I have the honour to state that the Government Order  
Cited above government approved my proposal for admitting a fresh  
batch of students in the additional training class opened with  
reference to the G.Os. specified below during the school year  
1947-48 and also sanctioned the continuance of the additional  
staff sanctioned therefor a further period of two years from  
the school year 1947-48.

The students who were admitted in the junior sections  
in the school year 1947-48 will be in the senior section in  
1948-49. I request that government may be pleased to accord  
sanction for the admission of a fresh batch of students in the  
junior Trg. classes during the year 1948-49 as more trained tea-  
chers are required to meet the needs of the existing schools.  
Government in their order No.Ms.245 Ean dated 4-2-1948 have dropped  
my proposal for the opening of additional training classes in  
1948-49 and if fresh admissions are not made in the training  
classes opened with ref. to the G.Os cited above in the Government  
Training Schools, there will be dearth of trained teachers.

I solicit the favour of early orders.
