Sir,

allowance
Sub: Travelling Allowance - Travelling bill of Sri A.V. Tyagarajan District Educational Officer, North Arcot - Claim for April, '46 - Sanction of Government Requesting.

I have the honour to state that Sri A. V. Tyagarajan, while he was District Educational Officer, Anantapur submitted his Travelling Allowance Bill for April, '46 to the Divisional Inspector of Schools, Anantapur, for countersignature. The amount covered by the bill is Rs. 72-13-0. Mr. Tyagarajan was shortly afterwards transferred from Anantapur to Madras and thence to Cuddalore and so he did not get the countersigned bill from the Divisional Inspector though it seems to have been sent to him by the latter. Any how, the bill was taken to be lost in transit and after a prolonged correspondence, he got a duplicate bill prepared and countersigned by the Divisional Inspector, Anantapur in August, '47. The bill when presented at the Tinnevely Treasury was returned with some objections. Meanwhile, the District Educational Officer went on leave and after the expiry of his leave he joined duty at Vellore. As the claim had remained for over a year, the District Educational Officer requested the Accountant General to investigate the claim. The Accountant General, now requires the sanction of Government under article 54 of the Madras Financial Code Vol. I to scrutinise the claim. I feel that, in the circumstances of the case, there was a reasonable cause for the delay in submitting the claim. I therefore request that Government may be pleased to authorise the Accountant General to pass the bill for payment.
