In G.O.No.2327 Edn. dated 1-11-47 the Director of Public Instruction, Madras was authorised to constitute Committees to Assist the Special Officer in drafting the Syllabuses for the various subjects in the revised studies for secondary schools and to incur expenditure for the payment of Travelling Allowance to members. But in the said Government Order — at the end of para 1 and at the begining of para 2 - the word "Dearness Allowance" was used, obviously a mistake for the word "Daily allowance" since the payment of Dearness allowance is not admissible with Travelling Allowance, Orders were therefore solicited in this office R.C.No.250/47 dated 15-11-47 for the correction needed in the order and with reference to the rates recommended in this office Rc.250/47, dated 30-10-47 to enable early action being taken on the pending Travelling Allowance Bills.

Sir,

Subject: Education--Secondary--Reorganisation--Committee to consider the form of tests for activities in Arts and Crafts--Inclusion of two more persons--Approval--Requesting.

Reference: Government Memorandum No.57876-B1/48-2, Edn., dated 23--8--1948.

A/12-13g A/14-15g

In the memo. cited Government approved the personnel constituting the committee to consider the form of tests for activities in Arts and Crafts recommended in my letter dated 3--8--1948. Subsequent to my recommendation, the Board of Secondary Education which met on 13th and 14th August 1948 decided that instead of constituting another committee under its auspices for the same purpose, Dr. (Miss) J.F. Forrester, St. Christopher's Training College, Vepery, Madras, and Dr. G.D. Boaz, University of Madras, Madras, who were members of an earlier committee of the Secondary Education Board on examinations might also be co-opted to the above committee. In pursuance of the above resolution, the willingness of the members to serve on the committee was obtained. Since then the committee met on four occasions viz., on 8-12-1948, on 2--2--1949, on 8--2--1949 and on 1--3--1949. It is necessary that the names of these two persons also should be included in the second committee constituted by Government in their memorandum 57876-B1/48-2, Education, dated 23--8--1948. I therefore request that Government may be pleased to issue necessary orders for the inclusion of their names in the above committee.

EDUCATION - Secondary - Reorganisation - Constitution of Sub-Committees to draft syllabuses for the various subjects - Payment of Daily and Travelling Allowances to members.

From the Director of Public Instruction, R.C.No.2.S.O./47 dated the 30th October 1947.

pp1-7 c.f

In G.O.Ms.No.2327 Education, dated the 1st November 1947, the Director of Public Instruction has been authorised to constitute Committees to assist the Special Officer in drafting the syllabuses for each of the subjects included in the revised courses of studies in Secondary Schools - and to incur an expenditure not exceeding Rs.3000/- on the payment of Daily Allowance and Travelling Allowance to the members of the Committees.

p2 of ②

2. The Director of Public Instruction now reports that twenty one Sub-Committees - one for each subject - have been formed (Details on pages 3-7 c.f.) and that a provision of Rs.5000/- will be required to meet the T.A. and D.A. of the members for attending the meetings of the Committees. The personnel of the Committees may be approved and sanction may be accorded to the incurring of an expenditure of Rs. 5000/- on T.A. and D.A.

p1 c.f

A for 7.11.47

3. The Director recommends that the official members of the Committees may be paid T.A. and D.A. at the rates admissible to them under the Madras Travelling Allowance Rules. As regards the non-official members ~~the non-official members at the rates sanctioned in G.O.No.520 Finance, dated the 10th July 1947~~ and that ~~the~~ non-official members who are ~~local~~ residents of the city ~~may be granted a conveyance allowance of Rs.2-8-0~~ per day ~~of attendance.~~ the Director has not definitely reported whether the Sub-Committees are to be classified as first or second class Committees; but it is clear from the personnel of the Committees that they ~~Committees in question~~ should be classified only as second class Committees. The Director has proposed that the payment of T.A. and D.A. ~~should be regulated~~ to the

CSR

non-official members of these Committees should be regulated according to G.O.No. 520 Finance, dated the 10th July 1947. His proposal may be accepted. ~~But~~ For non-official members who are residents of the city, the Director suggests that a conveyance allowance of Rs.2-8-0 a day. G.O.No.520 Finance, dated the 10th July 1947 does not contemplate the payment of any conveyance allowance; but according to the orders in circulation on page 11 mf of G.O.No. 2327 Education, dated the 1st November 1947, non-official members residing in the city should, instead of conveyance allowance, be paid D.A. at the rate admissible for first class Committee members and it was fixed at Rs.7-8-0 a day. This works out to three fourths of the rate of D.A. admissible to members residing outside the city. At this rate, the D.A. admissible to non-official members residing in the city who belong to second class Committees may be fixed at Rs.4-8-0 (i.e. three fourths of Rs.6-0-0.)

~~But~~ The Advisory Committee members suggested by H.M.(Edn.) in his note to the Director dated the 10th October 1947 may however be classified as members of a first class Committee and allowed T.A. admissible with reference to G.O.No.520 Finance, dated the 10th July 1947.

4. The Director also requests that the personnel of the Advisory Committee proposed by H.M.(Education) may be approved officially and that orders may be issued immediately in the matter, as it is proposed to convene the meetings of the Committees as early as possible. Orders sanctioning the Committee may be issued. ~~The personnel of this Committee may also be approved.~~ // The remarks of Finance may be invited U.O. prior to circulation.

(2) to approve the personnel of the Advisory Committee suggested by H.M. (Edn) and also to classify it as a First Class one for purposes of T.A. – The non-official members residing in the city will, however, be eligible for DA of Rs. 7-8-0, and

(3) to incur an expenditure of Rs. 5000/- on T.A. for the First and Second Class Committees.

~~2~~ Finance have agreed to all the points concerning that Dept. except the following:

That department suggest that non-official members of the Second class Committees residing in the city need not be allowed any D.A. – vide 'X' on p 3 ante – and they have not stated any reasons for it. In connection with the payment of DA to members of Second class Committees residing in the city HM (Fin) has minuted as "not for the present" – vide pp 9-10 nf of the linked file. According to the existing orders, the non-official members of First Class Committees residing in the city are eligible for DA and it seems ~~proper~~ reasonable that the allowance should paid to the non-official members of the Second Class Committees also. Please see this Department note in para 3 on p 2 ante. This department may therefore press the proposal that these members may be paid a D.A. of Rs. 4-8-0
