At the time of sanctioning the above staff, it was considered that, there should be no necessity for the employment of the staff after 15-5-48, as the printed electoral rolls must be made available, to the public on or, before the 15th May 1948. The Superintendent, Government Press, now states, that ^{the} regular work of the Press has fallen into arrears, and the correspondence, for claims in connection with the work done in private presses and scrutiny thereof, has yet to be done; He requests the retention of 1 Computer, 1 U.D. Clerk, and 20 Compositors for a further period of 3 months.

2. For the work connected with the printing of the electoral rolls, the Government have sanctioned the full complement of additional staff asked for, by the Superintendent, Government Press. It is not known, how the regular work of the Press could have fallen into arrears, because of the work connected with the printing of electoral rolls, for which additional staff has been separately sanctioned. Further for attending to the correspondence for claims in connection with the work done in Private Presses and scrutiny etc, it seems that the post of Upper Division Clerk, may perhaps be continued for a further period of 3 months, as asked for by the Superintendent, Government Press. There does not seem to be sufficient justification for the continuance of the rest of the staff viz. 1 computer and 20 compositors. ^{as the purpose for which these posts were sanctioned} This department may therefore advise that these posts ~~may~~ be retrenched forthwith.

Arrears were probably inevitable. The work of printing new electoral rolls was v. heavy. Finance may agree to continuance for two months. After that the staff must be disbanded. 15/5 E-PH.
