Education - Secondary - District Board High schools - Award of
prizes to school pupils.

In its Resolution No.92 dated 9--7--47 (copy enclosed) the District Board decided that with a view to encouraging the students in Board Secondary schools in their studies and conduct, prizes might be awarded to the first two boys who secured the first two highest number of marks in the Annual Examination in each class, and also to the boy in each class whose conduct was very good. As there are no rules on the subject, the District Inspector of Local Fund Accounts, Tinnevely was requested to state whether the expenditure in this connection comes under extraordinary expenditure requiring extraneous sanction. He has replied that the question may be referred to Government.

(P.T.O.)

2. I request orders as to whether such expenditure may be incurred by the District Board and if so, the limit upto which the expenditure can be incurred may be fixed.

Expenditure on the opening and maintenance of Secondary schools is provided for in rule 1-B(1)(d) of Schedule ~~XXXX~~ V to the Local Boards Act, 1920. The expression used in G.O.No.4485 L & M. dated 8th November 1928, would also seem to permit expenditure on ^{award} prizes. Such expenditure, however, is not being incurred generally by the District Boards.

There is no objection, however, to the Special Officer being permitted to incur the expenditure not exceeding the limit, if any, which may be prescribed by Government in this behalf.

Award of prizes to school pupils.

The Special Officer, Dt. Board,

H-1-20f Tinnevely solicits instructions as to whether expenditure on the award of prizes to students in secondary schools can be incurred from the funds of the Pt. Board and if so, ~~to what extent~~ the limit upto which such expenditure can be incurred. Attention is invited to the remarks of the D.P.I. and the Examiner of L.F. Accounts at H 9 & 10 of respectively.

As the expenditure on prize distribution in secondary schools is met from the general funds of local bodies, no outside sanction is necessary. Attention is also invited in this connection to G.O. No 4485 L & M d ~~18~~ 8-11-1928. As regards the limit up to which such expenditure can be incurred, it is for consideration whether it may be left to the discretion of the Executive authority as recommended by the D.P.I or a limit should be prescribed for each school. In the latter case, a sum not exceeding Rs 50/ for a school seems to be a reasonable limit. For orders.
