I have the honour to invite the kind attention of Government to this office letters referred to above wherein I have stressed the necessity for the employment of two additional peons and a sweeper on a permanent basis for the normal working of the institution and the G.O.'s referred to above which sanctioned their employment first for a period of two years from September 1945 and thereafter for only one year, i.e. upto August 1948 and to request Government to be pleased to issue orders sanctioning their permanent retention.

2. In G.O. No. 1323 Edn. dated 24-6-1947 the Government were pleased to state that the permanent retention of these menials should be deferred till final orders are issued after the receipt of the recommendations of the Retrenchment and Re-organisation Committee. Now that the Government have accepted the recommendations of this Committee in their order No. 326 Finance dated 5-4-1948, I have the honour to submit that this Library has eight peons and two sweepers, including those for whom permanent retention is sought. Of these eight peons, as previously submitted by me in my original request, six peons are constantly needed for watching on either sides of the reading hall, watching at the entrance, receiving all articles from visitors, getting their signatures and addresses and for dusting the numerous shelves and cleaning them. As the Library is working from 8 a.m. to 5-30 p.m. on all days except Fridays, these six peons have to work by shift system with compensation holidays for all the Government Holidays on which they work. The balance of two peons are required one for office work and another to attend to the Librarian; There are four clerks and one Sub-Librarian in this office and six assistants in the usual lower division scale. As per the recommendations of the Retrenchment and Re-organisation Committee embodied in G.O. No. 326 Finance dated 5-4-1948, the office alone should have two peons and one peon for the officer, which means that the total strength should be 9 instead of the present eight.

3. I have also mentioned in my previous request to Government the absolute necessity for the employment of an additional sweeper for the Library to cope with the largely increased work, one sweeper being too few for the entire sweeping of the whole Library inclusive of galleries and extension.

4. I have, therefore, the honour to request the Government will be pleased to issue orders sanctioning the permanent retention of these two temporary peons and one additional sweeper.

I have the honour to be,
Sir,
Your most obedient servant,

R. Janardhanam

Librarian. (15. IV. 1948)

Please see the reference from the Librarian, Commemara Public Library in the CF and the note of E.P.H. above.

2. 'A' above: In G.O. 1407 Edu dated

12.9.45, sanction was accorded for ~~the employment~~ the employment for a period of two years.

Commemara Public Library of a staff of two peons and one sweeper in addition to a staff of six peons and one peon existing at that time. The staff continuance of ^{for another year} of two peons and one sweeper ~~was sanctioned~~ in G.O 1931 Edn 8 3.9.47. The Librarian proposes the permanent retention of the staff in the above G.Os - vide 'x' and 'y' on p 1 CF. He justified the permanent retention of the sweeper by stating that he had already explained the need for a second sweeper in the Library in his previous references viz his letters on H 1-2 CF of G.O 1407 Edn 8 12.9.45 and E.P.H seems to have misbook that the Librarian has asked for an additional sweeper. They may be requested to verify the position. 'B' on p 1 above. This Dept may agree ^{with} the ~~proposal~~ ^{new} of E.P.H.

The note of the Finance Dept on H 1-2 above may be perused. The position stated by the Finance Dept is correct. Hence it does not appear necessary to make a reference to the Librarian, Commemara Public Library as regards the additional sweeper.

As regards the continuance of ^{two} temporary posts of peons and one additional sweeper for one more year, a draft order is submitted for approval.
