With reference to clause 5 of paragraph 3 of the Appendix to G.O. No. 610, Education, dated 20th April 1945 I have the honour to state that students who are admitted to the concessions will be allowed to retain them throughout their studies which may include more than one course of study. A case has recently come to my notice in which a lady student has applied for award of the educational concessions for her M.A. Degree Course of study. In Arts Colleges, the Book allowance is admissible for the Intermediate Course and also for the Degree course = vide Clause 2 of paragraph 2 of the Appendix to the G.O.No.610, Education, dated 20th April 1945. But the M.A. Degree course is a post graduate course and it is not clear from the G.O. referred

above whether the concessions to students taking up this course are admissible. Therefore, I request Government to pass early orders whether the concessions are admissible to students in the Post Graduate Classes. If the concessions are admissible for the Post Graduate Course also, I request you to let me know whether I may sanction a sum of Rs.50/- as Book Allowance to eligible candidates. I request the favour of very early orders of Government in the matter. A similar question arises in the case of students who proceed to the B.Com Degree course after taking the B.A. Degree. I request the favour of urgent orders.
