- with reference to G.O.Nos. 925, Education, dated 5th May 1947 and 1046, Education, dated 20th May 1947.

(iii) The credit taken for Rs.3,760/- as Government grant for basic training requires sanction of Government.

(iv) The total expenditure both in the "Ordinary " and "Capital" exceeds that of sanctioned budget. This needs sanction of Government.

5. Budget Estimate for 1948--49:-

The credit taken for Rs.1,26,930/- as Government grant under Section 37 of the Elementary Education Act is liable to revision with reference to the actual amount realised and adjusted during 1947--48.

(ii) The credit taken for Rs.3,82,630/- as Government grant under the Proviso to Section 37 of the Elementary Education Act should be increased to Rs.3,82,632/- with reference to G.O. Nos.925, Education, dated 5th May 1947 and 1046, Education, dated 20th May 1947.

(iii) The Budget for 1948--49 closes with a large deficit of Rs.1,18,530/-. This deficit may be wiped off by adjustment from the Arrear Toll Compensation grant that may be sanctioned to the Board.

6. Accommodation:- Accommodation is reported to be inadequ in most of the schools and is unsuitable in the case of a good number of schools. In very many cases, overcrowding is very great. The Board may be advised to provide additional accommodation immediately by erecting thatched sheds in schools tha

34

are in urgent need in consultation with the Inspecting Officers. Provision of play-ground and garden facilities requires the attention of the Board.

7. Staff is inadequate and unsuitable in many schools. It needs early attention.

8. Most of the schools are ill equipped. The Special Officer may be advised to pay special attention in the matter as school work cannot get on without sufficient and proper articles of equipment. The above defects should be remedied as early as possible.

9. Sanitary facilities are reported to be very inadequate in a large number of boys schools. Even a urinal is not provided in many higher elementary schools where girls are also reading. Particular attention should be paid on this matter.

Compulsory Education = Revised Estimate for 1947--48.

(A)

10. Government in their order No.2366, Education, dated 4th November 1947 have sanctioned a sum of Rs.1,63,402 as subsidy for 1947--48 towards the scheme of compulsory education. But credit has been taken for Rs.2,91,000 as Government Grant in the Revised Estimate for 1947--48 for expenditure under the various heads viz. Salaries of teachers, appointment of teachers, construction of sheds purchase of furniture etc. Government sanction is therefore necessary for the same.

E & P. 4 (B2).

Assuming that a contribution will be made from out of the A.T.C. grant to meet the deficit anticipated at the end of 1947-48, the E.E. fund of the Dt. Bd., South Arcot ~~Salem~~ was expected to close with a deficit of Rs. 88000 at the end of the current year. Now the Spl. officer has reported in his letter overleaf that the E.E. fund closed with a balance of Rs. 74136-13-5 on 31.3.48. ~~so that~~ the deficit at the end of the current year will be only about Rs 14000. Perhaps ~~this small amount~~ the question as ~~of~~ how to meet this small ~~amount~~ of deficit may be decided after the R.E. for 1948-49 is ~~known~~ received. No action is therefore called for at present. This letter may be filed with G.O. No. 1189 Edn. dated 12.5.48.

2. Provision has been made both in the R.E. and in the Budget Estimate for expenditure connected with the scheme of compulsory elementary education and credit has been taken for a subsidy from Provl. Funds to cover the entire cost of the scheme. The adequacy of the provision made is examined in para 7 below.

3. Excluding the transactions relating to the scheme of compulsory elementary education, normal receipts and charges in the Elementary Edn. Fund Account will be as follows:-

	Sanctioned B.E. for 47-48. Rs.	R.E. 1947-48. Rs.	B.E. 1948-49. Rs.
Opening balance.	nil	172230	(-) 30000

4. R.E. 1947-48: The Spl. Officer has reported that the E.E. fund account ~~closed~~ opened with a balance of Rs. 1,72,230/- as against the balance of Rs. 68,000/- anticipated as per the sanctioned budget for 1947-48. This includes a sum of Rs. 90,460 being the unspent subsidy refunded to Govt. by adjustment in the R.E. by the Spl. Officer himself and Rs. 82,000/- being contributions from General Funds. Credit has been taken for the increased income under education tax with reference to the advice of the Collector. Provision has been made in the R.E. for the payment of salaries of

of teachers in the revised scales of pay with advance increments. This addl. expenditure has been ordered to be met by the adjustment of a portion of the arrear toll compensation grant. The Spl. Officer has reported that the E.E. fund account will close with a deficit of Rs. 30,000/-. This is due to the grant of Dearness allowance. The L.A. Dept. have noted that the General Funds cannot make any additional contributions towards the deficit anticipated. ~~Perhaps~~ That the board may be permitted to adjust to the E.E. [illegible] account an amount equal to the deficit from the A.T.C. The Spl Officer may be asked to take necessary action accordingly ~~L.A. may be requested to say whether this is possible~~. The variations under the several heads have been explained by the Spl. Officer in pp. 9 - 11 c.f. No special remarks seem called for.

5. B.E. for 1948-49:

Receipts.- No remarks seem called for.

Charges.- The need for the provision made under the several heads has been explained by the S.O. They may be allowed to stand.

6. Assuming that a further contribution will be made from out of the A.T.C. to meet the deficit anticipated in the current year, the E.E. fund account will close with a nil balance. There will be a deficit of Rs. ~~1.18~~ 88,000 lakhs taking into credit a contribution of 3.57 lakhs from the General funds in the B.E. for 1948-49. ~~Perhaps the question of a contribution from General funds or from A.T.C. or~~ The LA dept have noted that further contributions to the E.E. fund from General funds is not possible. The deficit may have to be met from out of the A.T.C. The question as to how the deficit should be met may be examined after the closing balance on 31-3-48 is known.

7. Compulsory ele. education: Details of the provision made for the scheme are given on page 31 c.f. Inasmuch as the entire expre. connected with the scheme is met from Provl. Funds, no specific examination of the provision seems necessary. The Board will be entitled to a subsidy with reference to the expenditure actually incurred by it. It may be noted that the Govt. have decided not to extend the scheme of compulsory ele. education in 1948-49. The provision made both in the R.E. and in the B.E. may be tentatively allowed.

8. The Govt. have ordered an increase in the grant of dearness allowance sanctioned to Govt. servants. The revised rates are applicable to employees of local bodies also, though specific orders have not yet been issued in the matter. On the basis of the particulars furnished in the Budget, it will be seen that the extra expenditure to the Dt. Board, South Arcot, will be ~~about~~ in the neighbourhood of Rs. 80,000/- leaving out of account the teachers employed under the ~~shmmm~~ scheme of compulsory elementary education. (In the case [illegible] employed under that Scheme, the addl. expenditure on [illegible] of the grant of Dearness allowance will be met from Provl. Funds). It is not clear whether the entire expenditure on account of the grant of dearness allowance at the increased rates will have to be met from Provl. Funds by way of subsidies, or whether the rate of Education tax should be raised so as to minimise the liability of Government. The question will be further examined after orders are issued on the R.E and the actual extra expdr. involved is known.

L.A. and Finance may see for remarks.
